

INFANT 1

Look at me photo display- QTY 2

The curved, soft-sided unit features places for inserted photos on the sides and top, encouraging children to pull themselves up to view each interesting picture. Insert high-contrast photos, pictures of recognizable people or animals, or a variety of colors and shapes to create visual interest and intrigue infants and toddlers. Includes 3 sections that can be used separately or together using the hook and loop attachment on each. Measures 21"W x 12"H x 12"D.

FOUR COLOR ACTIVITY MAT- QTY 2 /

Made of high-density foam and soft vinyl, this mat is the perfect addition to any play space, offering infants and toddlers of all ages a comfortable and safe place to play. Surface wash only. Mat measures 52"L x 52"W x 1.25"H.

CAROLINA END TABLE- QTY 2 /

Made of birch plywood and clear natural finish, this end table offers three display surfaces to add warmth to any classroom setting. Adult assembly required. Measures: 15.75"W x 18.75"H x 15.75"D. Clean with mild soap and water. Do not use cleansers, bleach, etc.

SENSE OF PLACE 24" COMPARTMENT STORAGE – QTY 4 /

This 5-compartment Storage Unit. The contemporary design of the solid birch feet and apron are similar to furniture you would find in the home. White-laminated plywood serves as a neutral backdrop to highlight the items stored and displayed in this unit, which offers versatile, spacious classroom storage. Measures 48"W x 24" H x 15"D . Ships Fully Assembled. Limited Lifetime Warranty.

SENSE OF PLACE FOR WEE ONES -18" CORNER – QTY 8

Constructed from a durable combination of FSC-sourced materials, the 18" Corner adds softness to the classroom through gently curves and rounded edges. Easily connect the Corner units to other pieces in the collection to create arrangements that can be reconfigured and reorganized to fit the needs of young enthusiastic improvisers. Measures 15"L x 15"W x 18"H.

CAROLINA PULL UP STORAGE – QTY 4 /

Three spacious cubbies provide accessible areas for storage that children can instantly access without asking for assistance. A mirrored panel on the back provides an element of discovery, observation and stimulation. A 5 step protective UV finish creates a durable and easy to clean surface. Measures 36"W x 16"H x 15"D.

SENSE OF PLACE FOR WEE ONES- ACTIVITY ISLAND -QTY 2

Constructed from a durable combination of FSC-sourced materials, the Activity Island is the perfect playful, functional and flexible storage unit for the early childhood classroom. A large mirror across the back of this piece strengthens an infant's development of self-awareness as they learn to sit and stand up. Sensory seeking children will experience enhanced and enriching play while interacting with the inset ramp, intentional holes on multiple levels and the raised top border of this one-of-a-kind storage shelf. Clean with mild soap and water. Do not use cleansers, bleach, etc. Measures 36"L x 15"W x 18"H

SENSE OF PLACE CIRCLE ACRYLIC WALL MIRROR – QTY 2

Add texture and natural elements to the classroom with the Circle Acrylic Wall Mirror. With a border woven from water hyacinth, the large acrylic mirror brings light, texture, and comfort wherever it is placed in the classroom. Woven hooks on the mirror's back allow for easy hanging on your wall. Measures 29" in diameter.

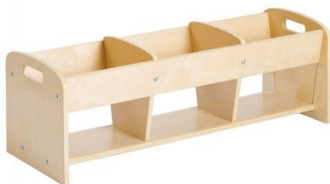

REFLECTION TRIANLGE – QTY 2 /

Made from shatter-resistant acrylic mirrors and durable plastic frames, this over-sized Reflection Triangle creates a unique and safe play space for young children in the classroom. The seamless adjacent mirrors reflect beautifully and create an immersive learning environment for Infants and toddlers. Crawlers or little ones just learning to walk can move through this unit, creating an interesting gross-motor experience and an exciting way to navigate through their environment. Ships fully assembled. May see hairline scratches over time. Measures 30"W x 30"H x 18"D.

