

## OLDER TODDLER

### TODDLER MODERN VINYL CHAIR – QTY 4-

Incorporating modern and comforting furniture pieces will enhance classroom experiences and develop a welcoming setting. Toddlers will be naturally drawn to the soft, easy-to-clean vinyl material and modernized style. With a design that feels like home, little ones will establish a sense of belonging and ownership in their classroom.

### TODDLER MODERN VINYL COUCH -QTY 2-

Incorporating modern and comforting furniture pieces will enhance classroom experiences and develop a welcoming setting. Toddlers will be naturally drawn to the soft, easy-to-clean vinyl material and modernized style. With a design that feels like home, little ones will establish a sense of belonging and ownership in their classroom.

#### INDOOR/OUTDOOR SAND AND WATER TABLE AND FABRIC COVER-QTY 2-

Encourage sensory exploration, science experimentation and dramatic play both inside and outside the classroom with this durable, mobile Indoor/Outdoor Sand and Water Table. Made from a combination of Poly+, a composite material made from 30% less plastic, polycarbonate plastic, and stainless steel hardware, this durable table is designed to be used continuously with messy, wet materials. Sturdy locking casters allow for easy maneuverability around the classroom and between environments. A secure lid keeps materials contained when not in use, while the outdoor cover (sold separately) protects the table from weathering.

#### HEDGEHOG WASHABLE WICKER BASKET-QTY 2-

A playful yet practical addition to any classroom environment, this easy-to-clean washable wicker basket provides convenient storage for toys and learning materials. The fun shape and natural tone and texture of this durable basket adds a unique layer of playful possibility to traditional classroom storage. Authentic materials and recognizable shapes invite children to touch and interact. To wash use mild detergents, or soap and water on a damp cloth. Do not use window-cleaners or abrasive products as they may damage the finish and will invalidate your warranty

#### TURTLE WASHABLE WICKER FLOOR BASKET -QTY 2-

A playful yet practical addition to any classroom environment, this easy-to-clean washable wicker basket provides convenient storage for toys and learning materials. The fun shape and natural tone and texture of this durable basket adds a unique layer of playful possibility to traditional classroom storage. Authentic materials and recognizable shapes invite children to touch and interact. To wash use mild detergents, or soap and water on a damp cloth. Do not use window-cleaners or abrasive products as they may damage the finish and will invalidate your warranty.

#### COMFORT GLIDER -QTY 4-

Glider features soft microsuede neutral cushions to provide comfort for caregivers. Seat and side cushions are removable, hand wash and air dry only. Back cushion is not removable, wipe clean only. Clean wood with mild soap and water. Do not use cleansers, bleach, etc. Weight capacity 250 lbs. Assembly required.

### WOODEN DOLL HIGH CHAIR -QTY 2-

2 years & up. This wooden doll high chair combines modern aesthetics with functional play. Featuring a spacious seat and convenient footrest, it provides the perfect setting for little ones to care for their dolls. As children engage in pretend play, they develop essential skills such as empathy, nurturing, and responsibility. These interactive experiences encourage imaginative play scenarios, allowing kids to explore caregiving roles. The high chair's plastic-capped feet ensure stability while adding a polished finish.

### COZY NEST WITH PILLOWS -QTY 2-

Provide children a comfortable space to relax, practice mindfulness, read a book, or just a space to refocus and recharge. Features natural colors and soft, comfortable fabric over durable foam and 3 egg shaped pillows. Fabric is machine washable in cold water and air dry only

### CAROLINA MARKET- QTY 2-

Explore new possibilities with our high-quality range of birch plywood dramatic play furniture. This handsome market stand features a colorful awning, and multiple levels of space for storing and displaying toy food. Three angled compartments under a sales counter plus a spacious open shelf below allows children lots of options for displaying market goods. Includes a dry erase panel for writing out daily specials and pricing! Flip the unit around for use as a puppet theater. This versatile play stand is ideal for encouraging creative play in the classroom. Furniture may be cleaned with mild soap and water. Do not use cleaners, bleach, etc. Awning is spot wash only.

### TODDLER KITCHEN PLAYSET-QTY 2-

The dramatic play opportunities are endless with this Soft Colored Toddler Kitchen Playset. Children will love pretending to cook, wash dishes, pour drinks, eat food, and more! This soft colored set is a great addition to any play kitchen and promotes collaborative play. Encourage your children to pretend to cook or bake beside you. Includes pretend baking components, pots, pans, pitchers and 4 complete place settings with bowls, plates, cups and utensils.

#### SOFT BODY 11" BABY DOLLS WITH ROMPER AND CAP-QTY 6-

Enrich dramatic play through inclusion with these adorable, multiethnic dolls. Featuring sweet expressions, soft huggable bodies, and a one piece romper, these cuddly dolls make the perfect friends for little learners. Children will love caring for these dolls, from feeding them to singing them to sleep; the possibilities for play are endless. Multiethnic set includes Hispanic, Asian, African American, and Caucasian.

#### SHOP WITH ME GROCERY CART -QTY 2-

The perfect addition to the dramatic play area, the Shop with Me Grocery Cart will make little ones think they are roaming the aisles of the store during playtime. A sturdy metal construction, pivoting front wheels, and an accessible cart basket make this the ideal mini grocery cart for children. Young children can put dolls in the front section, and fill up the cart with pretend food or other dramatic play accessories.

#### WOODEN DOLL BED WITH BEDDING -QTY 2-

Make learning fun for your child through the act of role play. Role playing baby's naptime helps children understand their own sleeping habits. Perfectly sized for most baby doll. The bed comes complete with bedding and features plastic capped feet for a finished look. Assembly required

#### WASHABLE WICKER BASKETS -QTY 4-

Easily store essential classroom materials with these Washable Woven Plastic Wicker Basket with Hand Grips for Classroom Sorting and Organization. This set of woven plastic wicker baskets provides a convenient, aesthetically pleasing solution for classroom organization. Use these baskets for sorting by items, shapes, colors, and more. Fits some cubbies. Baskets are completely washable. Contents not included. Available individually in small, medium, shallow, or large, small set of 10 or small set of 20.

### BABY'S ONE-PIECE OUTFITS WITH BLANKET -QTY 2-

Toddlers and preschoolers love pretend play and taking care of little ones. This set of four includes a receiving blanket to swaddle your baby doll in comfort. Colorful one-piece outfits feature wide neck openings which makes it easy to slip over the baby doll's head. Outfits fasten between the legs. Doll sold separately.

### MAGIC MILK AND JUICE BABY BOTTLES -QTY 2-

Give your child all the fun of feeding time for their doll with none of the mess! The magic milk and juice bottles are the perfect doll accessories for your child's imagination. The bottles are sealed airtight so there's no spills, but the magic milk and juice on the inside moves just like the real thing. For hours of spill-free play time the magic bottles are the perfect addition to your doll collection. 1 pack includes 1 milk bottle and 1 juice bottle. 2 packs include 2 milk bottles and 2 juice bottles.

### TODDLER'S FIRST DOLL STROLLER-MINT GREEN- QTY 2-

Toddlers will love taking their baby for a walk with this stroller sized just for them. Fits baby dolls up to 12". Design features give this stroller a realistic look and feel without being collapsible, minimizing the risk of pinched fingers.

### DOLL CARE ACCESSORIES -QTY 2-

Everything your little one needs to care for her baby doll. This 29 piece set comes in a reusable zippered case with handle that measures 8"L x 6"W x 6"H. Set includes baby necessities such as bottles, diapers, baby wipes, dispenser, bottle warmer, and training potty.

## WATER COLOR CHANGING TABLETS-QTY 2-

Perfect for water exploration! Let children experiment with these fun water color changing tablets. Set of 40 colorful tablets which are nontoxic and non-staining. Can be used alone or with the Color Buddie dispensers that are sold separately.

