

PRE-K & PRESCHOOL

Carolina Narrow 3-Shelf Storage – QTY 2 /

Arrange your classroom with attractive, strong, child-safe birch plywood furniture. This small open storage unit offers three shelves for storing toys and classroom essentials. Narrow silhouette is ideal for small spaces. Versatile open storage is perfect for organizing classrooms, with a toe-kick panel that prevents small objects from being lost underneath. Three 15" deep shelves provide extra storage space. Easy-clean, durable UV process finish. Clean with mild soap and water. Do not use cleansers, bleach, etc. Measures 18"W x 36"H x 15"D. Contents not included. Fully assembled.

Early Learning Station – Bamboo – QTY 2 /

A student-sized easel with multiple activity based features made from sustainable bamboo. This station provides teachers with quick set-up and the ability to change lessons when needed. Features 2 magnetic dry-erase whiteboards, a roll-up felt sheet for creative play, 2 open tubs, adjustable big book ledge that locks into multiple positions, 4 snap-on chart paper and accessory hooks, a folding frame for easy storage, and 4 locking casters. Frame measures 30"W x 51"H x 26"D.

Premium Solid Maple Dress-Up Center with 4 Baskets – QTY 2 /

Give your classroom a perfect dramatic play centerpiece with the Premium Solid Maple Dress-Up Center. The center's mirror enables children to see how they look before they enter imaginary worlds, and its hooks provide a place to store their collection of outfits and costumes. The center also includes 4 woven baskets for additional storage of smaller items. Measures 42"W x 42"H x 16"D.

Carolina Market- QTY 2 /

Explore new possibilities with our high-quality range of birch plywood dramatic play furniture. This handsome market stand features a colorful awning, and multiple levels of space for storing and displaying toy food. Three angled compartments under a sales counter plus a spacious open shelf below allows children lots of options for displaying market goods. Includes a dry erase panel for writing out daily specials and pricing! Flip the unit around for use as a puppet theater. This versatile play stand is ideal for encouraging creative play in the classroom.

Sense of Place Range and Sink – QTY 2 /

Influenced by Scandinavian kitchen design, this modern set features a butcher-block inspired countertop made of birch plywood, electroplated chrome goose-neck faucet, and farmhouse-inspired sink made of white ABS plastic. The metal oven-rack and faucet reinforce the Sense of Place Collection's mission of using authentically-inspired and sensory-based materials to provide an engaging experience for learners. The farmhouse sink and realistic ABS plastic burners can be removed for easy cleaning while the polypropylene (PP) plastic oven knobs, solid birch oven door handle, and acrylic oven window bring the smallest, authentic details from home to the classroom encouraging dramatic play. Constructed with white-laminated plywood interior and side panels, and a solid birch apron and feet, this sturdy kitchen is built for play. The cubby underneath the sink also fits a standard classroom woven basket, providing additional storage for dramatic play materials. Measures 40"W x 28"H x 16"D. Ships Fully Assembled (Faucet Requires Installation, Instructions Included). Limited Lifetime Warranty

Sense of Place Refrigerator – QTY 2 /

White-laminated plywood doors and solid birch handles lend this refrigerator a clean, modern look similar to what students might find in the home. Designed with authentic play and versatility in mind, three poly-carbonate plastic storage shelves provide ample interior storage while the acrylic water and ice display window adds a fun dramatic play element to this piece. The standard classroom storage basket fits in the refrigerator's bottom cubby for additional storage. Measures 21"W x 37"H x 16"D. Ships Fully Assembled. Limited Lifetime Warranty.

Classic Carolina Chairs – QTY 10 /

Classic design meets classroom function in these ladder-backed solid wood chairs. Features reinforced front, side, and back leg braces for additional strength, plus angled legs to help prevent tipping. Curved backrest provides comfort while promoting good posture. UV protective finish helps prevent scratches and stains

Constructed from a durable, easy-to-clean combination of birch plywood, white laminate plywood and birch solids, this spacious storage unit features three wide shelves conveniently divided into eight compartments. A finished back panel and toe-kick panel prevents objects, toys, learning materials and books from being lost beneath or behind the shelf, Clean with mild soap and water. Do not use cleansers, bleach, etc. Measures 48"L x 36"H x 15"D. Ships fully assembled. Limited Lifetime Warranty.