CAROLINA LINE TOT-EXPLORER STORAGE BIN WITH PLAEXI-GLASS SIDES – QTY 2 /

Easily store activity materials with this Carolina Line Tot-Explorer™ Storage Bin with Plexi-Glass Sides. With this convenient and sturdy storage center you can easily store toys, counters, blocks, and more! Your children will love digging through one of the three bins to find the pieces they're looking for or to find something new. This tot-explorer also makes for a great prize bin! Constructed of Baltic Birch with clear plexi-glass sides and child safe rounded edges. Measures 38"W x 12"H x 12"D. Ships fully assembled.

SENSE OF PLACE FOR WEE ONES- 24" CORNER – QTY 6

Constructed from a durable combination of FSC-sourced materials, the 24" Corner add softness to the classroom through gentle curves and rounded edges. The unique rounded elements and curved designs within this collection invite children to more comfortable interact with the furniture as they create authentic connections and engage in playful learning experiences in the classroom. Easily connect the Corner units to other pieces in the collection to create arrangements that can be reconfigured and reorganized to fit the needs of young enthusiastic improvisers. Unit is available in two different sizes to fit specific classroom needs. Clean with mild soap and water. Do not use cleansers, bleach, etc. Measures 15"L x 15"W x 24"H.

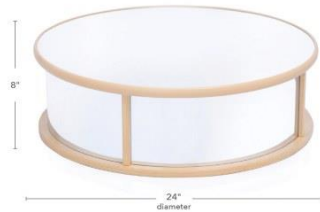

SENSE OF PLACE FOR WEE ONES- EXPLORATION STORAGE – QTY 2 /

Constructed from a durable combination of FSC-sourced materials, the Exploration Storage is the perfect playful, functional and flexible storage unit for the early childhood classroom. Details like intentional holes in different shelving levels and a raised border around the top of the unit transform this traditional storage into a new play space that fosters interaction and provocations from all sides. Two deep shelves divided into compartments allow plenty of room for storing learning materials, books and toys in the classroom. Clean with mild soap and water. Do not use cleansers, bleach, etc. Measures 36"L x 15"W x 24"H.

CURIOUS CRAWLER MİRRORED PLAY TABLE – QTY 1 /

Made from durable birch plywood and safe, shatterproof acrylic mirrors, this unique play space encourages a young child's coordination and confidence as they crawl and move around. May see hairline scratches over time. Measures 24"L x 24"W x 8"H.

SENSE OF PLACE FOR WEE ONES – HONEYCOMB TUNNEL – QTY 2 /

Constructed from a durable combination of FSC-sourced materials, the Honeycomb Tunnel is a unique and versatile addition to any early childhood classroom. Young children, especially those who are crawling or just learning how to walk, are always on the move. Tunnels and pathways like the ones in this collection can provide them with exciting and interesting ways to navigate through their environments. Use this unit as a fun transition between areas in the classroom, or push it up against the wall to create a refuge or cozy retreat for little ones. A scratch-resistant, vinyl-covered cushion makes the Honeycomb Tunnel durable enough for continued use. Measures 24"L x 15"W x 24"H

TURTLE WASHABLE WICKER FLOOR BASKET – QTY 2 /

The fun shape and natural tone and texture of this durable basket adds a unique layer of playful possibility to traditional classroom storage. Authentic materials and recognizable shapes invite children to touch and interact. To wash use mild detergents, or soap and water on a damp cloth. Do not use window-cleaners or abrasive products as they may damage the finish and will invalidate your warranty. Measures 20.5"L x 20"W x 5"H.

SOFT-TIP INFANT SPOONS – QTY 1 /

Help your infant teethe with ease using these wonderful Bright Colored Soft-Tip Infant Spoons for Teething. These rounded, soft spoon bowls make these spoons gentle on baby's gums. The ergonomically-designed handles make the teethers easy for your little one to grip and maneuver. For extra relief, try freezing the spoons before teething time. BPA Free. Puppets provide opportunities for children to build their language skills and hand-eye coordination through collaborative play. Each puppet is designed with a soft, comforting material made out of 100% recycled plastic bottles. Embroidered eyes for safety. Hand wash only with warm, soapy water and let air dry. 12"L.