## Sense of Place Fireplace Qty: 2

3 years & up. The centerpiece of the Sense of Place Collection, the Fireplace serves as the central meeting point in the classroom, a place where children will gather in authentic learning, collaboration, and play. The solid birch mantel and white-laminated plywood shelves store books and display pictures and objects that reinforce children's natural connection to home. Clean with mild soap and water. Do not use cleansers, bleach, etc. Measures 52"W x 36"H x 19"D. Ships Fully Assembled. Limited Lifetime Warranty.

### Premium Solid Maple Coat Lockers Qty: 4

The Premium Solid Maple Coat Lockers provide a welcoming, personalized space that will help children feel at home right when they walk in the door. With cubby sections that each have 2 sturdy hooks and a personalized name plate, children will be able to store all of their belongings and practice responsibility, independence, and organization. Lockers available in 4 sections or 5 sections. Clean with a mild soap and water. Do not use cleansers, bleach, etc. Contents and baskets not included.

### Lifecycle Puzzles - Set of 3 – Qty 1

2 years & up. Enhance science lessons and encourage conversations about the life cycles of familiar favorite creatures with this set of 3 Lifecycle Puzzles. Each puzzle features smooth-sanded, nesting pieces that stack into the larger wood cookie. Beautiful, easy-to-understand illustrations show a frog, butterfly, and a turtle at different phases of their life, starting with the egg stage and ending with the adult version of the bug or animal. Sized just right for little hands, this is the perfect educational toy for children.

### Dough Roller Sets- Qty 1

2 years & up. These stone roller sets are easy for children to use when creating patterns and prints in dough, sand, and dirt. Each roller is almost 3" long and sized for small hands. Roll to create a pattern, and then stamp a corresponding insect or animal throughout to create a tactile work of art. Each individual set includes 6 different rollers, and two sets have 12 different rollers. Sets to choose from: Garden Bugs, Forest Friends, Ocean Life, and Pond Life. Sets are sold separately, or in bundles of two.

### TotSports™ Easy Score™ Basketball Set – Qty 1

18 months & up. This Little Tikes Totsports® Easy Score™ Basketball set is adjustable and encourages active play. The Easy Score™ Basketball set introduces children to competitive play in a way that allows them to succeed with the right amount of challenge. Adjusts to six heights, from 2 to 4 feet. Includes an oversized rim and a junior sized basketball. Base must be weighted with sand (not included). 22"L x 23.75"W x 61"H. Assembly required. Made in the USA.

### Bubble Wand Set – Qty 1

3 years & up. These fantastic outdoor bubble wands entertain children for hours with their unique and pretty shapes. This set includes bubble wands in heart, star, flower, circle, square and triangle shapes. Includes two 5.5" trays and twelve 8" wands. Made of plastic. Bubble solution is sold separately.

### 2 Liter Bubble Refill Solution – Qty 2

3 years & up. The Bubble Tree Refill Solution is perfect for year-round use. The bubble solution is non-toxic and safe for the environment. The solution packaging has an easy-to-use spout to make refilling bubble bottles simple and is enough to refill 17 - 4 fluid ounce bottles.

### Let's Pretend Tool Belt with 6 Plastic Tools – Qty 1

2 years & up. The Let's Pretend Tool Belt with 6 Plastic Tools allows your toddler to play creatively, using their imagination while building fine motor skills. Playset comes complete with plastic tools to help keep children active and engaged. All tool accessories have been designed with the perfect size and weight for children's hands. Encourage your children to build and do repairs alongside you! Set includes a play hammer, pliers, wrench, screwdriver with bits, and a level. Tool Belt and 6 Plastic Tools made of 100% BPA free plastic. Measures 9.8" x 1.5" x 7.5".

### Mini Emergency Vehicles 4-in-1 – Qty 1

2 years & up. Bring children into the world of first responders with this Mini Wheels 4-in-1 set. Including a fire engine, a police car, and two ambulances, this set will enable children to put out fires, catch bad guys, and save the day. As they transport to the scene like real-life heroes, children will also develop gross-motor skills and hand-eye coordination.

### Mini Construction Fleet – Qty 1

24 months and up. Empower young children to get the job done with the Mini Construction Fleet. Including a dump truck, a cement mixer, a road roller, and a bulldozer, this set enables children to haul materials, move materials, and do many other things that real construction workers do. As children build and repair various structures, they will also strengthen gross-motor skills and hand-eye coordination.

### DOUGH ROLLER SETS – QTY 1 -

These stone roller sets are easy for children to use when creating patterns and prints in dough, sand, and dirt. Each roller is almost 3" long and sized for small hands. Roll to create a pattern, and then stamp a corresponding insect or animal throughout to create a tactile work of art. Each individual set includes 6 different rollers, and two sets have 12 different rollers. Sets to choose from: Garden Bugs, Forest Friends, Ocean Life, and Pond Life. Sets are sold separately, or in bundles of two.

#### CHILD'S VETERINARIAN KIT – QTY 1 –

Caring for animals teaches children compassion. This 16 piece set has everything a pretend vet will need to take care of man's best friend. Set includes: puppy, vet cage, bowl, tray, brush, blood pressure meter, ear examiner, hammer, tongs, scissors, tweezers, 2-piece syringe, stethoscope, and thermometer. Colors may vary.

#### GROOVY BEATS XYLOPHONE – QTY 1 –

This "Groovy Beats" Wooden Xylophone offers an ideal introduction to the world of sound! Children don't even need to know how to read notes in order to play their first songs on these chimes. The tone bars are color-coded and help children with their first musical compositions together with the sheet music. Comes with robust mallets made of solid wood. This xylophone is also a visual eye-catcher for the nursery orchestra with its soft blue colors and modern, contrasting colors. The xylophone playfully trains acoustic awareness along with a sense of rhythm and beat and a first understanding of musical tones and scales. This is how young, aspiring musicians can let their creativity flow freely.

SPLISH 'N SPLASH FISHING SET – QTY 1 –

Use the fishing pole to hook one of the six floating fish and then reel them in! Children can use the net to scoop them up as they float. Mesh storage bag included for easy clean-up and drying. Set includes a fishing pole, 6 floating fish, a fishing net, and a mesh storage bag.

FIX IT! MY VERY OWN TOOL KIT – QTY 1 –

A young fixer-upper needs the right tools to get the job done. This set of chunky, durable, soft plastic tools includes a saw, hammer, screwdriver, wrench, drill (with sound), and toolbox measuring 9"L x 3.75"W x 5.5"H.

#### TO THE RESCUE VEHICLES – SET OF 3 – QTY 1 –

Empower young children to be heroes with this set of rescue vehicles. Including a patrol car, a fire engine, and an ambulance, this set gives children multiple ways to save the day and protect their classroom community. As they step into the shoes of first responders, children will also strengthen their gross-motor skills and enhance their hand-eye coordination.

#### ON THE GO COMMUNITY VEHICLES – SET OF 4 – QTY 1

Turn little children into community helpers with this set of On the Go Community Vehicles. Children can clean up the city, take other children to school, or help build sturdy structures. In addition to providing fertile ground for imaginative play, these vehicles will develop children's gross-motor skills and enhance their hand-eye coordination. Set includes a dump truck, a garbage truck, a cement mixer, and a school bus.

### NATURE'S PATH MAGNETIC LEAF MAZES – SET OF 3 – QTY 1 –

Children can maneuver magnetic balls through intricate, nature-inspired mazes. The Nature's Paths Magnetic Leaf Mazes each feature organic shapes, and authentically-inspired routed paths. Use the attached magnetic wand to navigate the maze's twists and dips while practicing hand-eye coordination and fine motor skills. Encourage deeper problem solving and critical thinking while solving all three different mazes. Wooden construction and shatter-resistant, clear-view tops make this toy a safe, interesting addition to any environment where young children learn and play.