Sense of Place 30" Compartment Storage-QTY 6/

This 5-compartment Storage Unit is a modern take on the traditional classroom storage piece. The contemporary design of the solid birch feet and apron are similar to furniture you would find in the home. White-laminated plywood serves as a neutral backdrop to highlight the items stored and displayed in this unit, which offers versatile, spacious classroom storage. Clean with mild soap and water. Do not use cleaners, bleach, etc. Measures 48"W x 30"H x 15"D. Ships Fully Assembled. Limited Lifetime Warranty. Clean with mild soap and water. Do not use cleansers, bleach etc. Due to the nature of the wood used, variations in color and grain are to be expected. Naturally occurring variations in wood like color, grain, pinholes, and knots are not considered defects.

Sense of Place 3-Shelf Open Storage 36"-QTY 2/

A beautiful take on traditional, early childhood storage units, the Sense of Place 3-Shelf Open Storage 36" combines contemporary, versatile design with sturdy, long-lasting construction. An easy-to-clean combination of birch plywood, white laminate plywood and birch solids make this open shelving unit the perfect neutral backdrop to highlight and store classroom materials, found objects and art projects. Limited lifetime warranty. Clean with mild soap and water. Do not use cleansers, bleach, etc. Measures 48"W x 36"H x 15"D.

Science Exploration Table-QTY 2/

Children can show off their projects, examine up close and display their exhibits easily with this exploration table. There are four compartment areas with 2 acrylic sliding panels that cover fragile nature collections and two removable mirror reflection boxes that insert into each end of the display areas. Shelf storage is accessible from both sides of the table to allow easy access for additional supplies. Measures 47"W x 24"H x 14"D. Accessories are not included. Clean with mild soap and water. Do not use cleansers, bleach, etc.

Premium Solid Maple Coat Lockers-QTY 6/

The Premium Solid Maple Coat Lockers provide a welcoming, personalized space that will help children feel at home right when they walk in the door. With cubby sections that each have 2 sturdy hooks and a personalized name plate, children will be able to store all of their belongings and practice responsibility, independence, and organization. Lockers available in 4 sections or 5 sections. Clean with a mild soap and water. Do not use cleansers, bleach, etc. Contents and baskets not included.

Sense of Place Shelving and Tote Storage-QTY 2/

A beautiful take on traditional classroom storage units, the Sense of Place Shelving and Tote Storage satisfies practical organizational needs while also enhancing the beauty of the physical environment. Keep papers, books and relevant learning materials accessible and organized using this compartmentalized unit. Cubbies sized to fit Woven Storage Totes (sold separately, 300763) as well wide shelves provide a variety of shelving. Unit measures 48"W x 36"H x 15"D.

Quiet Reading Center-QTY 2/

Comfortable and cozy reading corner allows children to easily access books and have quiet conversations with their friends. The two shelf bookcase allows books to be seen easily and deep enough to have two rows of books for each shelf. The clear side panels give the provider visibility as well as allowing the children to see out. Assembly required. Measures 40.5"L x 47"W x 34.5"H. Cushion sold separately. Cushion set fits snugly for children to be comfortable as they read and talk with friends. Clean with a mild soap and water. Do not use cleansers, bleach, etc. Easy to clean vinyl. Measures 13"H (back cushion) x 33.25"W x 45.75"L.

Sense of Place Curved Collaboration Table-QTY 6/

Inspired by the beauty of nature, the Sense of Place Curved Collaboration Table features a gently curved shape and a beautiful natural wooden color palette. Sized to comfortably accommodate small and large groups of elementary school students, this meticulously designed table enhances a sense of classroom community and encourages creative collaboration and social interaction. Combine multiple tables to create a unique modular system that suits the needs of your space and children. Adjustable legs allow for use across multiple grade levels. Each table measures 65"W x 34"D with legs that adjust from 22" to 30"H.

Sense of Place 42" Oval Table-QTY 4/

Invite children into the classroom with this unique oval-shaped design inspired by dining-room tables found in the home. Featuring tapered legs and constructed of solid birch, the Oval Table brings a light, modern, authentic feel to any space while encouraging meaningful connections. Measures 42"W x 21"H x 30"D. Use with 12"-14" Chairs (Sold Separately). Ships Ready to Assemble. Limited Lifetime Warranty. Clean with mild soap and water. Do not use cleansers, bleach, or etc.

