

INFANT 2

HAND PUPPET BOOK – SET OF 2 – QTY 2 /

Soft and textured finger puppets and simple rhyming stories will bring giggles to babies and toddlers alike. Babies can focus on the bright colors, tactile exploration, and pointing out images. Toddlers will start looking at pictures and text and build listening and language skills. Set of 2.

FARMSTAND TUMMY TIME PLAYMAT – QTY 2 /

With a supportive tummy time pillow built right in, this comfy playmat is packed with farm-fresh activities that encourage your little one to learn and grow. Four garden-inspired toys engage baby's senses with textures, sounds, and more to explore. Includes peekaboo pockets, toy loops, and easily rolls up for on-the-go. Peekaboo pockets and toy loops provide sensory stimulation, encouraging babies to reach, grasp, and explore. This enhances their fine motor skills and hand-eye coordination while keeping them engaged during tummy time. Measures 15"L x 21.5"W.

FLIP AND PEEK FUN PHONE – SET OF 2 -QTY 2 /

Little ones will flip over this phone that features fun sounds, greetings, and phrases and a Spanish mode that encourages bilingual learning. Flip phone features a fun peek-a-boo mirror on the inside. 3 button cell battery included. Available individually or in a set of 2. Colors may vary.

PEEKA DEVELOPMENTAL MIRROR – QTY 2 /

The Peeka® developmental mirror features an array of colorful and engaging elements designed to help children explore, learn, and grow. Adjust the multi-position stand for tummy time or held by baby. Babies can grasp the multi-textured handles for tactile stimulation and sensory exploration. Move the multi-texture balls along the top and bottom handles for midline play improving gross and fine motor skills. Little ones can engage in early stages of communication through smiling, babbling, and facial recognition. Children can observe their reflection in the clear sight mirror promoting cognitive development, eye contact, curiosity, and focus.

DIMPL SENSORY DEVELOPMENT TOY – QTY 2 /

Bring safe fidget toy fun on the run with the Dimpl Sensory Development Toy by Fat Brain Toys. This unique toy features rounded edges and five colorful silicone buttons in a variety of sizes and colors. When pressed, each button pops in and out with gentle thumps in different tones. One touch and your finger can't stop pushing, poking, and popping! Dimpl helps children develop their fine motor skills while keeping them captivated for hours. Made from non-toxic, high-quality plastic and silicone.

TRIBLOX RAINBOW SILICONE TRIANGLE BLOCKS- 9 PIECE – QTY 2 /

Triblox Rainbow Silicone Triangle Blocks include 9 blocks made from toxic-free silicone that little ones can use to build, stack, and learn. Perfect for open-ended play, each colorful block features a number and corresponding illustration on the other side for added learning opportunities. Each block features a hollow design, perfect for scooping during sensory play and bath time. Triblox can be cleaned using a sterilizer, placed in a dishwasher, or washed with warm soapy water.

LIGHT-UP SENSORY BALL – GRAB N’ GLOW TEXTURED BALL WITH HOLES – QTY 2 /

Multi-sensory textured ball is easy for infants and toddlers of all ages to grasp. Larger ball is flexible and lightweight for building gross motor and coordination skills. Smaller ball inside rolls, bounces, rattles and lights up with a soft glow for extra sensory fun and visual tracking. 6.4" diameter. Batteries included.

INFANT DIMPL SET- SET OF 3 – QTY 2 /

This Infant Dimpl Set will keep little ones entertained for hours. All items in the set are great for teething, sensory exploration and fine motor development. Each item in the set includes a dimpl to pop and a different texture to explore. The dimpl wobble also adds a fun cause and effect experience as it bobbles back and forth when pushed. Items are made with food-grade silicone and are BPA free. Clean by wiping with a damp cloth. Colors may vary.

SILICONE TEETHING MITTENS – SET OF 3- QTY 2 /

Help soothe your little one's tender gums with the Silicone Teething Mittens! Teething mittens are made from 100% silicone, and feature an opening at the bottom for little hands, with an internal silicone bar for babies to naturally grasp and hold. Each mitten features multiple teething surfaces and the arms of the animal mimic a natural nipple, providing a soothing sensation for baby. Silicone Teething Mittens are top-rack dishwasher safe and made with BPA-free materials. Set includes 3 Silicone Teething Mittens. Styles and colors may vary.

WATERPROOF BIB 10 PACK – COLOR ASSORTMENT 2 – QTY 2 /

Keep them clean and dry while they eat with this essential pack of 10 reversible and absorbent terry bibs. Bibs have a waterproof inner layer and Velcro® for easy on and off. Colors may vary. Measures 6.5"L x 8.5W.

PHOTO CUBES – SET OF 2 – QTY 2 /

Roll or toss these colorful Photo Cubes to children and see if they can recognize their friends and family. These wonderful cubes promote gross motor functions and facial recognition. Simply slip photos of familiar faces into the clear sleeves, and have children identify the people in the photo. For an extra activity, put print outs of shapes, animals, or numbers in the sleeves and have children identify those objects. Each cube holds up to 6 photos that measure 3.5" x 5". The overall size is 6" square. Surface washable.