### SAFARI WOODEN LACING ANIMALS – QTY 1 –

Lace, wrap and twist realistic or abstract animal patterns on large, animal-shaped wooden boards. Simple, screened faces encourage dramatic play without distracting from the colorful lace creations. Includes set of 10 double-sided, matte pattern cards for suggested designs. Five laces feature a wooden tip to support fine-motor skill development. Giraffe measures 7"W x 12"D x 10"H.

### **Toddler Community Helper Dress-Up Shirts - Set of 6- QTY 1/**

What do you want to be when you grow up? Children will pretend to be a doctor, construction worker, chef, police officer, mail carrier, or firefighter while wearing these detailed dress-up shirts. Each of the shirts have colorful, printed designs representing an occupation children see in their community. Hook-and-loop closures allow children to practice dressing and undressing, encouraging independence. Promote an understanding of different careers in the classroom by encouraging dramatic play for toddlers with these fun, engaging costumes. Machine washable.

---

### **Little Builder Tool Belt with Accessories- QTY 1/**

Inspire your future builder with this Little Builder Tool Belt with Accessories for Dramatic Play Activities. This sturdy canvas tool belt has two easy-to-use pockets to hold many wonderful tools. This set promotes fine motor skills, dexterity, hand-eye coordination, color recognition, and dramatic play. Encourage your children to build and do repairs alongside you. The set includes a hammer, adjustable wrench, pliers, a screwdriver with two bits, and a level.

Carolina 4-Section Toddler Locker Qty: 6

Children can store their own personal belongings in this toddler locker because the height is just right for them. There is a bottom cubby for shoes and boots and hanging spaces for jackets and other items. Sturdy wooden unit can provide for 4 children and each locker has a double hook. 48"W x 32"H x 15"D. Bins sold separately. Clean with mild soap and water. Do not use cleansers, bleach, etc.

Carolina Laminate 30" x 60" Rectangle Table with Adjustable Legs 15" – 24" Legs Qty: 4

6 months - 8 years. These high-pressure Carolina laminate tables feature: 1.25" thick core with a high-pressure laminate surface for cleanliness and wear resistance, thermally fused edge banding with matching wood-grain print, Gator-Ply® backer board underside seals out moisture and germs, sturdy plastic leg supports prevent warping or loosening of legs, powder-coated metal legs (adjustable in 1" increments), non-marring nylon leveling glides, and quick and easy leg assembly and adjustment.

### Birch Wood Mission Table with Two Chairs Qty: 2

Provide a space for fun activities at home or in your classroom with this Natural and Durable Birch Wood Mission Table with Two Chairs. This set of furniture is beautifully designed with mission style flair. The large table top is ideal for hosting tea parties, dramatic play, game time, read alouds, or art projects. Assembly required. The laminate top measures 24" square x 21"H.

### Classic Carolina Chairs 8" Seat Height – Set of 2 Qty: 12

12 months - 8 years. Classic design meets classroom function in these ladder-backed solid wood chairs. Features reinforced front, side, and back leg braces for additional strength, plus angled legs to help prevent tipping. Curved backrest provides comfort while promoting good posture. UV protective finish helps prevent scratches and stains. Clean with mild soap and water. Do not use cleansers, bleach, etc.

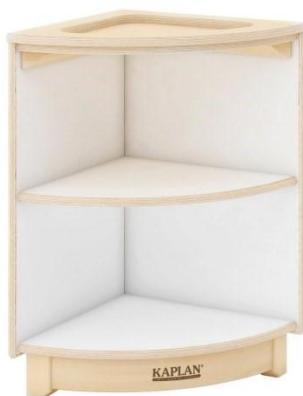

### Sense of Place for Wee Ones - Honeycomb Tunnel Qty 2

1 - 3 years. Constructed from a durable combination of FSC-sourced materials, the Honeycomb Tunnel is a unique and versatile addition to any early childhood classroom. Young children, especially those who are crawling or just learning how to walk, are always on the move. Tunnels and pathways like the ones in this collection can provide them with exciting and interesting ways to navigate through their environments. Use this unit as a fun transition between areas in the classroom, or push it up against the wall to create a refuge or cozy retreat for little ones. A scratch-resistant, vinyl-covered cushion makes the Honeycomb Tunnel durable enough for continued use. Measures 24"L x 15"W x 24"H. Clean with mild soap and water. Do not use cleansers, bleach, or etc.

### Sense of Place for Wee Ones - 24" Corner Qty: 4

1 - 3 years. Constructed from a durable combination of FSC-sourced materials, the 24" Corner add softness to the classroom through gentle curves and rounded edges. The unique rounded elements and curved designs within this collection invite children to more comfortable interact with the furniture as they create authentic connections and engage in playful learning experiences in the classroom. Easily connect the Corner units to other pieces in the collection to create arrangements that can be reconfigured and reorganized to fit the needs of young enthusiastic improvisers. Unit is available in two different sizes to fit specific classroom needs. Clean with mild soap and water. Do not use cleansers, bleach, etc. Measures 15"L x 15"W x 24"H

### Sense of Place for Wee Ones - Exploration Storage Qty: 6

1 - 3 years. Constructed from a durable combination of FSC-sourced materials, the Exploration Storage is the perfect playful, functional and flexible storage unit for the early childhood classroom. Details like intentional holes in different shelving levels and a raised border around the top of the unit transform this traditional storage into a new play space that fosters interaction and provocations from all sides. Two deep shelves divided into compartments allow plenty of room for storing learning materials, books and toys in the classroom. Clean with mild soap and water. Do not use cleansers, bleach, etc. Measures 36"L x 15"W x 24"H.

### Sense of Place Circle Acrylic Wall Mirror Qty:2

All Ages. Add texture and natural elements to the classroom with the Circle Acrylic Wall Mirror. With a border woven from water hyacinth, the large acrylic mirror brings light, texture, and comfort wherever it is placed in the classroom. Woven hooks on the mirror's back allow for easy hanging on your wall. Mirrors can stimulate curiosity and cognitive development by encouraging children to explore light, reflection, and symmetry. Decorative mirrors allow children to see their reflections, which helps them develop self-awareness and recognize their own facial expressions and body language. Clean with mild soap and water. Do not use cleansers, bleach, etc. Measures 29" in diameter.

#### Sense of Place for Wee Ones - 18" Corner Qty:4

1 -3 years. Constructed from a durable combination of FSC-sourced materials, the 18" Corner adds softness to the classroom through gently curves and rounded edges. The unique rounded elements and curved designs within this collection invite children to more comfortably interact with the furniture as they create authentic connections and engage in playful learning experiences in the classroom. Easily connect the Corner units to other pieces in the collection to create arrangements that can be reconfigured and reorganized to fit the needs of young enthusiastic improvisers. Unit is available in two different sizes to fit specific classroom needs. Clean with mild soap and water. Do not use cleansers, bleach, etc. Measures 15"L x 15"W x 18"H.

#### Sense of Place for Wee Ones - Activity Island Qty: 2

1 – 3 years. Constructed from a durable combination of FSC-sourced materials, the Activity Island is the perfect playful, functional and flexible storage unit for the early childhood classroom. A large mirror across the back of this piece strengthens an infant's development of self-awareness as they learn to sit and stand up. Sensory seeking children will experience enhanced and enriching play while interacting with the inset ramp, intentional holes on multiple levels and the raised top border of this one-of-a-kind storage shelf. Clean with mild soap and water. Do not use cleansers, bleach, etc. Measures 36"L x 15"W x 18"H.