Sense of Place Fireplace-QTY 2/

3 years & up. The centerpiece of the Sense of Place Collection, the Fireplace serves as the central meeting point in the classroom, a place where children will gather in authentic learning, collaboration, and play. The solid birch mantel and white-laminated plywood shelves store books and display pictures and objects that reinforce children's natural connection to home. Clean with mild soap and water. Do not use cleansers, bleach, etc. Measures 52"W x 36"H x 19"D. Ships Fully Assembled. Limited Lifetime Warranty.

Branch Blocks - 36 Pieces – Qty 4

3 years & up. Give block play a natural feel with our Branch Blocks. The intact textured bark on each building piece adds sensory exploration mirroring the organic benefits of outdoor play. These blocks empower children to construct all sorts of structures and develop key STEM skills such as sorting and stacking. The blocks' nature-inspired design will also deepen children's appreciation of nature and may even make them feel like they are constructing their own habitats. Includes 36 wood pieces.

Tabletop Notch Blocks – Western – Qty 2

3 years & up. Children can experience Western-inspired architecture, indoors and outdoors, using the Notch Blocks Western set. Plastic, neutral-colored blocks feature notched parts that easily connect for strong, detailed builds. Using included ladders and bridge pieces, children can build different structures with varying elevated platforms and span natural elements. Set includes 10 double-sided build cards. Available in sets of 85 pieces or 129 pieces.

Tabletop Notch Blocks – Eastern – Qty 2

3 years & up. Children can experience Eastern-inspired architecture, indoors and outdoors, building with the Notch Blocks Eastern set. Solid plastic, neutral-colored blocks feature notched parts that easily connect for strong, detailed builds. Using included ladders and bridge pieces, children can build different structures with varying elevated platforms and span natural elements. Set includes 10 double-sided build cards. Available in 87 pieces or 132 pieces.

Mini Hollow Blocks in Different Shapes - 24 Pieces – Qty 2

3 years & up. This set is the smallest of the hollow blocks with all the features of the bigger sets. Features include bamboo fasteners for a smooth surface (no visible screw heads), sanded smooth finish, and rounded edges for safety. Encourage children to identify shapes and use their imaginations to build wonderful structures. This set, perfect for small hands, will promote creativity. Pieces measure from 2.75" wide and up to 11.5" long. 24 pieces.

Bambino Wooden Shape Branch Blocks - 12 Pieces – Qty 4

18 months & up. Allow children to explore nature with this unique set of wooden blocks. Each block is a peculiar shape that invites and makes balancing and stacking a challenge to conquer. The unique shaped pieces, combined with the unlimited building possibilities, will help develop hand-eye coordination and spatial skills while having fun! This set will also promote fine motor skills and block play. Includes an eco-friendly cotton storage bag. Set of 12 unique wooden shapes.

Wood Stackers: River Stones - 20 Pieces – Qty 4

2 years & up. Cultivate children's love of nature alongside their love of block play with this Wood Stackers Set. Inspired by the natural, polished shapes of river stones, these stones encourage children to build structures that resemble what they see when they explore nature. The stones are sanded smooth to highlight the beautiful gradient of the wood pieces. The variety of sizes will also help children understand concepts like weight, dimension, and balance. Set of 20. Smallest stone measures 1.75"L x 1.5"W x 0.75"H. Largest stone measures 5"L x 2.5"W x 1"H.

Hardwood Mirror Block Set - 10 Pieces – Qty 4

2 years & up. Mylar® mirrored double-faced interior, framed by hardwood with soft, rounded corners. Idea for indoor and outdoor STEM activities. Sized to standard unit block measurements. Rubberwood frames with inset double-faced Mylar® windows. Enhance visual perception, block play, size relationships and science . 10 pieces.

Wood Stackers: Standing Stones - 20 Pieces – Qty 2

2 years & up. Invite children to build thoughtfully and creatively with these Wood Stackers. Made with organic, natural materials, these geometrically intricate stones spark a child's curiosity to create structures that resemble ancient landmarks. Each wooden block is sanded smooth to highlight the beautiful gradient of the original wood. The variety of sizes will also help children understand concepts like weight, dimension, and balance. Set of 20.

