Little Pavers Block Builders - 60 Pieces-QTY 1

Increase the authenticity of your child's open-ended building experience with these weighted Little Pavers - 60 piece set. Children 2 and up will incorporate these hexagonal miniature pavers into unique architectural builds while stacking, creating patterns and using natural, loose parts. The matte surface texture supports indoor and outdoor play. Set includes 10 double-sided concept cards that serve as creative inspiration to further the hands-on building experience. Use with Little Bricks for even more construction play opportunities. Natural, loose parts not included. One Little Paver measures 0.6"L x 1.35"W x 1.55"H.

Tabletop Notch Blocks – Western- 129 PCS-QTY 1

Children can experience Western-inspired architecture, indoors and outdoors, using the Notch Blocks Western set. Plastic, neutral-colored blocks feature notched parts that easily connect for strong, detailed builds. Using included ladders and bridge pieces, children can build different structures with varying elevated platforms and span natural elements. Set includes 10 double-sided build cards. Available in sets of 85 pieces or 129 pieces.

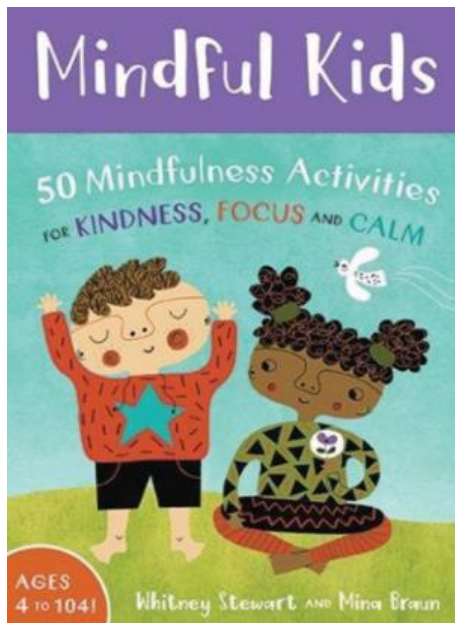

Giant Checkers Classic Game-QTY 2

With a durable fabric mat and premium quality game pieces, this is the perfect game to enjoy outside on a sunny day. Game mat measures 3'L x 3"W. Game pieces measure 2.75" diameter.

Mindful Kids: 50 Activities for Calm, Focus and Peace-QTY 1

Make any moment mindful from morning to night with five categories of cards, designed to fit into each part of the day. Whimsical full-color illustrations on both sides of the cards provide easy-to-follow steps for each practice. The cards and 8-page instructional booklet include tips for children of a wide range of abilities, making this deck an inclusive tool for nurturing inner peace and strength. Includes 50 double-sided cards and 8-page booklet. Cards measure 4.96" x 6.97".

Wooden Doors and Windows - 5 Piece Set- QTY 2

Add colorful wooden doors and windows to your block construction. Add windows that open and close, and a wooden door that swings on hinges to open and close. This colorful set is sized to standard unit block measurements. Includes 1 door and 4 windows. Window size is 5.5" H x 4" W x 1.25" thick.

Double-Sided Roadway System - 42 Piece Set-QTY 1

Enhance creative, loose parts play with this Double-Sided Roadway System. Children can use the varied sized and shapes to create countless roadway configurations. MDF laminate puzzle pieces feature screened details on both sides and are scaled to fit with Unit Blocks, increasing dramatic play opportunities. Set features 5 double-sided inspiration cards, providing examples of possible layouts and unique themes, furthering build opportunities. Set includes 42 roadway pieces. Additional blocks, cards and loose parts are not included.

Miniature Traffic Signs 7" High - 13 Pieces-QTY 1

It's never too late to teach your play cars the rules of the road! These miniature signs will decorate any road way. The signs also give caregivers a chance to educate children on signs they may see on their everyday drives. Familiar traffic signs crafted from select hardwoods. Great to use with transportation toys and imaginative block play. Includes 13 signs.

KEVA® Structures 200 Plank Set- QTY 1

Develop a knack to stack! No glue or connectors required -- simply stack wood planks to create buildings, monuments, and geometric forms. It's the ideal activity to help children gain an understanding of balance and proportion, as well as interest in architecture, building, and design. Set includes: 200 pine planks and an idea booklet.

Vinyl Dinosaurs - 11 Pieces-QTY 1

Watch your child immerse themselves in adventures and pretend play while creating a prehistoric world! This 11-piece Dinosaur set is made of heavy vinyl with realistic details and measure approximately 3 to 9 inches each, great for play and exploring. Various dinosaurs are included but not limited to the Triceratops, Stegosaurus, Allosaurus and more! 11 pieces.

Zoo Animals and Babies Mini Set - 24 Pieces- QTY 1

Children will love the small size and variety of animals. Perfect to use with unit blocks or small enough for table blocks. Animals range from 1.5" to 3".

Fold and Go Mini Barn-QTY 1

Young future farmers will enjoy down on the farm fun with this fully assembled, wooden barn. Two-story barn is stocked with seven realistic plastic farm animals, a wooden ladder and a folding corral. Chunky handles let you take this little bit of 'country' wherever you go. Fold-able wooden barn comes complete with seven farm animals, folding corral and ladder. 13.5"L x 10.5"W x 7"D.

Animals On the Farm Set - 12 Piece Set- QTY 1

A variety of vinyl farm animals found on the farm, great for pretend play! 12-piece set includes two hens, one rooster, two pigs, two cows, one donkey, one goat, one cat and two horses. The horse is the largest animal and measures 5.5"L x 4"H. Due to availability, animal styles may vary.

Branch Blocks - 36 Pieces- QTY 2

Give block play a natural feel with our Branch Blocks. The intact textured bark on each building piece adds sensory exploration mirroring the organic benefits of outdoor play. These blocks empower children to construct all sorts of structures and develop key STEM skills such as sorting and stacking. The blocks' nature-inspired design will also deepen children's appreciation of nature and may even make them feel like they are constructing their own habitats. Includes 36 wood pieces.

Reduce & Reuse Recycling Center- QTY 1

This wooden Reduce & Reuse Recycling Center provides a fun introduction that encourages building lifelong eco-friendly habits that contribute to being a responsible citizen. Gather up all your paper, plastic, metal, and compost tiles and sort the materials into the correct bin. Embark on a recycling adventure in the big green truck and collect materials to take to the recycling center. Pieces are made from solid cuts of natural wood finished with water-based safe paints. Included: Recycling Truck, 4 Recycle Bins, Recycling Center, and 16 Recycling Tiles.

Multi-Level Classroom Dollhouse- QTY 1/

Encourage children to engage in pretend play with this large-scale, Multi-Level Classroom Dollhouse. Constructed from a solid, easy-to-clean combination of birch plywood and birch solids, this beautiful addition to the dramatic play area inspires children to tell stories and use their imaginations. Window and door cutouts, stair details and an elevator allow children to play across each level. Combine with the Multi-Level Classroom Dollhouse Furniture Set (sold separately). Dollhouse measures 36.4"W x 46.1"H x 14.8"D.