HAND GLOVES – SET OF 3 STORYBOOK FAVORITES – QTY 2 /

These three storybook favorites, 5 Little Frogs, 5 Little Ducks, and 5 Little Monkeys, will come to life when you put them on your hand! Use this set of hand gloves for an exciting interactive story time. Watch as children become enamored with these brightly colored characters. You can even add them to your dramatic play center or in a lesson about counting for extra fun. This set is complete with 22 rhymes and finger play activity card(s). Machine washable.

EMOTION BEARS – SET OF 4 – QTY 2

Children will relate to this lovable set of bears and matching blanket that encourages social emotional development. The four soft and colorful bears will help children identify and label the common emotions of happy, sad, angry, and scared. Have children match the bear to the corresponding color on the blanket, and discuss each emotion. Each bear is 11" tall. Machine washable.

FRIENDS MELODY BOX – QTY 2 /

Watch your whimsical animal friends twirl to the sounds of a sweet lullaby! The Friends Melody Box features adorable animal figurines that dance and spin on the magnetic surface to the tune of a soothing lullaby. Turn the key underneath the box to let the magic unfold. Figures are removable and safe for children. Made from quality wood, plastic, and metal. Music played is "Lullaby", by Franz Schubert and lasts approximately 2.5 minutes. Box measures 4.7" x 2.3".

BABY MARACA- SET OF 6 – QTY 2 /

Shake up children's entertainment with these delightful maracas. Each has a textured animal face and the special flexible round handle is easy to hold and shake. These maracas are a fun way to introduce your little one to rhythm, music, sensory development, and are sized perfectly for smaller hands. Have children follow along with a rhythm you create or shake to their own beat. Perfect for individual or group settings. Colors may vary.

BABIES FIRST MUSICAL SOUNDS – QTY 2 /

Learn while you play! This set features four musical instruments that play delightful sounds with a simple touch of a button. These wonderful instruments have bold colors, black and white patterns, rattles and rings, and multiple textures to develop sensory learning. This instrument set also helps children recognize rhythms and sounds. Encourage children to come up with their own rhythms or teach them a song they can easily follow along with using their instruments.

“GROOVY BEATS” WOODEN EGGS SET – QTY 2 /

Shake, rattle, and roll - and make music with this "Groovy Beats" Wooden Eggs Set! Each of the five rattle eggs made of robust, solid wood makes a different sound and offers all kinds of rhythmic fun. The eggs have a lovely shape and can be easily gripped by children's hands. With their combination of natural wood and modern, contrasting colors, these musical eggs are also visual eye-catchers! The absolute hit for sound explorers! Musical rattle eggs train acoustic perception as well as a sense of rhythm and beat and hand-eye coordination.

“GROOVY BEATS” WOODEN MARACAS SET – QTY 2 /

These smooth, pleasant-to-hold "Groovy Beats" Wooden Maracas Set are made of robust, solid wood and are ideal for young beginner music-makers getting their first experiences with rhythm and making sounds! These classic music rattles fit especially well in young children's hands thanks to their shape and makes a strong visual impression with the combination of natural wood and modern, contrasting colors. In addition to acoustic perception, maracas also train a sense of rhythm and beat as well as hand-eye coordination.

MOZART MAGIC CUBE – QTY 2 /

Finally - a toy that makes beautiful music! Perfect for all ages, the award-winning, newly redesigned Mozart Magic Cube® inspires creativity and interactive play while teaching how sounds combine to create eight classical music masterpieces by the master composer. With a touch of a button, this interactive cube lets your child add or subtract from any combination of five different instruments, including Harp, French Horn, Piano, Flute and Violin. Each selected instrument button flashes to the tempo of the music. An orchestra button even plays all the instruments at once. The Mozart Magic Cube® provides a fun musical foundation for your little one. And that's music to your ears - in more ways than one. Requires 3 AAA batteries (included).

TODDLER BIG BAND MUSIC MAT – QTY 2 /

Kids who are fascinated by music will love playing with this Toddler Big Band Music Mat! The mat includes a big fun keyboard and a full drum set that lets them play all sorts of fun and exciting tunes. The Music Mat plays complete songs, in 4 different instruments, and has volume control. You can even fold it up and take it with you on the go! Requires 2 AA batteries, not included. Mat measures 27.6" L x 17.7" W.