WOODEN 9 HOOK PACIFIER HOLDER – QTY 2 /

The Pacifier Holder has hooks for 9 pacifiers along with space for each child's name. A 9-hook pacifier holder keeps multiple pacifiers organized and easily accessible. Parents and caregivers can quickly grab a pacifier when needed, reducing the stress and frustration of searching for a misplaced pacifier. Having a designated hook for each pacifier, parents can prevent cross-contamination between pacifiers. This is particularly important if the baby has multiple pacifiers in use at different times. Clean with warm water, a soft cloth, and mild soap. Measures 14"L x 14"W.

TAKE & TOSS SPILL PROOF CUPS – SET OF 24 -QTY 2 /

This 7 oz. cup is sized just right for little sippers. The spill-proof spout is valve-free for easy sipping and cleaning. Dishwasher safe and lightweight for little hands to hold. Reuse again and again or recycle. BPA Free. Colors will vary. Set of 24 cups.

CAROLINA LOCKING SUPPLY CABINET -QTY 6 /

Twelve individual spaces with a dry-erase area for personalizing. Keeps personal items secure and within reach. Includes two keys. Each space measures 4.5"W x 6"H x 6"D. Cabinet Measures 20"W x 22"H x 9"D.

SENSORY REFLECTIVE BALLS – SET OF 4 -QTY 2 /

A set of four reflective mirror surface balls provides a distorted fish-eye lens reflection in which children will want to observe. They will be fascinated to see items placed close to the mirrors including their own faces enlarged and close-up. Made from hard wearing stainless steel, these beautiful, smooth tactile balls are robustly constructed without being too heavy and therefore can be handled by young children with ease. They can be used indoors or outdoors and provides a focal point for displays. Sizes are approximately: 2 3/8", 3 1/8", 4", and 6" in diameter.

WHIRLY SQUIGZ -QTY 2 /

Colorful movement is great for cause and effect exploration and discovery. Each Whirly Squigz™ is made of 100% high quality, food-grade silicone safe for play and teething. Pieces stick to any smooth, flat, non-porous surface and spin easily, helping to develop visual tracking skills. One set includes three Whirly Squigz™.

TEXTURED COOLING TEETHERS AND SOOTHERS – SET OF 4 -QTY 2 /

Help your infant soothe their gums with this exciting Textured Cooling Teethers and Soothers Easy to Grip Set. In addition to offering teething relief, this set promotes visual and tactile stimulation through various textures and high-contrast colors. These teethers and soothers develop fine motor skills, color recognition, and sensory learning. Encourage your little one to explore the texture and features of each toy as they teethe. For extra relief, freeze the teethers before teething time. Contents may vary.

NAME CARD HOLDERS – SET OF 12 -QTY 2 /

3" long clear heavy plastic name plates that snap on to any 0.75" shelf edge. Sold in set of 12.

Soft Toddler Arches and Slide Climber – QTY 2 -

Our softline collection provides colorful, thoughtful transition pieces that assist children in acclimating to and mastering their surroundings. Cushioned climbers provide beginner crawlers the perfect place to exercise their newfound gross motor skills. The sturdy Natural Arches and Slides Climber has soft steps, a straight ramp and enticing tunnels to crawl, climb and slide down. Nine multi-height, solid sponge pieces in the natural color palette fit securely together with hook and loop closures. An appropriately sized, soft climber encourages toddlers to practice their budding balance and coordination skills in a safe, exploratory environment. Climber has an easy to clean surface--simply wipe clean with a damp cloth. Assembled set measures 54"L x 54"W x 18"H. One year warranty.

ECO-FRIENDLY STACKER CUPS -QTY 2

Six graduated, numbered cups are great to use for stacking, nesting, sorting and water play. Each cup is numbered from 1 to 6 on the bottom and is volumetrically accurate. Fill cups 1 and 2, for example, and it will equal the volume of cup 3. They teach basic counting and math concepts. Made from recycled milk containers and made in the USA. Dishwasher safe. Colors may vary.

MUSICAL SPINNING WHEEL – QTY 2 /

This spinning wheel can do it all! This multisensory toy has activities that support the needs of developing infants. The rolling middle features a reflective area, row of beads for manipulating, and wind-up music box that plays a soothing melody. Perfect for developing hand-eye coordination and the vivid colors draw the eyes. Rolls easily to encourage crawling.

FABRIC GATHERING BASKET – QTY 2 /

Beautiful soft fabric basket is perfect for storage. It has a rounded bottom to sit flat on the floor and handles on the sides for easy carrying. Dab stains or spills with damp or dry cloth. Periodic professional dry cleaning is recommended. Measures 18" diameter x 12"H.