Arch and Tunnel Set - 10 Pieces – Qty 2

2 years & up. Arch and Tunnel block set adds a new dimension to your block play experiences. Learn to balance the pieces in just the right way and add curvature to your block buildings for a variety in structure. Each arch is made of birch wood. Set includes two large tunnels and eight smaller arches. Measures: Tunnel: 11"W x 11"D x 5.5"H, Arch: 11"W x 3"D x 5.5"H. 10 pieces.

Feels-Write Lowercase Letter Stones – Qty 2

2 years & up. These beautiful stones offer a tactile and visual way of introducing young children to letter formation. Each stone is carefully engraved to provide important sensory feedback to help young children develop the movements needed for writing each letter. Starting at the green dot, children will enjoy tracing each letter shape with their finger, building important motor-memory skills. Stones are tough enough to be used in sand, water, and outdoors, opening up exciting opportunities for learning throughout multiple settings. Set contains 26 letter stones (2.75"-4" approx.) and an activity leaflet.

Feels-Write Number Stones - Numbers 0 – 9 – Qty 2

2 years & up. These beautiful stones offer a tactile and visual way of introducing young children to number formation. Each stone is carefully engraved to provide important sensory feedback. Children will enjoy tracing each number with their finger building important motor-memory skills. Have children run to the number you call out for a fun outdoor learning experience that will encourage children to learn while they play. Each set contains 10 number stones (numbers 0-9) measuring 3.5" - 6" and an activity guide.

Bark Block Alphabet Letters - 36 Pieces – Qty 2

18 months & up. Identify letters, make simple words, and build motor skills with the block-like shapes in the Bark Block Alphabet Letters set. Includes the 26 letters of the alphabet and 10 others commonly used in words. Made from Poly+, these letters are durable enough for both indoor and outdoor play and play with sand, dirt, water, and other messy substances. Includes 36 faux bark pieces. Each letter measures approximately 2"L x 2"W x .5"H.

Magna-Tiles® 100-Piece Clear Colors Set – Qty 2

3 years & up. These translucent, colorful shaped magnetic tiles teach spatial relationships, math, logic, and problem-solving through creative building! The tiles attract on all sides and in all combinations, helping children move from two-dimensional to three-dimensional creations. This unbreakable set contains 50 Small Squares, 4 Large Squares, 15 Isosceles Triangles, 11 Right Triangles, and 20 Equilateral Triangles.

Magna-Tiles® Arctic Animals - 25 Piece Set – Qty 2

3 years & up. The Magna-Tiles® Arctic Animals building set features 25 Arctic themed magnetic pieces. Children will explore the diverse and dramatic landscapes that include sea, ice, glaciers, mountains and the majestic animals that inhabit this special land. Add this magnetic tile set to any Magna-Tiles® collection to create endless patterns or practice shape recognition. Through play, your child will learn different shapes and their unique properties and characteristics. Made of food-grade ABS (BPA Free) plastic - free of phthalates and latex. Set includes special pieces; seal, two polar bears, whale, penguin, and patterned pieces.

Magna-Tiles® Jungle Animals - 25 Piece Set – Qty 2

3 years & up. The Magna-Tiles® Jungle Animal building set features 25 Jungle themed magnetic pieces. Let young imaginations run wild and free as they step into the tropical forest, where there is an abundance of vibrant greenery and earthy tones, as well as unique wildlife. Add this magnetic tile set to any Magna-Tiles® collection to create endless patterns or practice shape recognition. Through play, your child will learn different shapes and their unique properties and characteristics. Made of food-grade ABS (BPA Free) plastic - free of phthalates and latex. Set includes special pieces; sloth, leopard, tiger hippo, caiman, & patterned pieces.

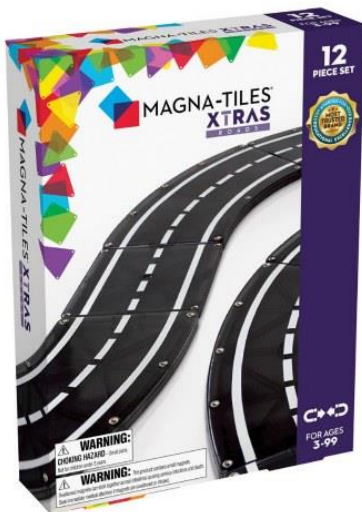

Magna-Tiles® Car Expansion Set of 2 – Qty 6

3 years & up. These colorful, translucent Magna-Tiles® cars are designed to work perfectly with Magna-Tiles® building sets. Use the magnetic building pieces to create fun designs on the car's magnetic base. Build tracks, mazes and garages to house your newly designed car and take it all apart when you are ready to design and build again. Cars work well with most Magna-Tiles® sets (sold separately). Included: 2 Different color Magna-Tiles® Cars. Size: 3" x 6" x 2".