### Sense of Place for Wee Ones - Angled Storage Qty: 2

1 - 3 Years. Constructed from a durable combination of FSC-sourced materials, the Angled Storage is the perfect playful, functional and flexible storage unit for the early childhood classroom. Various intentional holes, a gently sloped top and an inset ramp combine to create a piece that pushes the boundaries of traditional classroom furniture. Children can engage in their natural impulses and practice play patterns like hiding and revealing, attaching and detaching or carrying and placing from all four sides of the unit. Deep shelves on multiple levels provide necessary storage in the classroom for books, learning materials and toys. Measures 36"L x 15"W x 24"H. Maximum shelf height 24". Minimum shelf height 18". Clean with mild soap and water. Do not use cleansers, bleach, etc.ense of Place for Wee Ones - Angled Storage Qty: 1 \$324.76

### Sense of Place for Wee Ones - Sink and Refrigerator Kitchen Qty:2

1 - 3 years. Constructed from a durable combination of FSC-sourced materials, the Sink and Fridge Kitchen merges each hallmark of this furniture collection into the perfect dramatic play space for infants and toddlers. Ramps, holes, cutouts for pass-through and multiple levels in the fridge promote children's movement and make this interactive unit a special place for exploration, discovery and socialization. Designed to be used back-to-back with the Stove and Cupboard, the kitchen units in this collection can be stationed away from the wall, creating accessibility from all four sides. This encourages children to exuberantly navigate around the unit, increases play possibilities and uses classroom space in a more interesting and effective way. Unit features plenty of additional storage for pretend play accessories and children's toys. Clean with mild soap and water. Do not use cleansers, bleach, etc. Measures 36"L x 16"W x 32"H.

### Sense of Place for Wee Ones - Stove and Cupboard QTY 2

1 - 3 years. Constructed from a durable combination of FSC-sourced materials, the Stove and Cupboard merges each hallmark of this furniture collection into the perfect dramatic play space for infants and toddlers. Ramps, holes, cutouts for pass-through and multiple levels promote children's movement and make this interactive unit a special place for exploration, discovery and socialization. Designed to be used back-to-back with the Sink and Fridge Kitchen, the kitchen units in this collection can be stationed away from the wall, creating accessibility from all four sides. This encourages children to exuberantly navigate around the unit, increases play possibilities and uses classroom space in a more interesting and effective way. Unit features plenty of additional storage for pretend play accessories and children's toys. Clean with mild soap and water. Do not use cleansers, bleach, etc. Measures 36"L x 16"W x 32"H.

### Toddler Activity Table Qty: 2

This sturdy and spacious activity table will prove to be a favorite play space for your classroom. The raised tabletop edge will keep toys on the table and eight cubbies will hold and store extra manipulatives. Tabletop surface is durable and washable. Some assembly required. 36"L x 24"W x 18"H. Inner cubbies are 4"H x 9"W x 6"D.

### Sense of Place 24" Compartment Storage Qty: 8

2 years & up. This 5-compartment Storage Unit is a modern take on the traditional classroom storage piece. The contemporary design of the solid birch feet and apron are similar to furniture you would find in the home. White-laminated plywood serves as a neutral backdrop to highlight the items stored and displayed in this unit, which offers versatile, spacious classroom storage. Clean with mild soap and water. Do not use cleansers, bleach, etc. Measures 48"W x 24" H x 15"D . Ships Fully Assembled. Limited Lifetime Warranty.

### Activity Mirror Display Center Qty: 2

Children wonder all about the babies they see in this acrylic mirror! The Activity Mirror Display Center offers a captivating experience for young children, inviting them to explore their reflections and engage with images on the write-on/wipe-off plexiglass panels. They will develop a sense of identity and social awareness as they interact with reflections in the mirror. The visual stimulation provided by images on the panels promotes cognitive development as children identify objects, colors, shapes, facial expressions, and more. Maple construction with removable side panels. Mounting hardware not included. 60"L x 1.25"W x 27"H. Wt. 25 lbs.

Toddler Magnetic LED STEM Center Qty: 2

12 months & up. Bring early STEM activities to life with a one-of-a-kind toddler table that combines light play, magnet play, and social-emotional activities. Encourage toddler's innate curiosities and development during hands-on, collaborative activities. Shatter-resistant acrylic mirrors on three surrounding sides make any open-ended play safe for young learners. Easily rotate learning materials for changing activities and lessons using the divided shelves below the tabletop. Entire STEM Center measures 36"L x 18"W x 38.5"H.

Carolina Toddler Book Display Qty: 2

Display all of the fun books in your classroom with this Carolina Toddler Book Display for Classroom Reading Collection. This book display is sure to fit your classroom's favorite reads and more! Sized just right for little ones, children can easily access books for individual or group reading. This storage option is also perfect for organizing books by difficulty, subject, or length. The sturdy book display can be used independently or as a room divider. Includes rounded edges for child safety. Books not included. Measures 30"W x 14"H x 15"D. Clean with mild soap and water. Do not use cleansers, bleach, etc.

### 2-Sided Adjustable Easel Qty: 2

18 months & up. Create an inspiring art center with this beautifully crafted, multi-sided easel. The adjustable, upright surface allows children to draw and paint with the fine movement enjoyed by professional artists and the ability to fully focus on their creation. Soft plastic clips secure papers in place while children create their works of art. Plastic paint cups are removable and easily washable once painting is done. The plastic trays are also removable for easy cleaning. Knobs on top sides of each easel panel twist and slide vertically to adjust painting surfaces to a comfortable height for each child in the class to be accommodated. When a child stands upright to paint or draw, they can easily adjust their line of sight from the canvas in front of them to their source of inspiration. Ships ready to assemble. Clean tray and paint cups with warm water and mild soap. Measures 20"W x 49"H x 23"D. Paint trays are adjustable from 14"H to 22"H.

### Carolina Wooden Toddler Dress-Up Unit Qty: 2

2 years & up. Explore new possibilities with our high-quality range of birch plywood dramatic play furniture. This four-sided dress-up center features three double hooks for hanging costumes and play clothes, plus a full-length acrylic safety mirror for children to admire their ensembles. A spacious storage compartment below the hooks offers plenty of room for storing hats, shoes, and other accessories. Encourage children's imagination and style with a well-organized dress-up area. Measures 25"W x 33"H x 14"D. Contents not included. Hooks are attached at a height of 25.9". Clean with mild soap and water. Do not use cleansers, bleach, etc.

**Light and Color: Toddler Loose Parts STEM Kit      QTY 2**

The possibilities of discovery are multiplied when rich variables are at children's fingertips. Light and Color: Toddler Loose Parts STEM Kit is a laboratory of opportunity to experiment and explore various shapes of different colors that enhance light play. The kit includes a plastic tray for storage and classification of loose parts and measures 12.6"L x 12.6"W x 3"H.

**Magnetic Matching Fossil Stones - Set of 6      QTY 2**

Children can learn through play with the Magnetic Matching Fossil Stones set. Interesting textures, a subdued natural color scheme, and authentic replicated fossils will spark a deeper interest in science activities inside and outside the classroom. Set features 6 matching sets of fossil stones, that when opened, reveal a fossilized imprint of a different species; Megalodon Tooth, Tyrannosaurus Rex Claw, Ammonite, Trilobite, Gastropods, and Velociraptor Claw. Encourage color matching and shape recognition while children learn about extinct species. A satisfying magnetic click will indicate a correct match has been made.

### All-Weather Two-Handed Magnifier - Set of 2- QTY 2

Encourage children to get a closer look at the world around them with a Two-Handed Magnifier. Molded from the new Poly+ material, this easy-to-hold waterproof magnifier is the perfect companion for every indoor and outdoor adventure. Solid glass lenses are scratch resistant and protected by overmolded soft touch plastic. Set includes 2 magnifiers. Each magnifier measures 8.3" x 5.1" x .8".

### All-Weather Tabletop Magnifier - Set of 2- QTY 2

Encourage children to get a closer look at the world around them with a Tabletop Magnifier. Molded from new Poly+ material, this safe and durable waterproof magnifier is the perfect companion for every indoor and outdoor adventure. Solid glass lenses are scratch resistant and protected by overmolded soft touch plastic. Set includes 2 magnifiers. Each magnifier measures 7.3" x 7.3" x 6.1".