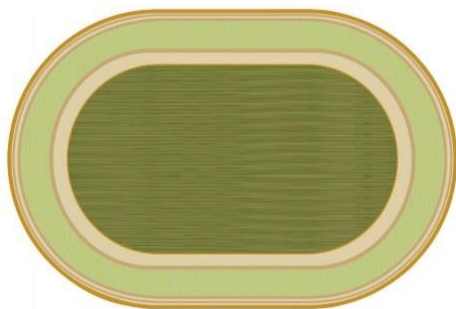

DIVERSITY PUPPETS – SET OF 8 -QTY 2 /

These puppets are a great way for children of all ages to learn about diversity through interaction and play. This set of eight puppets represents four multicultural groups of children with aspects of their culture represented in their clothing designs. For further learning, discuss the cultures these puppets represent and the history of their clothing. Puppets measure 12" long and are 10" wide with the arms spread open and embroidered eyes. Made from polyester fibers.

SENSE OF PLACE LOWLAND STRIPE CARPET – GREEN – OVAL 8'X12' -QTY 2 /

Incorporate natural color schemes into the heart-centered environments where children learn and play with the Sense of Place Lowland Stripe Green Carpet. Designed to reflect the beautiful, calming colors of nature, this rug's plush yarns create the perfect cozy area. Serge stitching provides tough, no-pull edges that stand up to the rigorous classroom environment. Treated to guard against odor, mildew, mold, stains and static shock, the Sense of Place Carpets can endure years of continued use.

SENSE OF PLACE 24" COMPARTMENT STORAGE – QTY 2 /

This 5-compartment Storage Unit is a modern take on the traditional classroom storage piece. The contemporary design of the solid birch feet and apron are similar to furniture you would find in the home. White-laminated plywood serves as a neutral backdrop to highlight the items stored and displayed in this unit, which offers versatile, spacious classroom storage. Measures 48"W x 24" H x 15"D . Ships Fully Assembled. Limited Lifetime Warranty.

EXPLORATION WALL MIRROR – QTY 2 /

Mirrors are important tools that foster a young child's self-awareness, self-esteem, intellectual curiosity and cognitive development. Encourage crawling children and early walkers to pull themselves up using the sturdy wooden bar and discover themselves in the variety of mirrors. Leaf details add interesting and welcoming biophilic elements to the classroom. Mirror measures 40"L x 24"W x 4"D.

SENSE OF PLACE FOR WEE ONES – 18" CORNER -QTY4 /

Constructed from a durable combination of FSC-sourced materials, the 18" Corner adds softness to the classroom through gently curves and rounded edges. The unique rounded elements and curved designs within this collection invite children to more comfortably interact with the furniture as they create authentic connections and engage in playful learning experiences in the classroom. Easily connect the Corner units to other pieces in the collection to create arrangements that can be reconfigured and reorganized to fit the needs of young enthusiastic improvisers. Unit is available in two different sizes to fit specific classroom needs. Measures 15"L x 15"W x 18"H.

SENSE OF PLACE FOR WEE ONES – ACTIVITY ISLAND – QTY2 /

Constructed from a durable combination of FSC-sourced materials, the Activity Island is the perfect playful, functional and flexible storage unit for the early childhood classroom. A large mirror across the back of this piece strengthens an infant's development of self-awareness as they learn to sit and stand up. Sensory seeking children will experience enhanced and enriching play while interacting with the inset ramp, intentional holes on multiple levels and the raised top border of this one-of-a-kind storage shelf. Measures 36"L x 15"W x 18"H.

SENSE OF PLACE FOR WEE ONES – HONEYCOMB TUNNEL -QTY 2 /

Constructed from a durable combination of FSC-sourced materials, the Honeycomb Tunnel is a unique and versatile addition to any early childhood classroom. Young children, especially those who are crawling or just learning how to walk, are always on the move. Tunnels and pathways like the ones in this collection can provide them with exciting and interesting ways to navigate through their environments. Use this unit as a fun transition between areas in the classroom, or push it up against the wall to create a refuge or cozy retreat for little ones. A scratch-resistant, vinyl-covered cushion makes the Honeycomb Tunnel durable enough for continued use. Measures 24"L x 15"W x 24"H

SENSE OF PLACE FOR WEE ONES – 24" CORNER -QTY 2 /

Constructed from a durable combination of FSC-sourced materials, the 24" Corner add softness to the classroom through gentle curves and rounded edges. The unique rounded elements and curved designs within this collection invite children to more comfortable interact with the furniture as they create authentic connections and engage in playful learning experiences in the classroom. Easily connect the Corner units to other pieces in the collection to create arrangements that can be reconfigured and reorganized to fit the needs of young enthusiastic improvisers. Unit is available in two different sizes to fit specific classroom needs. Measures 15"L x 15"W x 24"H.

SENSE OF PLACE FOR WEE ONES- EXPLORATION STORAGE -QTY 2 /

Constructed from a durable combination of FSC-sourced materials, the Exploration Storage is the perfect playful, functional and flexible storage unit for the early childhood classroom. Details like intentional holes in different shelving levels and a raised border around the top of the unit transform this traditional storage into a new play space that fosters interaction and provocations from all sides. Two deep shelves divided into compartments allow plenty of room for storing learning materials, books and toys in the classroom. Measures 36"L x 15"W x 24"H.