Magna-Tiles® Xtra Roads - 12 Piece Set – Qty 2

3 years & up. Car-loving kiddos will surely enjoy the Magna-Tiles® Xtra Roads, part of the new Magna-Tiles® In Motion collection. More roads equals more adventures, more imagination and more fun! This set is ideal for inspiring creativity, building motor skills and supporting STEM learning. Set includes 4 square road pieces and 8 (45-degree) curved road pieces for a variety of building options and racing fun. Made of food-grade ABS (BPA Free) plastic - free of phthalates and latex. Features road pieces only, dashers sold separately.

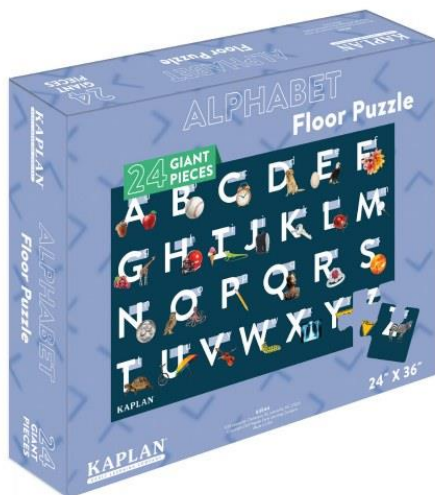

Makit Woodbuilders - 70 Pieces -Qty 4

3 years & up. This 70 piece set includes large easy to manipulate pieces made of smooth sanded hardwood. Full of multi-colored pieces including connector rods and circles. Alphabet Floor Puzzle - 24 Pieces – Qty 2

3 years & up. Develop letter recognition and build fine-motor skills at the same time with this fun floor puzzle! Learning the ABC's will be F-U-N with these whimsical letters and colorful, real-life photos. Children will love the up-close, vivid images representing all the letters of the alphabet. This large 24-piece real photo puzzle is made of extra-thick durable cardboard with a wipe-clean surface. Puzzle insert included. Measures 24" x 36".

Letter Formation Sand Tray – Qty 20

Practice letter writing with this solid 8" x 8" wooden box. The contrasting dark blue laminate bottom makes letters stand out clearly. Includes lid and fine grain sand.

Snap Together Letter Llamas – Qty 2

18 months & up. Put llamas to work for literacy with the Snap Together Letter Llamas. Each llama has 2 parts - one with an uppercase letter and another with a lowercase letter. Children must connect the 2 parts together to make a full llama. This activity is a fun, engaging way to help children recognize the connections between uppercase and lowercase letters.

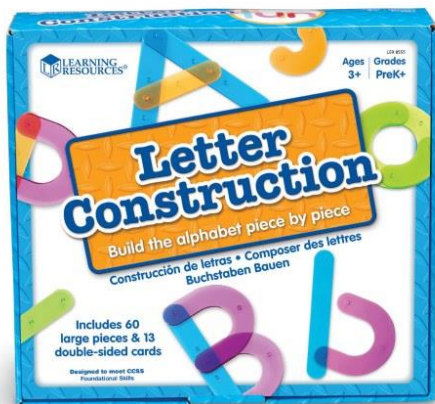

Wooden Puppet Stand – Qty 2

Make puppet play possible with this Wooden Puppet Stand. Puppet play is an invaluable addition to a preschool classroom for many reasons (including language development and emotional expression) but finding storage for puppets can sometimes be difficult. With space for 8 puppets, this Wooden Puppet Stand helps solve that problem by giving puppets a home when they are not part of classroom activities.

Letter Construction Activity Set - 60 Pieces – Qty 2

3 years & up. Make the alphabet come to life with the Letter Construction Activity Set. In this set, each letter comes with a certain number of pieces that children must form into both the uppercase and lowercase versions of that letter. This set enhances early literacy development by providing multisensory reinforcement of fundamental concepts.