Multi-Level Classroom Dollhouse Furniture Set- QTY 1/

Bring the Multi-Level Classroom Dollhouse to life with a perfectly coordinated set of beautiful and durable dollhouse furniture. Children will be inspired to engage in pretend play, filling the living room, bedroom, kitchen and bathroom with furniture pieces that remind them of home. Special details like cabinet handles, drawers and realistic looking kitchen appliances increase the possibilities for play. The wooden color of the pieces seamlessly fits with the aesthetic of a Multi-Level Dollhouse and leaves room for children's imaginations to soar.

Airplane & Luggage Set- QTY 1

Imaginations will soar in the sky or at the airport as this plane goes on many adventures. The wooden play set includes a plane loaded with four play figures and four color coordinated suitcases. 9 pieces. Airplane measures 4.25"H x 9.5"W x 3.75"D and figures measure 3"H x 1.125"W x .5"D.

School Bus Set- QTY 1

Just add a little imagination and going to or coming home from school, going on a field trip or to a sports event on this bus full of friends can become quite an adventure. Includes wooden bus with working stop sign and doors, bus driver, and six figures to fill up the seats! 8 pieces.

Move and Play Equipment Cart – Qty 1

Keep all of your sports equipment and materials for gross-motor activities organized and accessible with the Move and Play Equipment Cart. This durable cart features a powder-coated steel frame and locking casters for easy mobility. Easy-to-reach bins and side hooks allow for convenient accessibility. Equipment sold separately.

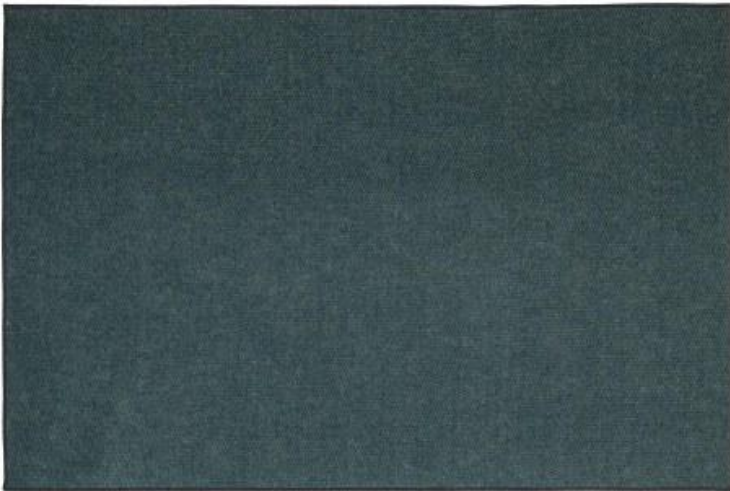

Physical Development Kit for Preschool – Qty 1

3 years & up. This hands-on exploratory Physical Development Kit taps into children's natural curiosity, resulting in a learning environment that is both fun and intentional. A wide range of tools and materials are offered in this kit to support and encourage children's gross motor skills and abilities.

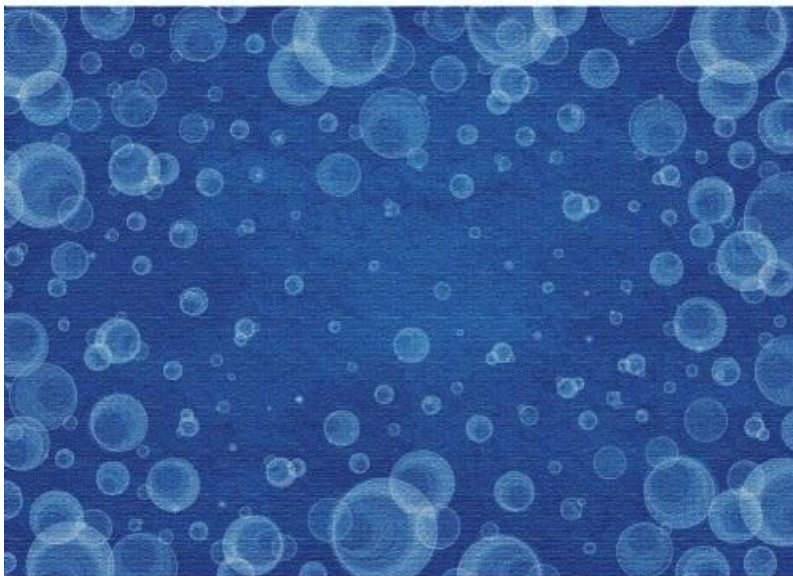

Peak Outdoor/Indoor Carpets – Qty 1

Designed for play in outside spaces, high traffic entryways, and messy inside places. The low-profile Outdoor/Indoor rugged ridges carpets are best for fast moving play and heavy foot traffic areas keeping dirt and dust from tracking inside while staying in place with a non-slip rubber backing solution. Easy to clean with shake off and hot water or low ph cleaning solutions. Made in the USA.

Cushy Tushy™ Bubbles Carpet - Blue – Rectangle – Qty 1

Children's play often occurs on the floor. These Cushy Tushy™ pillow crafted carpets offer a soft place for discovery and is a relief for a teacher's tired feet. Features: 100% made in the USA; antimicrobial treatment; treated with Scotchguard® protector for superior soil resistance; antistatic treatment to guard against shock; lifetime abrasive wear warranty, 3-month warranty on serging for manufacturer defects; bound and double stitched with nylon edge yarn for maximum strength and durability.

Parachutes – Qty 1

18 months & up. Parachute activities promote gross motor functions and imagination. The durable parachute is made of rip-stop nylon fabric, and sewn to last through the toughest play times. Each size includes storage bag. Available in 12' with 8 Handles, 20' with 16 Handles, 24' with 20 Handles, and 6' with 9 handles.

Teeter Popper Balance Board – Qty 1

3 years & up. Stand, sit, rock, wiggle, spin and pop as you wobble, tilt, and twirl! This fun activity toy pops like bubble wrap with each move. No special skills needed! In playful exploration, the Teeter Popper improves core strength, stability, leg strength, balance, coordination, and gross motor skills. Curiosity wakes up, senses come alive, imagination engages, and creativity gets moving! Keep your child active with hours of silly, giggling fun. Measures approximately 30" x 18" and features fourteen Squig-sized suction cups.

Teeter Popper Balance Board – Qty 1

3 years & up. Stand, sit, rock, wiggle, spin and pop as you wobble, tilt, and twirl! This fun activity toy pops like bubble wrap with each move. No special skills needed! In playful exploration, the Teeter Popper improves core strength, stability, leg strength, balance, coordination, and gross motor skills. Curiosity wakes up, senses come alive, imagination engages, and creativity gets moving! Keep your child active with hours of silly, giggling fun. Measures approximately 30" x 18" and features fourteen Squig-sized suction cups.