TURTLE WASHABLE WICKER FLOOR BASKET -QTY 2 /

A playful yet practical addition to any classroom environment, this easy-to-clean washable wicker basket provides convenient storage for toys and learning materials. The fun shape and natural tone and texture of this durable basket adds a unique layer of playful possibility to traditional classroom storage. Authentic materials and recognizable shapes invite children to touch and interact. Measures 20.5"L x 20"W x 5"H.

INFANT CHANGING PAD -QTY 15 /

Prevent messes and keep your infant snug and comfortable during diaper changes with this Infant Changing Pad. Covered with easy-to-clean polyurethane vinyl, this portable foam changer is a durable addition to changing areas in infant and toddler classrooms. Sloped sides protect and cushion infants, keeping them safe and relaxed. No assembly required. Measures 28"L x 18"W x 6"H.

WALL MOUNTED INFANT TODDLER MIRROR SET – QTY 2 /

Mirrors are important tools that foster a young child's self-awareness, self-esteem, intellectual curiosity, and cognitive development. The Wall Mounted Infant Toddler Mirror Set provides an interesting reflective experience in any infant environment. Shatter-resistant acrylic mirrors in a variety of shapes can be easily removed from the mounted board for close-up exploration and changed view points. Soft foam construction make this safe enough for learning environments with babies and young children

CAROLINA PULL UP STORAGE – QTY2 /

The Toddler Pull-Up Storage is a functional, versatile storage piece that empowers toddlers to make easy choices and exert their ever-increasing levels of independence. A small top ledge provides stability to children who are beginning to stand as well as a contained play surface to keep materials in place as they play. Three spacious cubbies provide accessible areas for storage that children can instantly access without asking for assistance. A mirrored panel on the back provides an element of discovery, observation and stimulation. A 5 step protective UV finish creates a durable and easy to clean surface. Measures 36"W x 16"H x 15"D.

INOOOR ACTIVITY PATCHWORK MAT -QTY 2 /

Birth & up. Our softline collection provides colorful, thoughtful transition pieces that assist children in acclimating to and mastering their surroundings. Provide the perfect indoor activity area for toddlers and young children with this colorful, grid-patterned Natural Patchwork Mat. Children can sit, crawl, rest and build on the comfortable, cushioned 1" surface. The natural colors and grid pattern of the mat encourage toddlers to recognize patterns in the spaces around them. Pair with our Natural Toddler Blocks for color matching, building, and patterning activities. Easy to clean surface, simply wipe clean with a damp cloth. One year warranty.

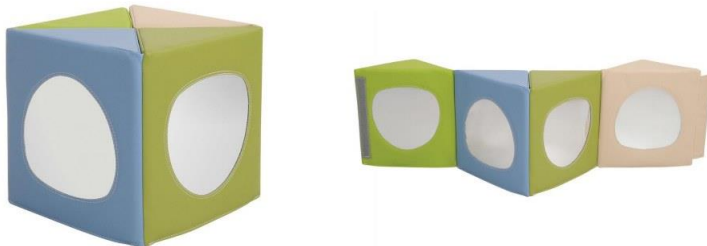

SIT-U-UP CHAIR -QTY4 /

Help your infant gain confidence in their sitting abilities with this comfortable Sit-U-Up Chair made from durable high-density foam with an easy-to-clean vinyl cover. The curved shape, high back and rounded arms aid in the development of sitting skills and provide support, comfort and safety for infants in an upright position. No assembly required. Measures 24"L x 18"W x 6"H.

TUMMY TIME REFLECTION CUBE – QTY 2 /

Enhance the possibilities for early discovery and sensory development with a safe, soft Tummy Time Reflection Cube. This unique foldable activity center provides a chance for very young children to observe reflections from various angles, explore different shapes and colors, and develop self-awareness. Use closed and open during tummy time and seated activities. Measures 11.5"W x 11.5"H x 11.5"D.

RECTANGLE MOUNTED WALL MIRROR – QTY 2 /

Reflections are fascinating to young children. Incorporate a variety of mirrors into the classroom to entice children to explore and develop self-awareness, intellectual curiosity and cognitive skills as they discover themselves and the world around them. Easily mount this large, durable mirror to the classroom wall. Measures 48"L x 24"W.

SENSE OF PLACE ACRYLIC WALL MIRROR – QTY 2 /

Add texture and natural elements to the classroom with the Circle Acrylic Wall Mirror. With a border woven from water hyacinth, the large acrylic mirror brings light, texture, and comfort wherever it is placed in the classroom. Woven hooks on the mirror's back allow for easy hanging on your wall. Mirrors can stimulate curiosity and cognitive development by encouraging children to explore light, reflection, and symmetry. Decorative mirrors allow children to see their reflections, which helps them develop self-awareness and recognize their own facial expressions and body language. Measures 29" in diameter.