FARM ANIMAL SOFT BLOCKS- 6 PIECE – QTY 2 /

Every side of these foam blocks features another way for children to play and learn! Each block is numbered 1-6, shows an illustration of a recognizable farm animal, and includes various colors and patterns. Children can stack, build patterns, squeeze, learn about colors and counting, and more with these soft blocks. Set comes complete with 6 foam blocks and a convenient carrying case. Each block measures 4" x 4" x 4".

PEEK-A-BOO MIRROR PUZZLE – SET OF 2 -QTY 2 /

Introduce young children to puzzles with this one-piece Peek-A-Boo Mirror Puzzle Set of 2. Each puzzle has a large knob for easy grasping to help children pick up the circular piece. Children will find a surprise inside when they see themselves in the mirror. Promote the concept of object permanence, fine motor-skills, hand-eye coordination and facial recognition. Great activity for practicing sitting up or tummy time. Made from wood with acrylic mirror. Set of 2. Each puzzle measures 6" x 6".

RAINBOW STACKERS – SET OF 2 SOOTHING TEETHERS QTY 2

The Rainbow Stackers - Set of 2 Soothing Teethers are the ultimate multi-purpose toys! These stacking rings make the best soothing teethers, babies love chewing on the textured silicone rings. Older children can enhance their hand-eye coordination by stacking the rings, while also exercising creative thinking and problem-solving skills to reassemble the stacker. The Rainbow Stacker can be cleaned using a sterilizer, placed in a dishwasher, or washed with warm soapy water. Stacker and Teether Toys are BPA, phthalates, and PVC free.

COMMUNITY PULL-BACK VEHICLES – SET OF 4 – QTY 2 /

Children will never tire of pushing and pulling these machine washable vehicles around. Set includes a school bus, taxi cab, police car, and fire engine. The wheels separate from the body of the vehicle for easy laundering.

CUDDLE DOLLS – SET OF 4 – QTY 2 /

Foster comfort, calm, and companionship with this set of Cuddle Dolls. These soft, lightweight dolls are the perfect size for little ones who need a snuggle buddy or a friend. In addition to improving their well-being, the dolls will introduce infants to early forms of companionship that can lay the groundwork for caring human relationships when they get older. Dolls measure 10"H.

FIRST WOODEN TOUCH & FEEL PUZZLE – QTY 2 /

Discover patterns and textures while encouraging hand-eye coordination with this puzzle featuring four textured animals. Each animal stands up for pretend play or fits into the sturdy wooden puzzle board that surrounds a child-safe mirror. Discover bold patterns and bright colors through play and improve fine motor skills. Board measures 10.25"L x 10.25"W x 1"H.

WOBBLY STACKING MOOSE – QTY 2 /

Children will enjoy stacking triumphs with the Wobbly Stacking Moose. This moose scale and stacker will enhance fine motor and spatial skills as children build a colorful cascade of cups on the moose's weighted base. Stack the cups to balance the moose antlers and see how high you can climb before the playful moose sends them tumbling! Includes the moose scale and 8 stacking cups.

PLAY WITH ME PAL – QTY 2 /

This endearing and versatile pal is covered with super soft, jersey-lined vinyl. Use it as a gentle rocker, flip it on the side as a support for sitting, or turn it upside-down for climbing fun! Promotes psychomotor development. Clean with soapy water. 29.5"L x 8"W x 15.25"H.

ROLLABLES SAFARI FRIENDS – QTY 2 /

Invite infants and toddlers to discover motion and sound with this set of Rollables™ Safari Friends. Each soft ball comes in an easy to grip size and creates a different sound when shaken or rolled. Little ones will develop foundational hand-eye coordination skills as they transfer the ball from one hand to the other and visually track the ball's path. These sensory soft balls create endless learning opportunities. Includes 4 familiar safari animals, elephant, lion, zebra, and monkey. Approximately 2.5" each. Wipe clean with a damp cloth.

FARM FRIENDS POP BLOCS – 10 PIECES – QTY 3 /

Sized right for little hands, this set of 10 colorful farm animals beads snap together to make 5 familiar farm animals. Great for developing motor skills, the beads are easy to snap together, pull apart, and can be sorted by shape, color or animal type.