10" Flying Beanbags - Set of 6 – Qty 2

These lightweight beanbags easily soar through the sky, weighing only 1 pound each. The nylon fabric is soft and colorful, and each of the six beanbags are a length of 10 inches. Learn and practice throwing and catching skills with these beanbags. The shape of the bag is perfect for small hands to grasp and throw, strengthening fine motor skills and muscle tone. Includes 6 beanbags. Colors: Purple, Blue, Green, Yellow, Orange, Red.

Premium Solid Maple Dress-Up Center with 4 Baskets – Qty 1

Give your classroom a perfect dramatic play centerpiece with the Premium Solid Maple Dress-Up Center. The center's mirror enables children to see how they look before they enter imaginary worlds, and its hooks provide a place to store their collection of outfits and costumes. The center also includes 4 woven baskets for additional storage of smaller items. Measures 42"W x 42"H x 16"D. Contents not included.

Air Toobz Classroom Set Quantity 1

Foster experimentation, problem solving, and other STEM-related concepts through captivating play with the Air Toobz Classroom Set. Using a child-safe turbine, Air Toobz send foam balls flying through a network of modular tubes and up into the air. The set offers continual opportunities for customization with adjustable airflows that create different speeds and interchangeable parts that you can arrange in many different ways. Create loops and swirls, or weave them under tables and over desks. What cool design can you come up with next?

Unit Block Marble Run – 40 piece set Quantity 1

Children can begin early exploration of physics, STEM lessons, and architectural design using the Unit Block Marble Run 40 piece set. Rubberwood blocks feature drops, bumps and routed paths that allow for multiple building opportunities. Ten double-sided concept cards provide building inspiration for different block arrangements as well as corresponding lessons related to physics theories. Set includes 4 starter acrylic marbles and 36 block pieces scaled to unit block proportions allowing for multiple run path possibilities. Measures 17.9" x 2.75" x 11".

Mobile Rectangle Makerspace Table Quantity 1

Create a collaborative workspace that welcomes innovation, exploration and organization using this all-in-one table and storage system. A solid rubberwood tabletop, locking casters, and attached storage bins combine to make the perfect work area for STEM activities, building activities, group learning and more! Measures 48"W x 30"D with an adjustable height from 24" -30".

Butterfly Woven Tapestry Quantity 1

Decorate your classroom or learning center with a beautiful, high-quality tapestry. Nature-inspired images are screen printed and embroidered across the fabric, adding visual interest to the walls of your space. Hand-knotted tassels and different textures intrigue young children while the simple illustrations are easy to comprehend. Tapestry comes complete with inset wooden dowel and string for easy mounting. Measures 28.5" x 15.7".

Turtle Woven Tapestry Quantity 1

Decorate your classroom or learning center with a beautiful, high-quality tapestry. Nature-inspired images are screen printed and embroidered across the fabric, adding visual interest to the walls of your space. Hand-knotted tassels and different textures intrigue young children while the simple illustrations are easy to comprehend. Tapestry comes complete with inset wooden dowel and string for easy mounting. Measures 26.5" x 15.5".

Frog Woven Tapestry

Quantity 1

Frog Woven Tapestry

Decorate your classroom or learning center with a beautiful, high-quality tapestry. Nature-inspired images are screen printed and embroidered across the fabric, adding visual interest to the walls of your space. Hand-knotted tassels and different textures intrigue young children while the simple illustrations are easy to comprehend. Tapestry comes complete with inset wooden dowel and string for easy mounting. Measures 27.5" x 15.7".

Bird Woven Tapestry

Quantity 1

Decorate your classroom or learning center with a beautiful, high-quality tapestry. Nature-inspired images are screen printed and embroidered across the fabric, adding visual interest to the walls of your space. Hand-knotted tassels and different textures intrigue young children while the simple illustrations are easy to comprehend. Tapestry comes complete with inset wooden dowel and string for easy mounting.

Weather Giclee Classroom Wall Print Quantity 1

Decorate your classroom or learning center with beautiful, high-quality giclee prints. One benefit of pictures of weather types is that they help children develop an understanding of different weather patterns and conditions. By visually recognizing various weather types, such as sunny, rainy, snowy, or cloudy, children can better grasp how weather affects their environment. Vivid and realistic imagery adds a visual element to lessons that is easy for little ones to comprehend. Each canvas print measures 18" x 24" and is complete with sawtooth hooks for easy mounting.

Seasons of Trees Giclee Classroom Wall Print Quantity 1

Decorate your classroom or learning center with beautiful, high-quality giclee prints. These shade or deciduous trees are trees that shed their leaves for a part of every year and remain bare until they grow new leaves each spring. One of the spectacular things about shade trees is the wide array of colors that their leaves feature before they are shed. This giclee has pictures of the four seasons each tree experiences. Vivid and realistic imagery adds a visual element to lessons that is easy for little ones to comprehend. Each canvas print measures 18" x 24" and is complete with sawtooth hooks for easy mounting.

Deciduous Leaves Giclee Classroom Wall Print

Quantity 1

Decorate your classroom or learning center with beautiful, high-quality giclee prints. One benefit of pictures of deciduous leaves is that they help children learn to recognize and identify seasonal changes in nature. These images illustrate the variety of shapes and colors associated with deciduous trees, particularly during autumn. Vivid and realistic imagery adds a visual element to lessons that is easy for little ones to comprehend. Each canvas print measures 18" x 24" and is complete with sawtooth hooks for easy mounting.

Wooden ABC 123 Stamp Set Quantity 1

Contains 71 stamps in uppercase and lowercase letters, numbers, symbols, punctuation marks, and a 4-color stamp pad. Activity pad also included. Features: deluxe wooden letter and number stamp set with 25 stamp-and-learn activity book; includes 71 wooden-handled upper- and lowercase letters, numbers, symbols, and punctuation stamps, four-color washable ink stamp pad, great for creating personalized cards, art projects, book covers, and more; encourages fine motor skills, language and number skills, and problem solving skills; illustrated 8.5" x 11.5" activity pad includes 25 pages of stamp-and-learn reading, writing, and beginning math skills games and activities.

Folding Rest Mat Storage Quantity 2

This mat storage center includes four fixed shelves and eight adjustable shelves to conveniently house up to twelve 2" mats. Shelves are easily added or removed. Up to twenty-four 1" mats can be housed with the purchase of additional shelf packs. (item # WD50406). Rolls smoothly on four swivel casters for easy transport and storage. All surfaces and back are 100% Healthy Kids™ Plywood with the exclusive Tuff-Gloss™ UV finish. Dimensions: 49"H x 53"W x 18"D

A DAY AT THE FARM PUZZLE- 24 PIECES- QTY 1-

Ready for a day on the farm? A tractor, lots animals and fun details await your child for an entertaining activity! Find the farm animals in this 24-piece cardboard puzzle. The pieces are suitable for the hands of children from 3 years old, for easy handling! A fun way to develop young children's memory and dexterity. This puzzle comes with a poster as a template, so you can put the puzzle together at your own pace!