CURIOUS CRAWLER MIRRORED PLAY TABLE – QTY 2 /

Mirrors are important tools that foster a young child's self-awareness, self-esteem, intellectual curiosity and cognitive development. Made from durable birch plywood and safe, shatterproof acrylic mirrors, this unique play space encourages a young child's coordination and confidence as they crawl and move around. May see hairline scratches over time. Measures 24"L x 24"W x 8"H.

REFLECTION TRIANGLE -QTY 2 /

Mirrors are important tools that foster a young child's self-awareness, self-esteem, intellectual curiosity and cognitive development. Made from shatter-resistant acrylic mirrors and durable plastic frames, this over-sized Reflection Triangle creates a unique and safe play space for young children in the classroom. The seamless adjacent mirrors reflect beautifully and create an immersive learning environment for Infants and toddlers. Crawlers or little ones just learning to walk can move through this unit, creating an interesting gross-motor experience and an exciting way to navigate through their environment. Ships fully assembled. May see hairline scratches over time. Measures 30"W x 30"H x 18"D.

GO ANYWHERE PORTABLE CHAIR - BLUE -QTY 4 /

This portable seat has an easy to use carrying strap that makes moving it simple and easy. The chair is perfect for quiet reading, circle time or playing games. The chair is easily used by teachers or children. It is made with durable fabric, high density foam and a steel frame. Measures 21.5"W x 17"H x 20.5"D.

VINYL COVERED WALKAROUND – QTY2 /

Versatile pieces let children learn to pull up and walk around holding onto the sides for support. Flip the unit over for extra storage. Sturdy Carolina Birch plywood construction allows for years of use. Soft vinyl-covering cushions falls, absorbs sound, and makes cleaning a breeze. The many uses of this Vinyl Walkaround make it a must have piece. Box measures 25.5"W x 13"H x 13"D. One year warranty

LOOK AT ME PHOTO DISPLAY – QTY 2 /

Enhance visual discovery and social-emotional development during tummy time and floor activities with the Look at Me Photo Display. The curved, soft-sided unit features places for inserted photos on the sides and top, encouraging children to pull themselves up to view each interesting picture. Insert high-contrast photos, pictures of recognizable people or animals, or a variety of colors and shapes to create visual interest and intrigue infants and toddlers. Includes 3 sections that can be used separately or together using the hook and loop attachment on each. Measures 21"W x 12"H x 12"D.

SENSE OF PLACE 24" COMPARTMENT STORAGE -QTY 2

This 5-compartment Storage Unit is a modern take on the traditional classroom storage piece. The contemporary design of the solid birch feet and apron are similar to furniture you would find in the home. White-laminated plywood serves as a neutral backdrop to highlight the items stored and displayed in this unit, which offers versatile, spacious classroom storage. Clean with mild soap and water. Do not use cleansers, bleach, etc. Measures 48"W x 24" H x 15"D . Ships Fully Assembled. Limited Lifetime Warranty.

ACTIVITY MIRROR DISPLAY CENTER – QTY 2 /

The Activity Mirror Display Center offers a captivating experience for young children, inviting them to explore their reflections and engage with images on the write-on/wipe-off plexiglass panels. They will develop a sense of identity and social awareness as they interact with reflections in the mirror. The visual stimulation provided by images on the panels promotes cognitive development as children identify objects, colors, shapes, facial expressions, and more. Maple construction with removable side panels. Mounting hardware not included. 60"L x 1.25"W x 27"H. Wt. 25 lbs.

FERNS GICLEE CLASSROOM WALL PRINT – QTY 2 /

Decorate your home or learning center with beautiful, high-quality giclee prints. Ferns have intricate leaf patterns and symmetrical shapes, which can help children enhance their visual discrimination and observation skills. Studying the unique details in the picture allows them to focus on patterns, textures, and colors, aiding in cognitive and visual development. Vivid and realistic imagery adds a visual element to lessons that is easy for little ones to comprehend. Each canvas print measures 18" x 24" and is complete with sawtooth hooks for easy mounting.

CONIFEROUS TREE GICLEE CLASSROOM WALL PRINT -QTY 2 /

Decorate your classroom or learning center with beautiful, high-quality giclee prints. Coniferous trees are typically evergreen, retaining their foliage throughout the year, and include species such as pines, firs, spruces, and cedars. Vivid and realistic imagery adds a visual element to lessons that is easy for little ones to comprehend. Each canvas print measures 18" x 24" and is complete with sawtooth hooks for easy mounting.

CONIFEROUS CONES GICLEE CLASSROOM WALL PRINT – QTY2 /

Decorate your classroom or learning center with beautiful, high-quality giclee prints. One benefit of pictures of coniferous cones is that they enhance visual learning and nature recognition. These images help children identify and differentiate between various types of cones, fostering an understanding of coniferous trees and their natural characteristics. Vivid and realistic imagery adds a visual element to lessons that is easy for little ones to comprehend. Each canvas print measures 18" x 24" and is complete with sawtooth hooks for easy mounting.