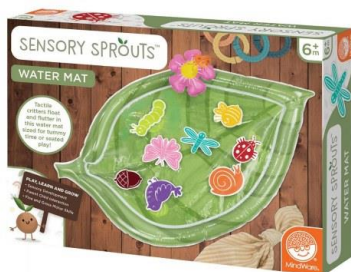

FLIP AND PEEK FUN PHONE – QTY 2 /

Little ones will flip over this phone that features fun sounds, greetings, and phrases and a Spanish mode that encourages bilingual learning. Flip phone features a fun peek-a-boo mirror on the inside. 3 button cell battery included. Available individually or in a set of 2. Colors may vary.

SENSORY SPROUTS WATER MAT – QTY 2

Bring the outdoors indoors with the Sensory Sprouts Water Mat. This inflatable mat includes 8 floating, nature-inspired shapes and a flower attachment on the side that will captivate babies in countless ways. The mat's play scenarios will develop babies' head, shoulder, and neck muscles as well as trigger visual and tactile stimulation.

PEEKA DEVELOPMENTAL MIRROR – QTY 2 /

The Peek-a® developmental mirror features an array of colorful and engaging elements designed to help children explore, learn, and grow. Adjust the multi-position stand for tummy time or held by baby. Babies can grasp the multi-textured handles for tactile stimulation and sensory exploration. Move the multi-texture balls along the top and bottom handles for midline play improving gross and fine motor skills. Little ones can engage in early stages of communication through smiling, babbling, and facial recognition. Children can observe their reflection in the clear sight mirror promoting cognitive development, eye contact, curiosity, and focus.

TUMMY TIME REFLECTION CUBE – QTY 2 /

Enhance the possibilities for early discovery and sensory development with a safe, soft Tummy Time Reflection Cube. This unique foldable activity center provides a chance for very young children to observe reflections from various angles, explore different shapes and colors, and develop self-awareness. Use closed and open during tummy time and seated activities. Measures 11.5"W x 11.5"H x 11.5"D.

ECO-FRIENDLY STACKER CUPS – QTY 2 /

Six graduated, numbered cups are great to use for stacking, nesting, sorting and water play. Each cup is numbered from 1 to 6 on the bottom and is volumetrically accurate. Fill cups 1 and 2, for example, and it will equal the volume of cup 3. They teach basic counting and math concepts. Made from recycled milk containers and made in the USA. Dishwasher safe. Colors may vary.

THE PIGEON JACK-IN-THE-BOX BUS – QTY 2

This musical Jack-in-the-Bus pops into play in celebration of The Pigeon's 16th birthday! Children practice hand-eye coordination and motor skills as they turn the crank to hear the familiar tune of "The Wheels On The Bus". Youngsters also learn cause-and-effect when the 5" soft plush Pigeon pops out of the bus! Featuring friends of The Pigeon including the Bus Driver, Knuffle Bunny, Leonardo, Duckling, and Elephant & Piggie on the sides of the high quality tin bus, this Mo-centric musical toy brings smiles and helps children to develop auditory and visual awareness, much like the surprising game of peek-a-boo. When closed, tin box measures 5.5"H x 5"W x 5"D. Surface wash and air dry only.

CURIOS LEARNER REMOTE – SET OF 2 – QTY 2 /

Put toddlers in control with the Curious Learner Remote. This remote can engage toddlers at a wide range of developmental levels. It is a great auditory sensory toy for any toddler because every button makes a sound, but it also repeats each number that toddlers press and has a quiz function that challenges toddlers to find numbers and shapes on the remote. Each remote requires 2 AAA batteries, included.

LITTLE BLUE TRUCK JACK-IN-THE-BOX-PLAYS “POP GOES THE WEASEL” – QTY 2 /

Take a turn with Little Blue Truck and his farm friends with this new spin on the classic Jack-in-the-box. Hear "Pop Goes The Weasel" as the crank is turned until a plush Toad pops out! The beautifully decorated tin box features Jill McElmurry's illustrations of Little Blue Truck traveling down a muddy country road. Made of durable sturdy metal, this Jack-in-the-Box provides long-lasting fun and helps little ones develop auditory and visual awareness through play. Surface wash and air dry only. When closed, tin box measures 5.5"L x 5.5"W x 5.5"H.