## HYGIENIC TOOTHBRUSH HOLDER FOR 10 BRUSHES - QTY 2

Keep toothbrushes clean and sanitary. Hang our clear acrylic holder close to a sink and provide children with easy access to their toothbrushes. Holds 10 brushes with space for each child's name. No additional covers are necessary. Dishwasher safe. Brushes not included. Measures 17.25"L x 3.33"W x 9.75"H.

## TODDLER CHARACTER TOOTHBRUSHES – SET OF 12 – QTY 2

Each character toothbrush features 24 tufts of soft nylon bristles and come in a variety of popular colors. Soft bristles remove plaque effectively, but are gentler on your child's delicate gums and teeth. The nylon bristles are highly polished and end rounded for a comfortable brush. Set of 12.

Store indoors.

#### 2 – IN 1 DRAMATIC PLAY VACUUM CLEANER – QTY 2

Dramatic play feels even more realistic when kids use this colorful vacuum with real sounds. This exciting house cleaning tool encourages dramatic play, gross motor functions, and fine motor skills. Have children vacuum alongside you to learn how to vacuum. Encourage children to mimic the vacuum cleaner sounds. The 2-in-1 Vacuum Cleaner includes a removable hand vacuum that makes real sounds and has a removable dust catcher. Requires three AA batteries (included). Colors will vary.

## PLAYFUL PETS HAND PUPPETS QTY 2

Have fun role-playing together with these friendly animal hand-puppets by Melissa & Doug®. Set features 4 soft pet-themed hand puppets with fun patterns and adorable stitched detailing. Machine washable. Size: Approximately 14"H. Included: 4 hand puppets: kitten, puppy, parrot, and rabbit.

## GAS N GO LAWN MOWER – QTY 2

Make mowing a family affair with the Gas 'N Go Lawn Mower. Complete with a gas can and starter chord, this child-size lawn mower gives children everything they need to cut the grass alongside their parents. This highly mobile play will strengthen children's gross-motor skills and teach them cause and effect as they hear the engine start when they pull the starter chord. Measures 20"L x 12"W x 21"H.

### THE FUN TUBE TUNNEL – QTY 1

Children will have fun indoors or outside with this see through tunnel. It is constructed of a fine nylon mesh and the ends and spring is covered with heavy nylon. It pops open to make a 6' long tunnel with a 19" diameter. Collapses for easy storage. Color may vary.

### NEW SPROUTS TODDLER PRETEND PLAY STARTER SET -B115BPIECES – QTY 2

This complete classroom set of dramatic play items includes everything children need for a variety of pretend play experiences. Snacks and meals can be gathered and prepared with baskets, lots of pretend food, pots, spoons, and a colander. The multiple plates, bowls, cups, and utensils offer many serving options. Children are also encouraged to clean up with a full line of household cleaning items such as a handheld vacuum and a hand broom with dust pan. Young learners can continue their pretend play with a tool box containing a variety of fix-it tools. This set is completed with a doctor's bag stocked with all the basic tools a doctor needs to perform a well check on patients.5.95

## NEW SPROUTS BAKE IT! – QTY 2

Little bakers will flip for this modern set featuring bakeware with rounded parts and easy-grip handles along with scrumptious, soft-molded cupcakes and cookies--the perfect recipe for toddler play! Children can pretend to create mouth-watering delights while measuring, mixing, and pouring using play versions of familiar kitchen tools. Watch them practice hand-eye coordination, fine motor, and communication skills as they emulate Mom, Dad, or Grandma. With a little imagination to get them started, sweet treats are sure to be on the way. Includes: baking sheet, 2 x 2 (cups) muffin pan, spoon, spatula, rolling pin, bowl with spout and gripping handle, measuring cup, 4 cupcakes, and 4 chocolate chip cookies.

## LIL' COOKS CHEF APRON AND ACCESSORIES SET – QTY 4

Order up! Children will feel like a world-class cook while serving favorite recipes to their friends. A sturdy denim apron has a handy, colorfully designed front pocket and a hook-and-loop tie that attaches at the side for easy access. A matching dish towel, oven mitt, and pot holder complete the set. Machine washable.

### DOZEN REALISTIC EGGS – E CARTONS OF 6 EGGS – QTY 2

Teach your little one the importance of a healthy, balanced diet with this set of realistic eggs. These eggs will encourage creative, imaginative role play and are an excellent addition to any dramatic play kitchen. Their sturdy, wooden construction also ensures that they will withstand all the rigors of play. The eggs come in two cartons that each contain three white eggs and three brown eggs for a total of 12 eggs.

### LET'S PRETEND PURSE PLAYSET – QTY 2

The Let's Pretend Play Purse Playset is a stylish purse that includes everything a child needs as she heads out for a shopping adventure or a night out on the town. Set includes purse and pretend contents including smart phone, wallet, debit card, keychain with 2 keys, lipstick and mirror. Made of 100% BPA free plastic. Purse measures 8" x 2.8" x 9".

### DISCOVERY BUSY PHONE – SET OF 2 – QTY 2

Designed for little hands, this engaging Discovery Busy Phone set encourages early learning and imaginative play. Phones feature 16 interactive icons, each producing a unique sound, providing children with auditory stimulation. Encourage language development and social interaction as children explore the different sounds and engage in imaginative conversations. With an easy-to-use on/off button and low volume setting to protect young ears, these phones ensure safe playtime for toddlers. Set of 2 phones. Requires 2 AAA batteries (included).

### SMILE FOR THE CAMERA - QTY 2

Give your future photographer their first camera with this exciting toy. Our pretend camera features a mirrored lens that clicks when turned and a shutter button that flashes when pushed. When children press a button, the camera will ask them to say "cheese". Use this camera in any dramatic play activity for realistic effects. This toy encourages dexterity, fine motor skills, and helps children recognize facial expressions. Batteries included. Measures 7"W x 3"D x 6"H.

## SOFT DOCTOR KIT – QTY 2

This soft kit has everything a little doctor needs for those important house calls. Doctor kit includes: reflex hammer, stethoscope, syringe, blood pressure monitor, and bag. A convenient doctor case with snap closure is also included for storing and transporting equipment from appointment to appointment. Machine-washable in cold water on gentle cycle. Lay flat to dry.

## RAINBOW SOUND BLOCKS – 5 PIECES – QTY 2

Can you match the sounds to the objects? The Rainbow Sound Blocks feature five blocks with colorful acrylic windows and inset objects for experiencing five unique sounds. The chunky design is ideal for little hands to grip for shaking, building or displaying in and out of the smoothly sanded wooden box. Put the blocks away in the handy wooden box. Encourage children to build their fine motor, sensory and identification skills. Measures 4.75"W x 2.75"D x 9"H.

### TINKER TOTTER ROBOTS PLAYSET AND GAME – 28 PIECE SET – QTY 2

Everyone loves to stack and connect the chunky components to create colorful robots of all shapes and sizes. Made from eco-friendly rubberwood with child-safe stains, the playset develops creative thinking and problem solving skills.

### SNAP AND STACK THISTLE BLOCKS – 220 PIECES – QTY2

Encourage creative play, tactile exploration, and open-ended building using the Snap and Stack Thistle Block set. Children can easily fit the durable plastic bristles together to create satisfying connections and construct anything their imagination can inspire. A variety of pieces will help children develop color and shape recognition as well as size relationships and pattern building. This 220-piece set allows for large builds independently or collaboratively.

## WOOD STACKERS: RIVER STONES – 20 PIECES – QTY 2

Cultivate children's love of nature alongside their love of block play with this Wood Stackers Set. Inspired by the natural, polished shapes of river stones, these stones encourage children to build structures that resemble what they see when they explore nature. The stones are sanded smooth to highlight the beautiful gradient of the wood pieces. The variety of sizes will also help children understand concepts like weight, dimension, and balance. Set of 20. Smallest stone measures 1.75"L x 1.5"W x 0.75"H. Largest stone measures 5"L x 2.5"W x 1"H.