PRETEND PLAY STAINLESS STEEL KITCHEN ESSENTIALS -QTY 2-

Equip your play kitchen with stainless steel cookware and utensils that are durable and perfectly proportioned for young cooks. The generously sized pots and pans set (5" in diameter) includes a rack for storing and the set of six cooking utensils comes in its own holder.

CUT 'N PLAY PIZZA SET -QTY 2-

Pizza Party! Children will delight in slicing and serving up their own pre-cut pizza. Encourages dramatic play, role play, and hand-eye coordination. The set includes 4 pizza slices, a pizza cutter, a spatula, red pepper shaker, and a cheese shaker.

WOODEN DOLL HIGH CHAIR-QTY 2-

This wooden doll high chair combines modern aesthetics with functional play. Featuring a spacious seat and convenient footrest, it provides the perfect setting for little ones to care for their dolls. As children engage in pretend play, they develop essential skills such as empathy, nurturing, and responsibility. These interactive experiences encourage imaginative play scenarios, allowing kids to explore caregiving roles. The high chair's plastic-capped feet ensure stability while adding a polished finish.

DRAMATIC PLAY STAINLESS STEEL KITCHEN SET WITH UTENSILS-12 PIECES-QTY 2-

Bring on the cooking! The perfect addition for all classroom dramatic play kitchens and outdoor mud kitchens. Beautiful cooking set made of robust stainless steel with true-to-detail design for more role-play fun. The included mallet makes it easy for little hands to play, encouraging fine motor development and hand-eye coordination. Perfect for early music education, group activities, or individual play.

SENSE OF PLACE KITCHEN ISLAND – QTY 2 /

3 years & up. The authentically inspired centerpiece of the dramatic play area, the Kitchen Island is child friendly and easily accessible from all sides. Featuring an overhang on the back portion of the solid birch countertop, children are encouraged to pull up a stool and eat together, building meaningful connections in the process. The island's front has 3 white-laminated plywood drawers for classroom and dramatic play storage, and the middle drawer features acrylic dividers for organizing utensils. There is additional storage on the bottom and an optional towel rack on the side. Featuring painted solid birch legs, solid birch drawer pulls, and a reinforced birch plywood bottom shelf, this sturdy kitchen island is built for all types of play.

SENSE OF PLACE KITCHEN ISLAND STOLLS – SET OF 2 – QTY 2 /

3 years & up. Inspired by kitchen and high-top table stools found in the home, these solid birch stools feature a backrest and flared legs to prevent tipping. Coordinate stools with the Kitchen Island, or use them for additional seating throughout the classroom. Each stool measures 13"W x 18"H x 13"D. Seating height is 16". Set of 2. Clean with mild soap and water. Do not use cleansers, bleach, etc. Ships Ready to Assemble. Limited Lifetime Warranty.

SENSE OF PLACE CIRCLE ACRYLIC WALL MIRROR – QTY 2 /

All Ages. Add texture and natural elements to the classroom with the Circle Acrylic Wall Mirror. With a border woven from water hyacinth, the large acrylic mirror brings light, texture, and comfort wherever it is placed in the classroom. Woven hooks on the mirror's back allow for easy hanging on your wall. Mirrors can stimulate curiosity and cognitive development by encouraging children to explore light, reflection, and symmetry. Decorative mirrors allow children to see their reflections, which helps them develop self-awareness and recognize their own facial expressions and body language. Clean with mild soap and water. Do not use cleansers, bleach, etc. Measures 29" in diameter.

12" TRAVELER STUDENT GLOBE – QTY 1 /

5 years & up. Give children a fun interactive way to learn about geopolitics and more. Lightweight and durable, this blue-ocean globe is a great student tool for your classroom. Help children learn the names of the states in the US, each state name is shown on the map! The United States is one color on the map and the state borders are shown with each individual state name. The smoke black plastic base and semi-meridian are strong and scratch resistant. The oceans are a vibrant blue and the countries are richly colored.

SPINNING TABLETOP ART STORAGE – QTY 4 /

2 years & up. Encourage sharing and collaboration in children's art spaces with this convenient, spinning art storage. This unique, portable, and easy-to-clean addition to the art area comes with 6 clear cups that can be used for paint or to provide storage for brushes, pencils, or other supplies. Provide children with a mess-free solution to paint and supply sharing with inset cups and rubber feet that prevent spilling or tipping. Entire cup spinner measures 10.6"L x 10.6"W x 4.4"H.

