

## Annual Fire Extinguisher Service Scope of Work-2024

(Hard Rock- Catoosa, OK) (Buildings 1, 2 and 3 On the Hill- Catoosa, OK)  
(Employee Health Center- Catoosa, OK) (Hard Rock Substation)

The vendor will provide annual inspection and service for approximately 460 Fire Extinguishers of various poundage and fire suppression substances. The vendor will provide all materials and equipment necessary to complete service and inspection and coordinate with the safety department regarding schedule of work. The vendor needs to ensure to have enough spare Fire Extinguishers to put in place of other Fire Extinguishers that need to be taken for service.