## CHUNKY PUZZLES SET 2 – SET OF 4 QTY 2

Each colorfully hand-painted puzzle piece is individually shaped so that even the youngest child can be successful! 4-piece set includes construction vehicles, transportation, basic shapes, and dinosaurs. Each puzzle measures 12" x 9".

## FARM ANIMALS SOUND PUZZLE – QTY 2

This puzzle does more than let you place pieces in the right spot; placing puzzle pieces in the right spot activates the corresponding sound! Pieces have small knobs for easy removal and placement. Encourage the building of fine motor and language skills, as well as audio object recognition. Sound sensors are light activated; with pieces removed, expose sensors to light and then replace pieces to activate the sounds. Two AAA batteries required but are not included. Board measures 8.75"L x 11.75"W. Includes 8 pieces.

## MOMMY AND ME ANIMAL MATCHING GAME – QTY 2

Encourage children to answer questions, match items, and play a memory game with this Mommy & Me Matching Game. With this realistic photo set of round cards, children will soon be able to recognize which babies go with which mothers as they match these cards to each other. For extra learning have children identify the animals that might live in the same area. This set includes Farm, Safari, and American Wildlife animals. Includes 58 cards for 29 matching sets.

## TWISTY TOOLS NUTS AND BOLTS SET – 84 PIECES – QTY 2

Children can match shapes and colors to create satisfying connections and clicks using the Twisty Tools - Nuts and Bolts Set. Young children can practice and strengthen fine motor skills, counting, and shape and color recognition by using their hands or the included chunky tools to screw pieces together. This 84-piece set invites multiple children to play at the same time, working together to build patterns and problem solve.

## POTATO HEAD – ASSPRTED – QTY 2

This is an assortment of either Mrs. Potato Head or Mr. Potato Head®. These are the classic face-changing friends for kids! Comes with lots of accessories for mix and match play. Extra accessories store in a compartment built into the potato body. Gender will vary.

## WOODEN COLORFUL SHAPES AND SIZES geo FORMS – QTY 2

This wooden board with colorful shapes come in graduated sizes. Children will find many ways to align these shapes and colors. Each row has shapes in one color to help children with color and shape recognition. With Match colors, shapes, and heights with 20 vivid pieces in four sizes, shapes, and colors. Encourages motor development, size progression, shape recognition, and understanding of patterns. 4"H x 10"L x 8.5"W.

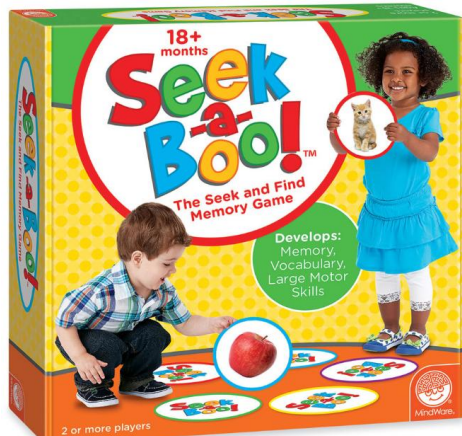

## WOODEN MAZES SET OF 4 – QTY 2

These four wooden ball mazes help children learn to visually track moving objects as the ball rolls around the maze. As they play, children will begin to anticipate the path of the ball as they develop critical thinking skills. Designed with large handles for children to easily grasp and manipulate the ball around the maze. Set includes a spiral, circle, triangle, and square. Each measures 8" in diameter.

## SEEK A BOO – QTY 2

"Where's the duck?" "Can you find the apple?" This fun, active game helps young children learn the names of colors, shapes, animals, foods, and more while seeking and finding each match. They will build vocabulary, boost memory skills, and find family fun with this perfect first matching game! Includes: 36 large, round "Seek Me" photo cards to scatter face down around the room, and 36 matching "Find Me" cards for a parent or teacher to call out. For 2 or more players.

## Geo Pegs Classroom Set - 172 Pieces – Qty 1

18 months & up. Children will be sorting, counting, adding, subtracting, patterning and sequencing in no time with the Geo Pegs Classroom Set! Ideal for developing fine motor skills, this set is large enough for multiple children and includes 4 large peg boards, 144 colorful pegs, 12 laces and 12 double-sided activity cards for inspiration. The 4 peg boards can be used individually, or be joined together to create a larger work space. Each peg board measures 8.5" x 8.5".

## JUMBO KNOB PUZZLES – QTY 2

Watch a beautiful design come to life with these Jumbo Knob Puzzles. Each puzzle has a picture of an environment that children can assemble, and each puzzle piece has a jumbo-sized knob to make it easy for children to grasp it. These fun puzzles will strengthen fine-motor skills, hand-eye coordination, and visual spatial awareness. Set of 7. Each puzzle measures 12"L x 14"W.

## WOOD KNOB PUZZLE CASE – QTY 2

Give your puzzles a home with our Wood Knob Puzzle Case. Puzzle storage can sometimes be a challenge-especially when a puzzle is still in progress. Our Wood Knob Puzzle Case eliminates this issue. Thanks to its spacious, secure wire slots, this case can hold both finished and unfinished puzzles. Holds up to 7 puzzles and measures 16"W x 15"H x 13"D . Puzzles not included.

## NATURE'S GEOMETRY TODDLER LOOSE PARTS STEM KIT – QTY 2

The possibilities of discovery are multiplied when rich variables are at children's fingertips. Nature's Geometry: Toddler Loose Parts STEM Kit is a laboratory of opportunity to experiment and explore the relationships in nature and investigate natural items. Children will explore natural loose parts like a faux turtle shell, wood varieties, gourds, and more. The kit includes a felt tray for storage and classification of loose parts and measures 12.6"L x 12.6"W x 3"H.

## STEP UP 2 WASH – QTY 6

Arrange your classroom with attractive, strong, child-safe Carolina Birch plywood furniture. At 28" tall, this step-up unit features 2 slip-resistant stairs with 3 pairs of cutout hand-holds. Unit fits perfectly beneath a standard height sink. Ideal for encouraging hand washing and other hygienic practices, this unit is perfect for anywhere in the classroom where children might need an extra step up. 5" from floor to top of first step and 10" from floor to top of second step. 125 lbs. weight limit. Fully assembled. 18"W x 28"H x 16"L. Clean with mild soap and water. Do not use cleansers, bleach, etc.

## HIMALAYAN GLOW CANDLES – QTY 2

Incorporating unique light sources around the classroom is an easy way to create a warm, inviting space. Safety, convenience, and modern style combine to create the Himalayan Glow Cordless Lamp. The included LED light bulb will not overheat, while the cord-free design eliminates tripping hazards in the classroom. The small footprint, interesting texture, and nature-inspired curves make this lamp the ideal addition for educators looking to add ambient lighting to their learning environments. Measures 6.1"W x 10.2"H x 6.1"D.

## NATURE VIEW MICROSCOPE – QTY 2

2 years & up. Introduce children to the fun of scientific discovery with their first microscope. With award-winning design, this Nature View Microscope is an exciting method of introducing STEM learning into the classroom. The three interchangeable lenses offer differing perspectives of the ten detailed nature slides. Encourage children to explore the different settings and become familiar with this beginner's microscope. The base plate rotates for varied viewpoints. Lenses include magnified, tinted, and kaleidoscope settings.

## STEM CONCEPTS POSTERS- SET OF 12 – QTY 2

Decorate your classroom or learning center with these STEM Concepts and Activities Diverse Settings Poster Set. These posters are a great way for your children to identify and relate to others as they engage in similar STEM activities. Use these posters in an interactive lesson to describe what STEM based activity the children are engaging in.