SENSE OF PLACE CIRCLE WOVEN MIRROR TRAYS – SET OF 3 – QTY 3 /

All Ages. Store and display loose parts in these handwoven Rattan Trays. Featuring removable acrylic mirrors, these trays can also be used as baskets and encourage exploration and interaction with objects from all angles. Clean with mild soap and water. Do not use cleaners, bleach, etc. Large- 12"L x 12"W x 3"H. Medium- 10"L x 10"W x 3"H. Small- 8"L x 8"W x 3"H.

MUSICAL WOODEN MARBLE TREE – QTY 2 /E

3 years & up. Invite children to experiment with sound using the Musical Wooden Marble Tree! Encourage children to hypothesize as they drop a marble at the top of the tree and listen to the beautiful, acoustic tones each branch produces. This musical toy enhances hand-eye coordination and fine motor skills as children grip each marble and visually track the path down the tree. Includes four glass marbles. Marble Tree measures 6.3"L x 6.3"W x 14.6"H.

WOODLAND TRAIL TREEHOUSE & WOODLAND TRAIL ACCESSORY SET – QTY 1 /

3 years and up. Make an imaginary forest with the Woodland Trail Treehouse & Woodland Trail Accessory Set. This fun playset places an entire ecosystem at children's disposal. Children can use the Woodland Trail Accessory Set to make a multilayered forest in the Treehouse, or they can use the Woodland Trail Accessory Set to create an expansive forest with trees, animals, toadstools, and more! No matter what, this set will cultivate creativity and inspire imagination.

EASY GRIP TEXTURE BALLS – SET OF 4 – QTY 1 /

Birth & up. Rubber balls with a honeycomb pattern surface which aids grip. Set includes one each of red, green, blue and yellow. Improves hand-eye coordination and ball skills. Supports collaborative and sensory play and development of gross motor skills. Ships deflated and includes inflation needle. Great for individual play or group activities. Each ball measures approximately 10" in diameter.

TODDLER CHARACTER TOOTHBRUSHES – SET OF 12 – QTY 4 /

2 years & up. Each character toothbrush features 24 tufts of soft nylon bristles and come in a variety of popular colors. Soft bristles remove plaque effectively, but are gentler on your child's delicate gums and teeth. The nylon bristles are highly polished and end rounded for a comfortable brush. Set of 12.

MANILA SENTENCE STRIPS – QTY 8 /

100 sentence strips for our pocket charts, 24"L x 3"W, 0.5" ruled.

ADJUSTABLE WOBBLE CHAIR 16.5" - 21.5" - BLACK – QTY 4 /

10 years & up. Transform a normal chair into a playground for your child's mind! Unlike regular chairs, the Adjustable Kore Wobble Chair forces your children's bodies to conform to a natural posture. The gently rounded bottom and flat seat allows one's knees, hips, and back to find a comfortable position to rest as the chair wobbles. The wobbling provides an outlet for restlessness and extra energy while doing homework, drawing, eating, and more. Chair adjusts to fit each child's height need. Great for children with ADD or ADHD. Height adjustment ranges from 15.5" to 21.5". Weight limit is 280 lbs.

CLASSIC CAROLINA CHAIRS 12" SET OF 2 – QTY 8 /

12 months - 8 years. Classic design meets classroom function in these ladder-backed solid wood chairs. Features reinforced front, side, and back leg braces for additional strength, plus angled legs to help prevent tipping. Curved backrest provides comfort while promoting good posture. UV protective finish helps prevent scratches and stains. Clean with mild soap and water. Do not use cleansers, bleach, etc.

WASHABLE WICKER BASKETS – SMALL SET OF 10 – QTY 1 /

Easily store essential classroom materials with these Washable Woven Plastic Wicker Basket with Hand Grips for Classroom Sorting and Organization. This set of woven plastic wicker baskets provides a convenient, aesthetically pleasing solution for classroom organization. Use these baskets for sorting by items, shapes, colors, and more. Fits some cubbies. Baskets are completely washable. Contents not included. Available individually in small, medium, shallow, or large, small set of 10 or small set of 20.