BUG-TASTIC MEMORY MATCH GAME-QTY 1-

Logic and reasoning skills are sure to be improved as children play the Bug-Tastic memory game. This set of memory cards contains a mixture of bugs and insects which will spark their interest and discussions about bugs and insects.

PLASTIC GEOBOARDS-SET OF 10- QTY- 2-

Stretch your imagination and creativity through geometry! Create simple shapes and intricate designs with straight and diagonal lines using these engaging Geoboards. The durable, plastic boards feature a 5" x 5" grid with knobbed pegs that secure the colorful rubber bands in place. Learn about shapes and geometric concepts including symmetry, congruency, area, perimeter, coordinates, and spatial relationships through engaging, hands-on exploration. Geoboard measures 7.25" x 7.25". Included: 10 Geoboards with rubber bands.

EXPRESS YOUR FEELINGS POCKET CHART – QTY 1-

This pocket chart offers a safe, easy way for children to identify and share their emotions. Children can choose to share emotions with everyone by displaying their craft stick under an emotion, or flip over the stick to keep feelings private. Set includes enough supplies for a classroom - a polyester pocket chart, activity guide, 17 feelings cards, 5 blank cards, 5 organization cards and 30 people shape craft sticks for children to personalize

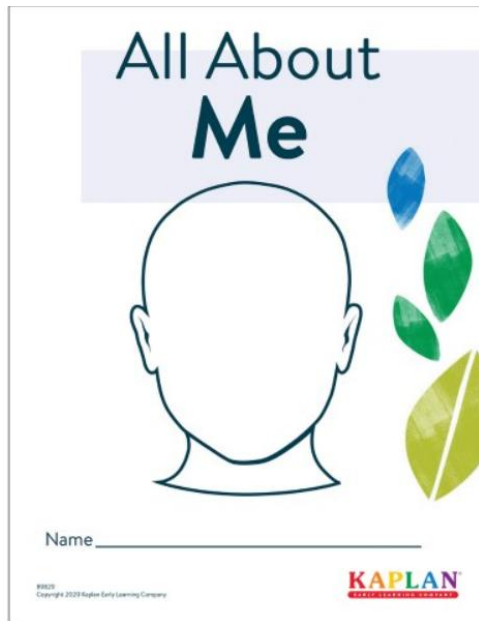

SELF-CALMING CARDS -QTY 1-

This set of 24 cards are a fun way to teach kids what to do when they're angry, anxious, or frustrated. Each of the 24 illustrated cards describes how to soothe using a different method: physical, auditory/verbal, visual, creative, self-nurturing, and humor. Other cards are provided and show step-by-step instructions for games and activities to use with the calming cards. Written in both English and Spanish, these cards and the accompanying instruction sheet explain how therapists, teachers, and parents can introduce the cards and the concept of self-calming. Each calming method includes suggested activities for a range of ages, from toddler to adult.

ALL ABOUT ME JOURNALS-SET OF 10-QTY 4-

Invite children to tell their story in their own individualized book with these journals for children. The 8.5" x 11" journals serve as wonderful self-discovery tools and provide a template for children to create their own self-portrait along with 8 writing prompts for kids to help them draw/write their own story. Set of 10. Great for back to school!

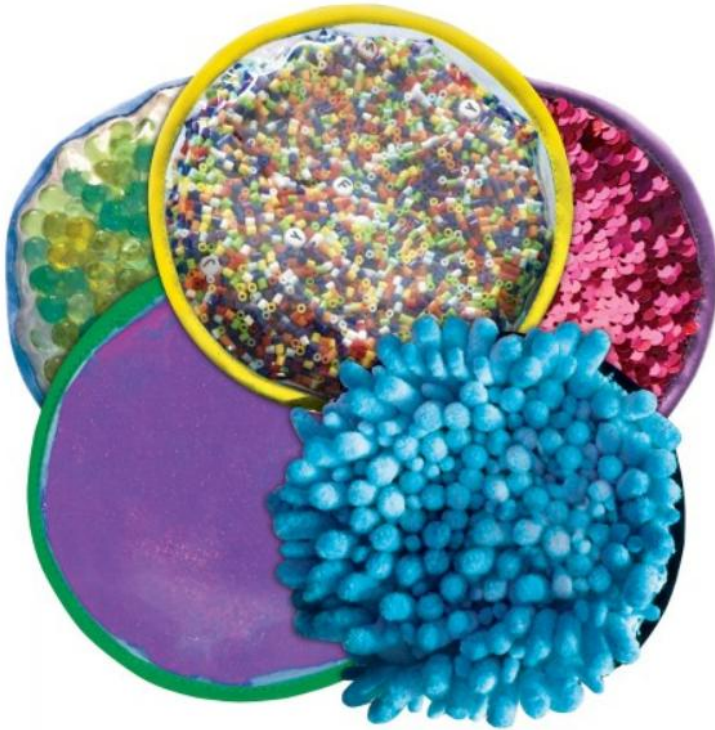

CHILDREN'S SENSORY FIDGET TOYS -QTY 2-

Provide sensory motor stimulation and an opportunity to help children manage emotions, develop calming techniques for their mind and body, reduce anxiety and stressors. The items in the kit allow children to work and play independently and become resilient when met with a challenge. Good for sensory integration and behavior modification plans.

SENSORY DISCS-SET OF 5-QTY 2-

These sensory discs offer early learners, or those with special needs, captivating visual and soothing tactile sensory experiences! Give your learning spaces a new life with these sensory stimulates.

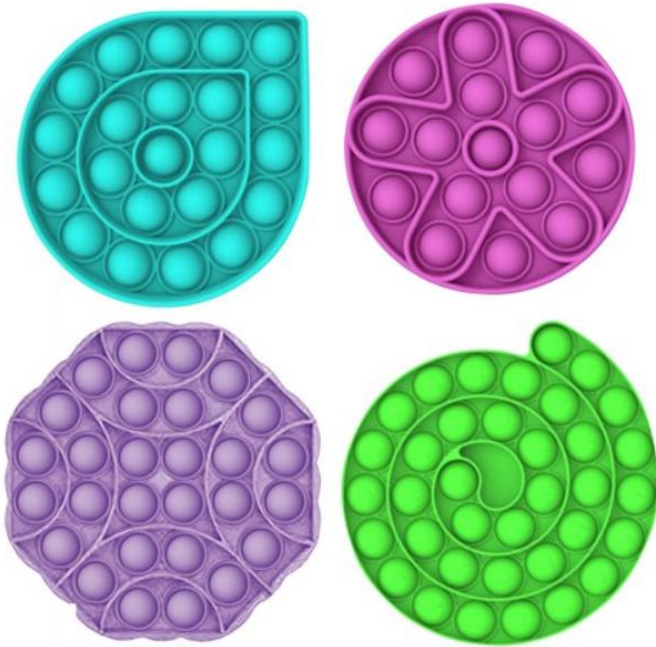

SENSORY GLITTER AND SPARKLE STORM SET -SET OF 3- QTY 2-

Your children will be amazed as they shake and watch this Sensory Glitter and Sparkle Storm Set. Turn them over to observe the sensory glitter storm. This set provides a great calming activity for children as they watch the swirls of glitter move up and down the large glass cylinders. This activity promotes mindfulness, color recognition, and curiosity. Encourage children to identify the colors they see in the cylinders. This includes three cylinders containing gold, silver, and blue glitter in clear liquid. Each tube measures 5.5"L and 2" in diameter

SENSORY FIDGET POPPERS -QTY 2-

Silicone sensory fidget poppers help kinesthetic learners focus their attention and are a fun way for all children to develop fine motor skills or relieve anxiety. Bubbles are easily pushed along rows or curves on each side of shapes. Easy to wipe clean. Shapes and colors will vary. Fidgets are approximately 4.5"-5" each. Available in sets of 4 or 8.