## GRIPPIES SHAKE, BUILD AND CURVE – 70 PIECE SET – QTY 2

18 months & up. Introduce young builders to magnetic construction, sensory exploration and social emotional expression with the comprehensive toddler STEM set, Grippies® Shake, Build and Curve. Connect large and small sized magnetic rods to each other or combine them with the overmolded metal ball connectors. The variety of rod styles create a unique structural, rounded and acoustic building experience. Encourage magnetic, auditory and tactile exploration through patterning and 3D construction. This combination Grippies® building set is perfect for toddlers to exercise their auditory, fine and gross motor and engineering skills.

## SPECIMEN STONES: BUGS – 9 STONES – QTY 2

2 years & up. Durable set of bug specimens set in shatter-resistant acrylic. Set includes 9 authentic specimens; wasp, bee, butterfly, ladybeetle, scorpion, cricket, pill bug, june beetle, and spider. Double-sided cards featuring detailed images, fun facts and important information included.

## SPECIMEN STONE TABLETOP STAND – QTY 2

Beautifully display the pieces from the Specimen Stones sets (sold separately) using the durable, beechwood Specimen Stone Tabletop Stand. Keep a complete set of 9 stones visible and organized during and between supplemental lessons using this easy-to-use display.

### ORGANIC TEXTURES DISCOVERY SET – 22 PIECES – QTY 2

2 years and up. Inspire in-depth scientific exploration with the Organic Textures Discovery Set. Featuring 22 authentic plastic replicas of seeds, shells, coral, fossils, and more, this set enables children to examine the objects and textures of the natural world in any environment - whether that be in the classroom or outside in substances such as sand, water, and dirt.

### THERMAL BALL – QTY 2

6 months & up. This heat sensitive ball will surprise children with its color changing properties. Introducing children to science during active play, the ball is purple when chilled and turns a light blue when heat is applied.

## PLAY & EXPLORE BUG STONES – 8 PIECES – QTY 2

2 years & up. Support children's growing understanding of the world around them with this realistic set of 8 bugs. Set includes an ant, beetle, butterfly, centipede, dragonfly, ladybug, spider, and woodlouse. Made from a special stone mix for added durability makes these bugs perfect for outdoor use.

## CARRY AND DISCOVER MAGNIFICATION CONTAINERS – SET OF 2 – QTY 2

18 months & up. Carry and Discover Magnification Containers are the ultimate adventure companion for children. Children can collect and closely observe natural materials, special treasures, and interesting specimens. A completely clear container and a magnifying top enhance possibilities for scientific discovery and nature-based exploration. Use this set of stacking, easy-to-clean containers during experimentation with wet and dry materials.

### HORSESHOE SHAPED MAGNETS SET OF 6 – QTY 2

18 months & up. This set of Horseshoe Shaped Magnets makes a great addition to any science classroom! These magnets can be used in either small group or individual learning, and they are great for introducing young children to basic physics and magnetism principles. Perfect for introducing young children to basic physics and magnetism principles.

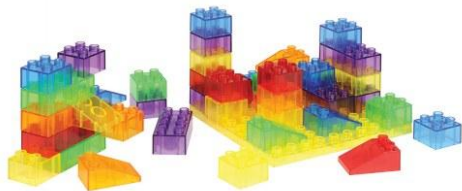

### SCIENCE SENSORY TUBES – QTY 2

2 years & up. Create your own sensory tubes with this set of 4 clear tubes with dual openings. Includes 8 solid lids (two red, two blue, two yellow, two orange) and 4 vented lids (red, blue, yellow, orange) to let children explore their sense of smell. Lids easily twist on and off, and hold liquid securely inside. Contents shown are not included.

### CLICK BUILDERS PRISM JR. - 72 PIECES – QTY 2

18 months & up. Make building a captivating experience with this collection of Click Builders. Young children can design an infinite number of structures, which will improve their fine-motor skills, creative-thinking skills, and problem-solving skills. The transparent colors will also teach children about color patterns-especially if they play with these builders on a light table. This set universally connects with other builders. Smallest block size is 1.25". 72 piece set.

### BARNYARD ACTIVITY BOXES – QTY 2

2 years & up. Who lives in each barn? Colors and visual clues will help the animals find their way home. The 28-piece set includes wooden barns numbered from one to six and color-coordinated animals to match both the number and color on the barn. Great for working on counting, sequencing, shape-sorting and color matching skills!

## COUNTING ELEPHANTS – QTY 2

2 years & up. Ten elephants link together tail to trunk. Each blanket is color coded to match the one that comes next in the sequence. Each elephant blanket also displays a number. Reinforces number recognition, sequencing and color matching. 5 large and 5 small elephants.

## NATURAL STACK AND SORT BOARD – QTY 2

12 months & up. This oversized board features colorful counting discs for sorting onto stationary pegs. Double-sided wooden squares show numbers 0 through 9 on one side and corresponding dot patterns on the other. The removable counting discs offer versatile opportunities for matching, counting, and practicing addition and subtraction, both on and off the board.

## COLOR SORTING AND MATCHING DUCKS – QTY 2

2 years & up. Engage your children with this exciting Color Sorting and Matching Ducks with activity cards. Children will love sorting the ducks by color or using the pond cards for a simple patterning game. This activity promotes fine motor skills, color recognition, sequencing, and patterning. Encourage your children to call out the colors of the ducks as they use them. Activity cards range from easy to hard. Includes 10 double sided cards and 24 fabric ducks. Cards wipe clean and ducks are machine washable.

## MAGNETIC WOOD COOKIE COUNTERS – 21 PIECES – QTY 2

18 months & up. Increase children's confidence with counting and number recognition using these nature-inspired Magnetic Wood Cookie Counters. Made in part using Poly+, this set is durable enough for both indoor and outdoor numeracy activities. Each piece has a black magnetic backing that enables convenient use on blackboards or whiteboards. Set includes pieces marked with numbers 0 through 20.

## SORT AND COUNT CUPS – 30 PIECE SET – QTY 2

18 months & up. Learning how to sort and count made fun and easy! These brightly colored bowls will help promote early math skills like sorting, counting, matching and sequencing. Bowls come in five colors: Red, green, orange, blue, and yellow. Includes smooth, round disks of each color.

## CATERPILLAR STACKING – QTY 2

2 years & up. Stack, match, and explore the sense of touch with this caterpillar-themed stacker. It is made up of colorful, rounded, chunky, tactile shapes that fit on a pegged base that allows for stacking multiple angled, color-coded blocks. Set includes color-matching activity cards and card stand for sequencing activities.

## BEGINNER PATTERN BLOCKS WITH DESIGN TEMPLATES – QTY 2

2 years & up. These Beginner Pattern Blocks are a perfect first manipulative for your children! Complete with five two-sided boards these brightly colored geometric shapes are ready to place on the ten recessed design templates. Have your children complete the pictures, or create their own designs and matching activities. For extra learning have children sort the shapes or identify which shapes they are using to fill the design. All pieces store neatly in the included sturdy wooden storage box.

## NUMBERS SOUND PUZZLE – 21 PIECES – QTY 2

3 years & up. This 21-piece wooden sound puzzle pronounces the name of each number when its piece is placed correctly! Pieces are slightly raised above the puzzle board for easy grasping. Colorful pictures underneath each piece help teach counting and reinforce the relationship between quantities and numerals. This educational puzzle has lots of ways to learn and play! Requires 3 AAA batteries (not included).

3" TRANSLUCENT NUMBERS – 10 PIECES – QTY 2

18 months & up. The 3" Translucent Numbers are perfect for little hands to learn how to write numbers! Pieces feature raised edges and arrows. Ideal for use on a light panel for tracing exercises. Colors may vary.

MEASURE UP CUPS AND SPOONS – WASHABLE – QTY 2

2 years & up. Chunky, sturdy pots are perfect for scooping, filling, stacking, molding and nesting. Spoons and and pots are all volumetrically correct & sequentially sized for interaction. Shapes and numbers are molded on each handle for additional early math practice. Cleaning: Immerse in warm water, add dish detergent if necessary, air dry. Includes 10 pieces.