DECIDUOUS LEAVES GICLEE CLASSROOM WALL PRINT – QTY2 /

Decorate your classroom or learning center with beautiful, high-quality giclee prints. One benefit of pictures of deciduous leaves is that they help children learn to recognize and identify seasonal changes in nature. These images illustrate the variety of shapes and colors associated with deciduous trees, particularly during autumn. Vivid and realistic imagery adds a visual element to lessons that is easy for little ones to comprehend. Each canvas print measures 18" x 24" and is complete with sawtooth hooks for easy mounting.

KORKO BLOCKS – 40 PIECES -QTY2 /

Let a child's imagination go wild with Korko Building Blocks. Made from cork, a naturally durable, lightweight material with a high surface friction which means the blocks can be built in untraditional ways. The blocks are soft with rounded edges and are antimicrobial.

SHAPED BOARD WITH ATTACHED PIECES – QTY2

Introduce a new engaging activity to your children with this Soft Bright Colored Self Correcting Puzzle Shape Board with Attached Pieces. Children will love playing with the board as they try to solve exactly where the pieces fit. This activity promotes fine motor skills, color recognition, problem solving, and dexterity. The soft colorful shapes easily fit into the circle board. Each shape is attached so your little ones won't lose a piece. Shapes are easy to insert and color coordinated.

STACKERS N' NESTERS – QTY2 /

Discover new ways to sort and stack with Stackers N' Nesters! This set features six cubes in different colors, sizes, and textures that are stackable and nestable to stimulate visual and tactile sensory. As children grip and place the nesters, they are developing their hand-eye coordination, gross motor skills, and creative thinking. Pieces measure approximately 2.5" to 4.5". Included: 6 colorful, differently-shaped Stackers N' Nesters made of BPA and phthalate free plastic.

SOFT STACK BABY BRICKS- 24 PIECES – QTY 2 /

These Soft Stack Baby Bricks are the perfect way to introduce infants to blocks. Infants can interact with these bricks in all kinds of ways because their soft outer material and firm, plastic construction make them both pleasant to hold and able to withstand the rigors of infantile sensory exploration. The bricks also connect to one another very easily, so infants may even build something while they play!

ECO-FRIENDLY SHAPE SORTER – QTY2 /

Help children develop recognition of shapes and colors. Encourage eye-hand coordination, problem solving and fine and gross motor skill development. Elliptical two-part shape sorter with 8 colorful shapes to fit in corresponding holes. Each piece slides easily into the chute cut-outs on both the top and bottom of the sorter. Made from recycled milk cartons. Dishwasher safe. Made in the USA from food-safe, 100% recycled plastic. Measures 8"L x 8"W x 5.2"H.

AROUND THE TOWN CHUNKY VEHICLES- SET OF 3 -QTY 2 /

This set of chunky vehicles will bring imagination to life - from adventures in the sky to a drive around town. Sized just right for toddler's hands to push and play. Allow your child to enhance their gross and fine motor skills while playing! Watch as they learn how quickly or slowly the vehicles move, depending on how much pressure they apply to each toy. Set includes an airplane, helicopter, and mini van. Each vehicle measures approximately 5" long.

FARM FRIENDS POP BLOCS – 10 PIECES -QTY 2 /

Sized right for little hands, this set of 10 colorful farm animals beads snap together to make 5 familiar farm animals. Great for developing motor skills, the beads are easy to snap together, pull apart, and can be sorted by shape, color or animal type.

TOBBLES NEO STACKERS – QTY2 /

Gentle, playful curves and unique grippable texture engage the youngest child's tactile experiences. Young minds revel in stacking, toppling, and the discovery of endless ingenuity with this Tobbles Neo™ Stacker set. Weighted pieces invite investigation from toddlers, as they can't get enough of these gentle, playful curves. Includes 6 weighted pieces in bright colors that stack, topple, nest and spin and 1 base. Made with ABS Plastic, BPA-free.

INFANT COLORFUL WRIST RATTLES – SET OF 6 -QTY2 /

Brighten your infants' world with these lively crafted rattles. Simply stretch the band and attach to infant's wrist or ankle and they can rattle away. Each rattle is made to be machine washable for easy clean up. Encourage sensory exploration. Includes ladybug, pig, frog, dog, cow, and butterfly themed rattles.

SENSORY EGG SHAKERS-SET OF 6 -QTY 2 /

Children can explore sound and cause and effect relationships using this set of Sensory Egg Shakers. Each naturally-colored egg is filled with a different material, creating different sounds and various weights for toddlers to explore. Sized just right for little hands, these textured eggs also provide opportunity for tactile exploration.