DRAMATIC PLAY STAINLESS STEEL KITCHEN SET WITH UTENSILS – SET OF 12- QTY 2-

Bring on the cooking! The perfect addition for all classroom dramatic play kitchens and outdoor mud kitchens. Beautiful cooking set made of robust stainless steel with true-to-detail design for more role-play fun. Features 12 pieces: large mixing bowl, skillet, wok, strainer, colander, stock pot with lid, pitcher, and 5 cooking utensils.

CAREER DRAMATIC PLAY DRESS-UP – QTY 1

Inspire children to explore a variety of careers with these five career garments. Features hook-and-loop closures for easy dress up. Accessories and hats are included for all garments with the exception of the astronaut garment. 100% polyester. Soft, machine-washable fabric. Designed to fit most sizes. Available individually or in a set of five.

CAREER DRAMATIC PLAY DRESS-UP -QTY 1

Children can use these familiar career garments in role play to explore what they want to be when they grow up. Add additional props, books, and pictures to dramatic play, so children can learn more about the responsibilities of these rewarding careers. 100% polyester. Soft, machine-washable fabric. Designed to fit most sizes. Available individually or in a set of five.

“13 MULTIETHNIC DOLLS -QTY 1-

Emphasize the beauty found in cultural differences with these adorable, multi-ethnic dolls. Each doll features a warm smile, poseable head and limbs, and gorgeous securely rooted hair. Outfits and shoes are culturally accurate and are easy to take on and off. Dolls are made of non-toxic vinyl that wipes clean with a damp cloth. Clothes may vary. Available individually or in a set of 8. Eye color may vary

ABACUS COUNTING TOOL -QTY 1-

Who knew learning to count could be so colorful! Ten colorful beads slide on ten metal rods in a plastic frame. The perfect math tool to develop number concepts and computation skills. Great for at home learning and classroom learning, users are able to visualize counting, addition, and subtraction concepts. Beads are secure on their rods, ensuring no loose pieces.

DINOSAUR COUNTERS – 60 PIECES-QTY 1-

Make learning to count an exciting prehistoric adventure with these colorful Dinosaur Counters. Your little paleontologist will love sorting these little dinosaur models into groups of similar colors and patterns and then counting how many are in each one. Promotes the development of number and quantity relationships, patterning, and counting and sorting. Size: Biggest Dinosaur measures 2" x 2". Included: 60 Realistically-detailed toy dinosaurs (6 of each type), Storage bucket.

GOOBI CONSTRUCTION SET- QTY 1-

This magnetic construction set allows children to explore magnetism safety and learn about its attractive and repulsive properties. By incorporating the unique Goobi® tripod design, this construction set enables young builders to create rigid cubical structures with more design possibilities! A valuable STEM learning resource. Introduces children to magnetism, structures, geometry, physics, architecture, and engineering. Improves children's fine motor skills, hand-eye coordination, and problem solving skills. Comes in seven assorted colors: red, orange, yellow, lime, green, blue, and purple. Goobi® Construction Set (110 Pieces) includes: 56 Magnetic bars (2.36" each), 33 Iron balls, 21 Tripods, and a Design booklet. Goobi® Construction Class Pack (180 Pieces) includes: 84 Magnetic bars (2.36" each), 61 Iron balls, 35 Tripods, Design booklet, and a Plastic storage case,

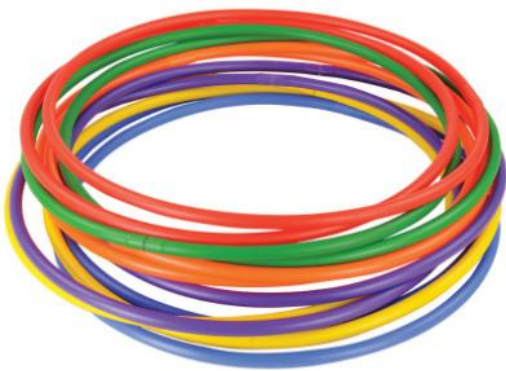

LEGO CLASSIC LARGE BRICK BOX-10698-QTY1-

Build up a storm with this big box of classic LEGO® bricks in 33 different colors. With lots of different windows and doors, along with other special pieces to inspire you, you can really run with your imagination. With some ideas to get you started, this set provides the perfect creative toolkit for budding builders of all ages to enjoy some classic LEGO® constructions. It comes in a convenient plastic storage box. This classic brick box offers so many unique ways of building! Create a castle, animals, vehicles, and more! This set encourages dramatic play and creativity. 790 pieces.

Gross Motor Hoops Set of 12-QTY 1

Get children moving with Gross Motor Hoops. These hoops have all sorts of developmental potential. Children can strengthen their gross-motor skills by using them as hula hoops or tossing them over cones, while teachers can strengthen children's hand-eye coordination by making the hoops targets or placing them in an obstacle course. The possibilities are endless!

8' Speed Jump and Activity Ropes - Set of 6- QTY 1

These durable ropes swing freely and simple hardware in the molded plastic handles prevents twisting! Set of 6 includes red, orange, yellow, green, blue, and purple ropes with yellow handles.

Kanoodle Puzzles-QTY 2/

Stretch your brain in hundreds of ways with this collection of Kanoodle puzzles. Each puzzle begins with an arrangement of pieces on the board and requires you to fill in the remaining space with the remaining pieces. The collection has 200 puzzles in both 2-D and 3-D varieties, so how many can you get?

Sea Turtle Floor Puzzle - 100 Piece- QTY 1

Everyone will enjoy doing this brightly colored ocean themed puzzle. 100 pieces.

Jenga-QTY 1

Construct a tower with 54 blocks, remove one block at a time and stack it on top. The last player to stack a block on top without making the tower fall is the winner! The suspense builds and the tower keeps getting taller. 1 or more players.

Kinetic Domino Toppling Kit - 204 Pieces-QTY 1

This kit is full of fun and STEM learning! Build your own domino stack, chain reaction or run. The dominoes are built to pro-scale so they are balanced for perfect building and toppling. The rapid tracks, spinners and templates help you design anything you can imagine such as stunts, tricks or cool designs. The possibilities are endless! Kit includes 180 kinetic dominoes, 5 rapid tracks, 1 staircase bridge, 1 speed template, 2 straight tracks, 12 domino arcs and 3 spinners. Non-toxic materials.