## FELT FUN SHAPES & COLORS – QTY 2

2 years & up. Introduce young children to early math concepts such as basic sequencing, counting, shapes recognition, simple patterning and color recognition with the Felt Fun Shapes & Colors. This set includes 1 flannel board, 18 concept cards, 36 large shapes, 36 medium shapes and 36 small shapes. All shapes are in assorted colors. 127 pieces total.

## ARCHITECTURAL UNIT BLOCKS – 44 PIECES – QTY 2

2 years & up. Enhance traditional block play with a set of wooden blocks inspired by Roman, English, Middle-Eastern and Asian architectural styles. Special curved blocks, arched accents, and unique pieces in the Architectural Unit Block set encourage children to engage their imaginations or to recreate classic building styles they have previously seen. Combine with traditional unit block sets (sold separately) to multiply the build possibilities.

### COMMUNITY BLOCK SET – 20 PIECES – QTY 2

2 years & up. This beautiful wooden Community Block Set contains everything children would need to create their very own block town. Incorporate recognizable buildings like a school, hospital, and bakery as well as vehicles, trees, a fire hydrant, and a stop light to enhance dramatic play possibilities and storytelling during traditional block play activities. Colorful, detailed images are heat transferred onto both sides of the thick blocks included in this 20-piece set.

### WOODEN SCHOOL BUS – QTY 2

2 years & up. This durable plywood truck is a great addition to any classroom or playroom block play area. Large birch plywood vehicle features natural-toned, screened artwork and soft plastic, non-skid wheels. Easily incorporate this durable truck into any block play area for enhanced dramatic play and builds. Ships fully assembled.

### WOODEN FRONT LOADER – QTY 2

2 years & up. This durable plywood truck is a great addition to any classroom, playroom or block play area. Large birch plywood vehicle features natural-toned, screened artwork and soft plastic, non-skid wheels. Easily incorporate this durable truck into any block play area for enhanced dramatic play and builds. Ships fully assembled.

### MINI WOODEN VEHICLES – 10 PIECES – QTY 2

2 years & up. Give context to architecture and communities with hand-held, birch plywood trucks. Each features natural-toned, heat-transfer designs to associate seamlessly with traditional unit block play. Give roadways and block buildings purpose and develop group play skills with 10 pieces to share. Vehicles include: cement mixer, fire truck, police car, taxi car, school bus, dump truck, ambulance, fork lift, front loader and farm truck.

## DOUBLE-SIDED ROADWAY SYSTEM – 42 PIECE SET – QTY 2

2 years & up. Enhance creative, loose parts play with this Double-Sided Roadway System. Children can use the varied sized and shapes to create countless roadway configurations. MDF laminate puzzle pieces feature screened details on both sides and are scaled to fit with Unit Blocks, increasing dramatic play opportunities. Set features 5 double-sided inspiration cards, providing examples of possible layouts and unique themes, furthering build opportunities. Set includes 42 roadway pieces. Additional blocks, cards and loose parts are not included.

## JUMBO FARM ANIMALS – 7 PIECES – QTY 2

18 months & up. What do the animals say? What are their names? These are but a few things that can be discovered playing with this farm themed set. The set includes the most popular farm animals - pig, horse, cow, goat, sheep, rooster and goose. Activity guide provides facts about each animal and early science discussion starters. Horse measures 9.5"L x 7.25"H. Made out of durable BPA free, non-toxic plastic. To clean, wipe with a damp cloth, do not immerse in water.

## JUMBO HOUSE PETS – 6 PIECES – QTY 2

2 years & up. Encourage compassion and participation in pet care responsibilities. Set of six popular pets includes a dog, cat, rabbit, guinea pig, fish and bird. Activity guide provides facts about each animal and early science discussion starters. Dog measures 8.5"L x 6"H. Made out of durable BPA free, non-toxic plastic. To clean, wipe with a damp cloth, do not immerse in water.

## DISCOVERY STACKERS – RAINBOW HOUSE – 5 PIECES – QTY 2

2 years & up. An upgrade from the classic nesting toy, the extremely resilient and durable pieces in the Discovery Stackers - Rainbow House set enhance open-ended play indoors and outdoors. The pentagonal inspired shapes encourage children to explore relationships in perpendicular and parallel forms. The simplified, house-like shapes innately suggest a dramatic play community theme, bridging gaps between various play patterns. Bring new life to light play with this set featuring vibrant, rainbow colors. Sets include 5 solid, nesting pieces and double-sided inspiration cards complete with ideas for play, relevant vocabulary, and beautiful imagery.

### DISCOVERY PEOPLE – RAINBOW – 16 PIECES – QTY 2

2 years & up. Bring life to any block play community with the vibrant Discovery People - Rainbow. With bright rainbow hues, these simplified people shapes will enhance dramatic play opportunities during traditional block play and seamlessly complement the rest of the Discovery collection during light and sensory exploration. Each set includes 16 solid figures: 8 tall figures and 8 short figures in assorted colors.

### BEAD BLOCKS – 8 PIECES – QTY 2

2 years & up. These wood-framed blocks add a new look to block play. Each set includes 4 square blocks and 4 half circle blocks with bead filled center. These bead blocks add a sound element to play. 8 pieces.

### SENSORY PUZZLE BLOCKS – 18 PIECES – QTY 2

2 years & up. Bright colored oversized foam blocks in various shapes fit together like a puzzle for endless construction possibilities. The side are covered with raised pyramid shapes for easy grasping and sensory stimulation. 1.5" thick. Set of 18 blocks.

---

### JUMBO BRICK BLOCKS – 44 PIECES – QTY 2

2 years & up. Enhance building possibilities with a lightweight set of oversized blocks. Made from durable, heavy-duty cardboard, the Jumbo Brick Blocks are strong enough for continued use indoors. An authentic gradient of brick red colors, as well as illustrated textures introduce dramatic play possibilities into constructive activities. Simply fold each Jumbo Brick Block to create a variety of different shapes.

#### WOODEN RAINBOW ARCHES AND TUNNELS – 12 PIECES – QTY 2

2 years & up. The Colorful Wooden Rainbow Arches and Tunnels set is a vibrant addition to traditional block play. With 10 painted arches and 2 natural tunnels, children will love creating independent structures with these tunnels and arches, or incorporating them into their other blocks for endless building possibilities. Featuring rounded edges and smooth surfaces with a matte finish, these arches and tunnels are the perfect tool for enhancing early engineering skills and introducing concepts such as balance to children.

#### FIRST CHUNKY ALPHABET PUZZLE – QTY 2

2 years & up. Learning the alphabet and how to spell has never been so fun and easy for those with little hands and big imaginations! This brightly colored wooden puzzle has individually color coordinated letters that match up with their base spots to help develop recall and recognition skills. The chunky pieces make it easy to grasp and examine, guaranteeing endless hours of fun learning for everyone involved. Helps develop dexterity, matching skills and concentration. Meets the industry toy safety testing standard and is painted with child-safe paints.

### SMART SNACKS ALPHA POPS – QTY 2

2 years & up. Fun twin-pop shapes to pop together. Great for developing fine motor skills, and early letter recognition. Double-sided to include all 26 letters. Great for fine motor practice and imaginative play. Self-checking by color.

### CLASSROOM PUPPET PALS – QTY 2

2 years & up. These hand puppets make up a perfect play set to help children and caregivers role-play together! Four simple glove puppets in zoo animal, farm animal, and career themes make it easy and so much fun to act out scenes, practice new vocabulary, and spend quality time playing together. Great for motor skills and self-confidence too! Made with brightly patterned, washable fabrics and built to last, these soft and sweet hand puppets are sure to be go-to toys for years to come.