RIDE 'EM PONY – QTY 2 /

This soft pony is ideal for waddlers as they learn to rock back and forth. All soft edges and solid foam core is very easy to clean. The cantilever base has a wide support that prevents it from tipping over. Seat height is 10" and overall measures: 28"L x 10"W x 17"H. One year warranty.

INFANT COLORFUL WRIST RATTLES – SET OF 6 – QTY 2 /

Brighten your infants' world with these lively crafted rattles. Simply stretch the band and attach to infant's wrist or ankle and they can rattle away. Each rattle is made to be machine washable for easy clean up. Encourage sensory exploration. Includes ladybug, pig, frog, dog, cow, and butterfly themed rattles.

SENSORY EGG SHAKERS – SET OF 6 – QTY 2 /

Children can explore sound and cause and effect relationships using this set of Sensory Egg Shakers. Each naturally-colored egg is filled with a different material, creating different sounds and various weights for toddlers to explore. Sized just right for little hands, these textured eggs also provide opportunity for tactile exploration.

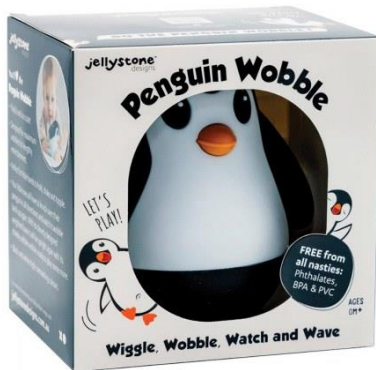

SHELL BELL SHAKERS – SET OF 3 -QTY 2 /

The Shell Bell Shaker set is a beautiful, nature-inspired take on classic handheld bell shakers. The shakers' easy-to-grip handles and overmolded tactile elements combine with their natural color schemes and authentically inspired details to offer toddlers a cornucopia of sensory exploration and stimulation. A gentle wobble feature encourages focus, hand-eye coordination, and balance, while identical bell sounds inspire group play and auditory exploration. Includes 3 bells that each measure 2.75" 2.75" x 4.75".

SILICONE PENGUIN WOBBLE WITH CHIMES – SET OF 2 – QTY 2 /

The Silicone Penguin Wobble with Chimes is the ideal waddling friend for tummy time or learning to crawl! Designed for maximum wobbles for lengthy entertainment, your little one will love to knock over the penguin in all directions and watch it wobble back up again. With its cleverly designed weighted base, it will be upright again with its cheeky wibble wobble ready to play more. It's perfect for little hands to hold, shake and topple! Black and white, the high contrast colors make it ideal for newborns to focus on, too!

MY FIRST TEETHER & RATTLES SET – 8 PIECES -QTY 2 /

Introducing the ultimate solution for teething babies, the My First Teether & Rattles Set is a specially curated collection that brings together 8 classic teething toys into one convenient set. Designed for small hands, each toy features textured surfaces that gently massage and soothe sore gums, providing much-needed comfort during the teething process. Whether your little one is reaching for the colorful rattles or eagerly gnawing on the teething rings, this set is sure to delight and engage them for hours on end. BPA-free.

LIGHTS & SOUNDS SHAPE SORTER – QTY 2 /

The Lights & Sounds Shape Sorter features 2 modes of play and can speak in 3 different languages! Each shape has unique sensory features. Kids enjoy learning colors and shapes as they align the shapes into the corresponding base. The bases light up and each play a sound when kids match the shape correctly. Begin with the shape sorter mode, once children have that down, turn on game mode to increase difficulty and fun! The Lights & Sounds Shape Sorter speaks 3 languages and effectively teaches kids shapes in English, Spanish and French. Requires 3 AA batteries, included. Shape Sorter measures 11.2" x 2.8" x 11.0".

CRINKLE POCKETS – RAINBOW – SET OF 3 – QTY 2 /

Encourage innate play patterns and early exploration with a stimulating toy set. High-contrast, vibrant colors, interesting textures, and satisfying crinkle sounds make this set of Crinkle Pockets the perfect toy for infants. Designed to be sized just right for little hands, this 3-piece set will help children develop and strengthen fine motor skills as they reach, grasp, and move things in and out of the pockets. Machine washable, accessories not included.