Crocodile Hop™ Floor Game-QTY 1

Engage minds and muscles! Hop down the river or use animal markers to learn colors, shapes, numbers and counting (1-10), problem solving and how to follow simple directions. For individual, small-group or whole-class play. Includes colorful vinyl floor mat (100"L x 30"W), 2 inflatable cubes (5"), 40 animal markers and Activity Guide.

Colorful Magnetic Tiles Ball Run - 106 Pieces-QTY 1

Support STEM learning through play while exploring gravity and motion with the Colorful Magnetic Tiles Ball Run! Along with Connetix's classic ball run pieces, this 106-piece set features connector tiles in 8 different earthy colors and matching wooden balls. The size and scope of this set unlock endless design possibilities, from sensory runs to sorting tubes to mazes and much more. Set contains 48 colorful connecting squares with a unique bevel design, 8 wooden balls, and 50 ball run tubes with various designs.

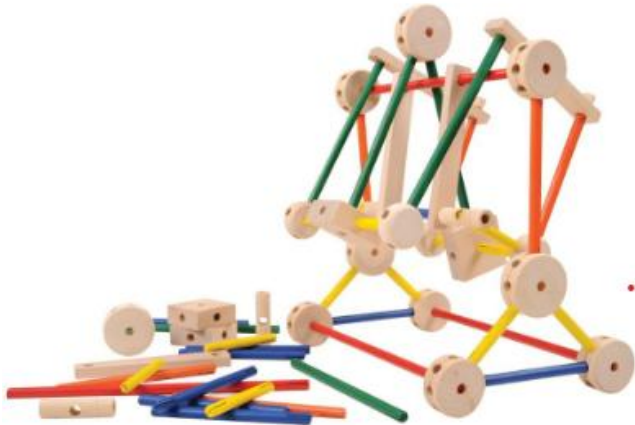

Connections Pentagon Play System- QTY 1

Thanks to the thoughtful integration of a multi-sensory approach, the Connections Pentagon Play System is an engaging toy that can be used and enjoyed by children with various strengths and diverse abilities. This open-ended and accessible toy system creates a personalized learning experience that adapts to each child's unique needs and emphasizes inclusivity. Set includes 18 small pentagon pieces, 18 large pentagon pieces, 55 various clips, 40 nut and bolt connector pieces, and 30 strings that encourage building, tactile exploration, and abstract thinking, as well as the development and strengthening of physical dexterity, fine motor skills, and problem-solving skills. Encourage children to creatively express their ideas and build confidence in their thinking through hands-on play. Includes mesh bag for convenient storage.

Makit Woodbuilders - 70 Pieces- QTY 1

This 70 piece set includes large easy to manipulate pieces made of smooth sanded hardwood. Full of multi-colored pieces including connector rods and circles. This engaging kit lets your little one be the inventor for hours of fun. Set comes in a sturdy, storage container. Longest rod is 4.5" long.

LEGO® Classic Creative Vehicles – 11036- QTY 1

Young vehicle lovers can build and customize their own vehicles with the LEGO® Classic Creative Vehicles set! Use the easy-to-follow instructions to build a police car, ice-cream truck, ATV, front loader, truck, limo, off-roader, and station wagon. An inspiration guide is also included with 10 imaginative ideas to encourage children to try out their own builds with different designs, cool details, and colorful decorations. Set features 900 pieces, including 52 wheels. The limo model measures over 3.5" L.

Magnetic Match Rings- QTY 2

Learn about magnetism, develop visual matching skills, and improve eye-hand coordination. Each ring is magnetic -- one side positive and the other negative. When the rings are stacked, they either attract the next ring and pull them together, or repel it and cause it to float. Includes 40 pattern match challenges, 10 magnetic rings, a stand, and a storage bag.

Let's See Nature Assorted Loose Parts-QTY 1

Enhance your science center with this set of 16 natural assorted loose parts. Pieces vary in size, shape, color and texture allowing children to explore them using different senses. See what makes each piece unique by using magnifying glasses and microscopes to get an up close look. Pieces in the set may vary.

Organic Textures Discovery Set - 22 Pieces- QTY 1

Inspire in-depth scientific exploration with the Organic Textures Discovery Set. Featuring 22 authentic plastic replicas of seeds, shells, coral, fossils, and more, this set enables children to examine the objects and textures of the natural world in any environment - whether that be in the classroom or outside in substances such as sand, water, and dirt.

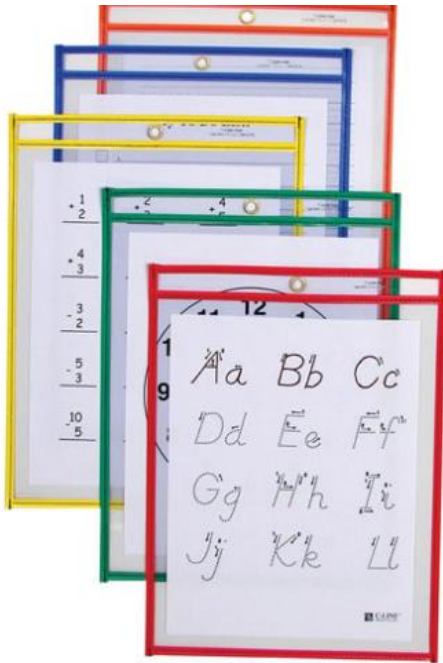

Practice Handwriting Paper - 500 Sheet Reams- QTY 1

Inspire future painters with this set of 16 Color Washable Watercolor Paint Trays. These are great for promoting creativity, fine motor skills, and hand-eye coordination. Encourage children to identify the different colors as they use them to create a unique masterpiece. Plastic trays give each child their own washable semi-moist color palette. This set includes 12 trays of 16 watercolor paints.

Watercolor Brush Set OF 36-QTY 1

Great for inspiring young artists! All natural, camel hair bristle watercolor brushes with clean lacquered wooden handles and seamless ferrules. Size 9 watercolor brushes are available in sets of 18 and 36.

Watercolor Paper 9" X 12"-QTY 2

Use this durable paper for wet and mixed media techniques for your heavy duty art projects. These 50 sheets of paper provide children with a lot of space to mix, splatter, and create. This paper can withstand watercolor, glue, glitter, crayons, markers, and more! This watercolor paper promotes fine motor skills, creativity, imagination, and color recognition. Available in 9"L x 12"W or 12"L x 18"W.

Non-Spill Paint Pots & Brushes Set-QTY 1

Ten 3.5" non-spill pots have inner safety lid, brush rest, and colored caps with matching color brush handles. Cap colors include red, green, black, white, yellow, dark blue, orange, purple, brown, and light blue. Each paint cup has two lids: an inner lid with tapered hole to dip a brush and reduce spilling, and an outer, color-coded air-tight cap to keep paint fresh between art sessions. Paint not included.