CAGE BELLS WITH HANDLE – SET OF 6 -QTY 2 /

Inspire your future musician with these exciting Cage Bells with Handle. These cage bells create a soothing high peal sound when children shake them. This activity promotes fine motor skills, music learning, sensory development, dexterity, and hand-eye coordination. The bell is enclosed for safety which eliminates choking hazards. Encourage your children to follow along to a rhythm or to create their own unique one. The easy-to-grip handle in assorted colors. Measures 5"H.

SILICONE PENGUIN WOBBLE WITH CHIMES-SET OF 2 -QTY 2 /

The Silicone Penguin Wobble with Chimes is the ideal waddling friend for tummy time or learning to crawl! Designed for maximum wobbles for lengthy entertainment, your little one will love to knock over the penguin in all directions and watch it wobble back up again. With its cleverly designed weighted base, it will be upright again with its cheeky wibble wobble ready to play more. It's perfect for little hands to hold, shake and topple! Black and white, the high contrast colors make it ideal for newborns to focus on, too!

MY FIRST TEETHER & RATTLES SET – 8 PIECES – QTY2 /

Introducing the ultimate solution for teething babies, the My First Teether & Rattles Set is a specially curated collection that brings together 8 classic teething toys into one convenient set. Designed for small hands, each toy features textured surfaces that gently massage and soothe sore gums, providing much-needed comfort during the teething process. Whether your little one is reaching for the colorful rattles or eagerly gnawing on the teething rings, this set is sure to delight and engage them for hours on end. BPA-free.

LIGHTS & SOUNDS SHAPE SORTER -QTY 2

The Lights & Sounds Shape Sorter features 2 modes of play and can speak in 3 different languages! Each shape has unique sensory features. Kids enjoy learning colors and shapes as they align the shapes into the corresponding base. The bases light up and each play a sound when kids match the shape correctly. Begin with the shape sorter mode, once children have that down, turn on game mode to increase difficulty and fun! The Lights & Sounds Shape Sorter speaks 3 languages and effectively teaches kids shapes in English, Spanish and French. Requires 3 AA batteries, included. Shape Sorter measures 11.2" x 2.8" x 11.0".

BABY'S EXPLORATION ACTIVITY SET – QTY2 /

Captivate babies with a whole world of possibilities right at their fingertips! This Exploration Activity Set includes a wide variety of shapes and objects that will satisfy a baby's need for sensory exploration, strengthen their fine-motor skills, and encourage them to crawl. Adults can also participate by placing objects near the baby or modeling appropriate play patterns. Contents may vary.

TOLO SHAKER AND ROLY POLY TEDDY BEAR SET -QTY 2 /

Bring infants into new sensory worlds with the Bio Magic Shaker and Roly Poly Teddy Bear. These two toys present infants with all kinds of exploratory possibilities. In addition to hearing sound when they shake them, infants will see beads change colors when they flip the magic shaker, hear a squeak when they press the teddy bear's belly, and much more. Wonder awaits! Available individually or as a set of 2.

TEXTURED MIX & MATCH BALLS – SET OF 8 -QTY2 /

Encourage tactile exploration and sensory development with this colorful set of Textured Mix and Match Balls. Children can explore different textures, strengthen fine-motor skills and explore size and color relationships using this easy-to-clean set. By simply screwing together the pieces, you can build matching balls, or mix up pieces to create even more ways to explore. Set includes 4 smaller balls, and 4 larger balls, each sized just right for small hands.

CRINKLE POCKETS – RAINBOW -SET OF 3-QTY 2 /

Encourage innate play patterns and early exploration with a stimulating toy set. High-contrast, vibrant colors, interesting textures, and satisfying crinkle sounds make this set of Crinkle Pockets the perfect toy for infants. Designed to be sized just right for little hands, this 3-piece set will help children develop and strengthen fine motor skills as they reach, grasp, and move things in and out of the pockets. Machine washable, accessories not included.

MY FIRST BLACK & WHITE PUPPETS -SET OF 3- QTY2 /

Give babies captivating companions with this set of My First Black & White Puppets. These soft puppets have friendly faces and open arms that will put babies at ease. Adults can use them to narrate a story, play a game, or do many other things. The color schemes will also help babies develop early color recognition skills because black and white are the first colors babies recognize. Set includes 3 animal puppets. Machine washable.

SILICONE RAINBOW BLOCKS & ARCHES – QTY2 /

Increase the potential of playtime with this bundle of Triblox Rainbow Silicone Triangle Blocks and Over the Rainbow Bright Silicone Stacking Arches. Children can stack these blocks and arches to make eye-catching vertical structures or lay them out to make captivating flat structures. They can also combine the blocks and arches to make more complex structures. All the blocks and arches have patterns on them, so children can both incorporate those into their designs and benefit from the tactile stimulation they provide.

BABY CALM DOWN SENSORY BOTTLE – SET OF 2 -QTY 2 /

Keep babies calm and captivated with these Calm Down Bottles. Each bottle has a glittery liquid inside that will swirl and sparkle as babies play. In addition to glitter, the liquid contains small objects such as stars and snowflakes that reflect a rainbow of colors off their surfaces. So, babies will receive visual stimulation as well as emotional relaxation. The set includes bottles in blue and mint colors.