PLAYFUL PETS HAND PUPPETS – QTY 2 /

Have fun role-playing together with these friendly animal hand-puppets by Melissa & Doug®. Set features 4 soft pet-themed hand puppets with fun patterns and adorable stitched detailing. Machine washable. Size: Approximately 14"H. Included: 4 hand puppets: kitten, puppy, parrot, and rabbit.

BABY CALM DOWN SENSORY BOTTLE- SET OF 2 – QTY 2 /

Keep babies calm and captivated with these Calm Down Bottles. Each bottle has a glittery liquid inside that will swirl and sparkle as babies play. In addition to glitter, the liquid contains small objects such as stars and snowflakes that reflect a rainbow of colors off their surfaces. So, babies will receive visual stimulation as well as emotional relaxation. The set includes bottles in blue and mint colors.

SENSORY BALLS – SET OF 6 – QTY 2 /

Give young children a rich, engaging play experience with this set of Sensory Balls. The nature-inspired colors in this set are sure to visually captivate little ones, and the softened points across each ball's surface will provide consistent tactile stimulation. The variety of sizes will also develop size perception and give children a sense of how size impacts things like movement and weight.

HUGGERS PLUSH OCEAN ANIMALS – SET OF 3 – QTY 2 /

These plush ocean animals are ready to give lots of soft, snuggly hugs. Just spread their arms open wide, give the chest a little squeeze, and watch the arms instantly snap around to give you a hug. These ocean animals can hug around your wrist, backpack, and so much more. Surface washable. Size: 8". Animals may vary.

SENOSRY REFLECTIVE COLOR BURST BALLS – 4 PIECES – QTY2 /

Nurture multisensory play with this set of Sensory Reflective Balls! Engaging and vibrant, the reflective surfaces of these balls change color in the light as children manipulate each sphere. Providing a slightly distorted reflection in their iridescent surface, these mirrored balls will fascinate children and encourage explorations in facial recognition, descriptive language, and self-esteem. Smooth, lightweight, and easy for small hands to grasp, this set is chemical-free, non-porous, and easy-to-clean. Made of durable, tarnish-resistant, stainless steel, these sensory balls are ideal for all play environments. Measure 2.4", 3.2", 3.9" and 5.9" diameter.

RATTLE AND ROLL SENSORY BALL – SET OF 4 -QTY 2 /

Provide even the youngest learner with a safe toy set that stimulates their senses during play. The Rattle and Roll Sensory Ball set are just the right size for little hands. As they begin to feel, roll, and shake each ball, they will be able to explore different sounds, weights and textures. A subdued, nature-inspired color palette is pleasing to the eye, while the transparent ball creates contrast for newborns and infants.

INFANT AND TODDLER FUN WATER PLAY KIT – QTY 2 /

Lots of bobbing, swirly, floating, spilling fun with this set of water toys for the youngest explorers. Enhance auditory, tactile, and visual stimulation and encourage bath time fun. Includes bubble balls that spin, linking fish sifters, floating sea friends and two funnels - all with extra sensory elements to discover. Assortment may vary.

BACKYARD BIRDS -SET OF 3 – QTY 2 /

Each of these adorable stuffed animals is designed to bring these birds to life straight from the great outdoors and into your home. Listen to the robin, cardinal and blue jay as they sing their different songs. Babies are fascinated by their sounds, and older kids love to take them outside and compare them to the actual sounds of the birds in their backyard. Simply press the backs on these realistic plush birds with authentic sounds to hear them sing. Birds that are indigenous to your area often respond to the sounds of these realistic sounding birds.

PICNIC PLAY SET – QTY 2 /

Have a wonderful lunch with this soft Picnic Lunch Dramatic Play Food Set with Basket. This soft outdoor lunch set is complete with a crinkly banana, apple with reflection square, squeaky sandwich, and crinkly lettuce. The basket has an attached handle and lid for storing food. This set promotes color recognition, sensory learning, and dramatic play. Surface washable only.