Washable Fine Tip Marker Class Pack - 200 Per Box- QTY 1

Creating just became more fun with these bright colored Washable Fine Tip Marker Class Pack for Arts and Crafts! These markers are a great addition to any classroom art materials. The fine tip markers wash easily from skin and most fabrics, inviting creativity from users and reducing clean-up. This set of long-lasting tapered tip markers encourages creativity, color recognition, and fine motor skills. Encourage children to identify the color of the markers as they draw. Corrugated storage box contains 200 markers, in sets of 8 colors: red, yellow, blue, green, brown, black, orange and purple.

Crayola® Air Dry Clay Value Pack - 25 pounds-QTY 1

Use this soft air-dry clay for making solid, durable projects without the need for baking in oven or firing in a kiln. Softens easily with water and quickly cleans from hands and surfaces. Stamp impressions, make beads or use with any traditional techniques such as pinch, coil, slab, or score-and-weld. When dry, the clay can be painted with tempera, acrylic or watercolors. Clay dries to the touch in 24 hours, and is completely dry in 72 hours. The 25 lb. value pack is economical and convenient for classrooms and group activities. Made in the USA.

Kid's Stanley Toolbox with 5-Piece Tool Set-QTY 2

Specially designed tools to fit a child's grip, this set of carpentry tools includes all the tools necessary to build simple creations to more complex projects. Tools are sharp and require adult supervision. Use this opportunity to share tool safety and carpentry knowledge while building teamwork and learning together. Includes: toolbox, safety goggles, 10' tape measure, phillips and flat head screwdrivers, and 6.5" hammer.

Seedling Pot Maker-QTY 4

Recycle old newspaper into perfect seedling pots. Simply wrap newspaper around the wooden cylinder, tuck the excess paper under, and press into the base to secure. You are now ready to fill the pot with soil and plant your seeds. When the seedling is ready for transplanting, plant in the garden, newspaper pot and all! Made in the USA.

Growing Flowers and Plants Classroom Kits-QTY 2

Growing Classroom Kits come with everything you need for 18 plants. Each kit includes biodegradable pots, germination bags, 2 compressed peat discs, 3 seed packs, and a growing and experiment guide. The Flowers Kit grows Evening Primrose, Dwarf Sunflowers, and Dwarf French Marigolds. The Vegetables Kit grows Green Beans, Sweet Peppers, and Grape Tomatoes.

Lemonade Stand Set-QTY 2

Lemonade stand toys are a great way for kids to engage in open-ended dramatic play. They permit children to use their imaginations and creativity to generate their own lemonade recipes, establish

pricing, and interact with customers. This high-quality set includes a pitcher, 2 lemon halves, 3 lemon slices, 3 stir sticks, 3 glasses, 3 plastic "ice" cubes, a wooden pretend knife, play money, and a storage crate.

Home on the Range Camping Set-QTY 1

Go camping without leaving the classroom! This Home on the Range Camping Set takes children to a place in the great outdoors where they can build a fire, roast hot dogs, or even chop wood. The set also comes with a cooking pot where children can prepare delicious fish and corn on the cob. The play experiences that this set provides will help children develop a deep appreciation for nature.

Teapot and Cups Set-QTY 2

Children can host a tea party of their very own with a beautiful, easy-to-clean Teapot and Cups Set. Complete with a teapot, creamer, sugar bowl with lid and two teacups, this set encourages collaborative pretend play. Made from Poly+, a composite material made from 30% less plastic, this set is durable enough for indoor or outdoor use. Teapot measures 3.5" x 3.5" x 3.7", making it ideal for little hands.

SUPER DUPER 4-KID PLAY TENT II – QTY 1 –

There are limitless possibilities for every little adventurer's imagination! Big enough to fit two adults and three kids, this tent was designed especially large for added play value. This tent features a full mesh top for extra ventilation and viewing, a Velcro® front door closure, and two 19" tunnel ports with roll down flaps (tunnels sold separately). This tent is made to be "kid tough" with a water-proof floor and a patented G-3 shock-corded fiberglass PU coated pole system. Includes carrying bag for storage and portability. For indoor and outdoor use. Measures 58" x 58" x 46".

FOLD AND GO WOODEN DOLLHOUSE – QTY 1

Take pretend play on the road with this delightful Fold & Go Wooden Dollhouse! Made from the highest quality materials, this dollhouse is designed to be durable and portable. Dollhouse opens for easy access and folds closed for convenient storage. Includes two play figures and eleven pieces of wooden furniture. Measures 10.63"H x 13.13"W x 6.13"D.

WOODEN DOLL WELLNESS KIT – FEEDING AND FIRST AID – QTY 1

This Wooden Doll Wellness Kit - Feeding & First Aid allows young children to engage in imaginative play while providing full care for their dolls. Kids can serve a meal using the included plate, bowl, and utensils, or groom their dolls with the comb and brush. Aspiring doctors can also perform check-ups and care for their dolls with the 10-piece accessory set which includes; a blood pressure monitor, stethoscope, reflex hammer, and more! The kit includes a fabric carry case and bag, and all accessories are crafted from solid hardwood. In total, the set includes 20 pieces.

MY ICE CREAM SHOP PLAYSET – QTY 1 –

Make sweet treats for all your friends with the My Ice Cream Shop Playset! This kit comes with everything little children need to prepare delicious desserts, including ice cream cones, ice cream scoops, and cookies. Children develop fine motor skills as they scoop and serve, practice early math concepts like counting and sorting, and enhance their social skills through role-playing scenarios like sharing, taking turns, and engaging in imaginative conversations. This playset offers a wealth of dramatic play possibilities as children step into the world of someone preparing desserts.

COMMUNITY HELPER HAT COLLECTION – SET OF 8 – QTY 1

Switch careers at the drop of a hat with the Community Helper Hat Collection. Children act out their future careers with 8 soft fabric hats that represent a pilot, police officer, chef, safari guide, race car driver, astronaut, mail carrier, and firefighter. Each hat has unique details inspired by their real-life counterparts. Machine washable.

BENDI BEADS – NATURAL – SET OF 12 – QTY 1 –

Children can create linear, geometric and 3D builds using the uniquely flexible BendiBeads. Elastic strands can be twisted, connected, stretched and manipulated during hands-on play. Made from durable Poly+ material, each strand is designed to withstand continued use during indoor and outdoor play activities. Set includes 12 strands, each measuring 1" Diameter x 8"L and 10 double-sided cards with example builds.

CHILD SIZE MOOD WRIST BANDS – SET OF 3 – QTY 2 –

Use this pack of self-assessment bands to help children communicate their understanding of a topic or feelings directly, visually, and confidentially to the teacher. Made out of dual layered silicone, with debossed lettering on both sides. Measures 7" x 0.5".

NEEDOH FUN FUN SENSORY PACK 6 PIECES – QTY 1 –

The NeeDoh® Fun Sensory Pack will help children stay focused in class, calm down in a quiet center, or just have fun! The items in this set are explicitly designed to provide sensory outputs that reduce children's anxiety and stress. The Happy Snappy Ball has bubbles on the exterior that press in when children poke them and pop out when children squeeze the ball. The Nice Cube feels soft when slowly squished and firm when quickly squished and returns to its original shape. Finally, the textured Gumdrop has a firm filling that makes for a satisfying squish. The pack comes with two pieces of each item. Item colors may vary.