SENSORY BALLS- SET OF 6 -QTY2 /

Give young children a rich, engaging play experience with this set of Sensory Balls. The nature-inspired colors in this set are sure to visually captivate little ones, and the softened points across each ball's surface will provide consistent tactile stimulation. The variety of sizes will also develop size perception and give children a sense of how size impacts things like movement and weight.

SOFT STACK BABY BRICKS- 32 PIECES – QTY2 /

These Soft Stack Baby Bricks are the perfect way to introduce infants to blocks. Infants can interact with these bricks in all kinds of ways because their soft outer material and firm, plastic construction make them both pleasant to hold and able to withstand the rigors of infantile sensory exploration. The bricks also connect to one another very easily, so infants may even build something while they play! Includes a zip bag for easy cleanup and storage. Set includes 32 blocks.

HUGGERS PLUSH OCEAN ANIMALS – SET OF 3 -QTY2 /

These plush ocean animals are ready to give lots of soft, snuggly hugs. Just spread their arms open wide, give the chest a little squeeze, and watch the arms instantly snap around to give you a hug. These ocean animals can hug around your wrist, backpack, and so much more. Surface washable. Size: 8". Animals may vary.

SENSORY SURPRISE TISSUE BOX – QTY 2 /

Encourage innate play patterns, early exploration, and fine motor development with this stimulating Sensory Surprise Tissue Box. The iridescent tissue box and varying, colorful fabric cloths create a delightful discovery game that kids can use over and over. Toddlers can identify colors, guess which fabric "tissue" will be next, and hide the fabrics inside the tissue box.

SENSORY REFLECTIVE COLOR BURST BALLS- 4 PIECES -QTY2 /

Nurture multisensory play with this set of Sensory Reflective Balls! Engaging and vibrant, the reflective surfaces of these balls change color in the light as children manipulate each sphere. Providing a slightly distorted reflection in their iridescent surface, these mirrored balls will fascinate children and encourage explorations in facial recognition, descriptive language, and self-esteem. Smooth, lightweight, and easy for small hands to grasp, this set is chemical-free, non-porous, and easy-to-clean. Made of durable, tarnish-resistant, stainless steel, these sensory balls are ideal for all play environments. Measure 2.4", 3.2", 3.9" and 5.9" diameter.

SOFT SOUNDS SHAKERS- SET OF 3 -QTY 2 /

This set of Soft Sound Shakers are perfect for introducing children to sensory learning. This set promotes cause and effect and gross motor functions. These shakers, complete with beautiful designs and colorful beads, produce soft, soothing sounds. Simply have children roll, shake, or flip the shakers! Encourage children to explore each shaker and the sound it makes. Set of 3. Includes a mirror flower shaker, a chicken shaker, and a lion rattle shaker

MELODY SNAIL -QTY 2 /

Young children will discover the 8 different musical notes as they push the different colors on the snail's back. The two straps on the back allows it to be attached to a stroller or side of a crib. Includes set of 6 melody music cards. Surface wash. Snail measures 5.5"H x 17.5"L x 4"W.

OCTOTUNES -QTY 2 /

Soft and cuddly octopus has eight legs that create different notes when pushed or squeezed. Includes a song book and soft vanilla scent. Surface wash. 12.5"H x 8.5"W x 12"L.

ECO-FRIENDLY ANIMAL HAND PUPPETS – SET OF 4 -QTY 2 /

Enhance imaginative play with this set of 4 Eco-Friendly Animal Hand Puppets! Children will act out scenes by making these puppets walk, run, dance, and more. Puppets provide opportunities for children to build their language skills and hand-eye coordination through collaborative play. Each puppet is designed with a soft, comforting material made out of 100% recycled plastic bottles. Embroidered eyes for safety. Hand wash only with warm, soapy water and let air dry. 12"L.

EMOTION BEARS – SET OF 4 -QTY2 /

Children will relate to this lovable set of bears and matching blanket that encourages social emotional development. The four soft and colorful bears will help children identify and label the common emotions of happy, sad, angry, and scared. Have children match the bear to the corresponding color on the blanket, and discuss each emotion. Each bear is 11" tall.

SOFT-TIP INFANT SPOONS – SET OF 6 -QTY 4 /

Help your infant teethe with ease using these wonderful Bright Colored Soft-Tip Infant Spoons for Teething. These rounded, soft spoon bowls make these spoons gentle on baby's gums. The ergonomically-designed handles make the teethers easy for your little one to grip and maneuver. For extra relief, try freezing the spoons before teething time. BPA Free.

BLACK & WHITE ANIMAL PUZZLE – SET OF 2- QTY 4 /

High contrast puzzles in familiar themes. Each chunky piece needs to find the right home to complete the puzzle. The pieces are generously sized to make it easier for little hands to lift, grasp, examine and replace. Helps to develop dexterity, matching skills and concentration.