BUBBLEBLOOM MINI SENSORY LAMP – QTY 1 –

Calm and captivate children with the Bubblebloom Mini Sensory Lamp! The lamp's pump motor and LED lights create an enchanting visual of colors, bubbles, and fish that promotes concentration and creates a calming ambiance that brings relaxation. This sensory lamp simulates a lifelike underwater environment that serves as a calming visual aid, helping alleviate stress and anxiety. This lamp provides soothing sounds and sights. Water will need to be added, directions included.

CONVERSATION CUBES – QTY 1 –

Spark discussions on the first day and beyond. Colorful cubes feature 36 engaging questions about student experiences and perspectives, including: What are you most proud of? Who is the bravest person you know? and What foods do you like? Use in presenting character development activities; brainstorming before writing; and building oral language, social, and listening skills. Also supports fluency in ELLs and students with speech impairments. Includes activity guide. Soft foam cubes measure 1.625". Set of six.

THEO THE THERAPY DOG – QTY 2 –

Meet Theo the Therapy Dog! This fuzzy lapdog is specially designed to function as a comforting companion. With a slightly heavy weight of 2.5 pounds, this cuddly friend can provide a sense of security to children with sensory input needs. Theo's soft, floppy body can lie across your lap or shoulders, and even sit-up beside you. He's just the right size for carrying along to any environment that can raise stress levels. His warm, heavy body feels lifelike, which can help to relieve stress and sharpen focus. The beads, fur, paw-pads, ears, eyes and nose all provide unique textures for tactile exploration. The hook and loop pocket in his tummy holds a pouch of ceramic beads that emits a gentle lavender aroma. Remove the pouch to heat in the microwave, or chill in the refrigerator.

SOFT AND FLEXIBLE WOBBLE SEAT – QTY 2 –

The Soft & Flexible Wobble Seat allows children to move while sitting, releasing pent-up fidgety energy, enabling them to focus in the classroom and at homework time. Kids can rock back and forth, and all around, as the continuous movement increases blood flow to the brain, improving concentration. The Soft & Flexible Wobble Seat provides a quiet outlet for excess energy without distracting other students. Includes a pump so firmness can be customized exactly to each child's needs. Comfortable heavy-duty vinyl seat is easy to wipe clean. For use on hard surfaces and carpets. Wobble Seat measures 14.2"L x 14.2"W x 11.4"H and holds a maximum weight of 500 lbs.

7" SILICONE MINI TONGS – SET OF 2 QTY 1 –

Sized right for children to use during family dining. The spoon area of the tongs are silicone coated for easy grasping. Dishwasher safe. Set of 2. BPA-free.

EASY POUR PITCHERS SET OF 6 – QTY 1 –

Pouring made easy during family style dining or during snack time. These easy-to-pour 16 ounce pitchers feature snap on lids, splash free spouts, removable covers, and are sized right for little hands. Dishwasher safe. 6.5" tall. Set of 6.

ULTRA CLEAR OUTLET COVERS PLUGS – QTY 2 –

Increase your child safety with this set of durable Ultra Clear Outlet Cover Plugs for Child Care Safety. For total outlet protection, these child care safety aids cover an outlet with clear plug covers. Teachers and other adults can access the electric outlets, but children will be kept out. This set of covers also prevents children from poking inside the outlets. 12 pack.

SIDE BY SIDE CABINET LOCK SET OF 2 – QTY 3 –

Keep cabinets off limits to small children with this easy-to-use, spring loaded cabinet lock. Prominent decoy button can be pushed by child, with no effect. Easy installation with no drilling required, fits on both cabinet knobs and handle pulls and hangs conveniently out of the way for times when it's not needed. Adjusts to fit cabinets with hardware from 3" up to 8" apart. Set of 2.

FIRST AID FANNY PACK 48 PIECES – QTY 1

The convenience of having first aid supplies at your side. The fanny pack includes 10 alcohol pads, 16 - 1"x3" bandages, 2 pair of latex gloves, 10 sting relief pads, 6 - 2" x 3" elbow/knee bandages, instant cold pack and first aid guide. Great for field trips and outdoor playgrounds. Measures 10" x 6" x 4". Made in the USA.

BOO BOO BUDDY BUGS – QTY 1 –

Bumps and bruises happen. Children forget the pain with a Boo Boo Buddy®. Cute bug designs entertain, while the cool gel works to heal. Set of 3.

LEGO CLASSIC GREEN BASEPLATE – QTY 4 –

The LEGO® Classic Green Baseplate is a great foundation for creative play! This 32 x 32 stud baseplate provides an open landscape for all kinds of LEGO® creations! Sturdy and durable, 1,024 aligned studs provide builders with a firm and durable grip for their LEGO® building bricks. When the building stops, the sturdy-grip surface gives kids a secure way to transport and display their cool creations. Kids can build whatever they imagine, from gardens and forests, to alien landscapes. Baseplate measures 10" x 10". Bricks not included.

STEM BUILDERS SERIES BUILD AN ANIMAL – QTY 1

Over 300 pieces contribute to this kit's endless building possibilities. An assortment of activity card(s) illustrate possible animal and pattern configurations and encourage children to design their own creations.

SINK OR FLOAT STEM ACTIVITY SET – QTY 1

Set sail with real STEM learning! Young learners can dive into early physics in a fun, colorful way with this two-piece submarine and floating raft along with weights, balls, and stars to bring investigations to life. This set also features 10 detailed Activity Cards (with over 20 engaging, high-impact activities) that cover all aspects of STEM, plus key science concepts of buoyancy, density, and more! Comprehensive activity guide with reproducible materials is also included. Largest piece (submarine) measures 6"L x 3.5"H. Includes: Two-Piece Submarine, Floating Raft, 10 Hex Weights, 5 Circle Weights, 2 Stars, 2 Balls, and 10 Double-Sided Activity Cards.

SPECIMEN STONES: BUGS – 9 STONES – QTY 1

Durable set of bug specimens set in shatter-resistant acrylic. Set includes 9 authentic specimens; wasp, bee, butterfly, ladybeetle, scorpion, cricket, pill bug, june beetle, and spider. Double-sided cards featuring detailed images, fun facts and important information included. The stones fit perfectly inside the Specimen Stone Tabletop Stand for display in classroom centers (sold separately, item 38036).

SPECIMEN STONES: SEA CREATURES 9 STONES – QTY 1 –

Durable set of sea creature specimens in shatter-resistant acrylic. Set includes 9 authentic specimens; sea star, shrimp, sea anemone, brown algae, hermit crab, crab, seahorse, tiger barb, and red algae. Double-sided cards featuring detailed images, fun facts, and important information included. The stones fit perfectly inside the Specimen Stone Tabletop Stand for display in classroom centers (sold separately, item 38036).

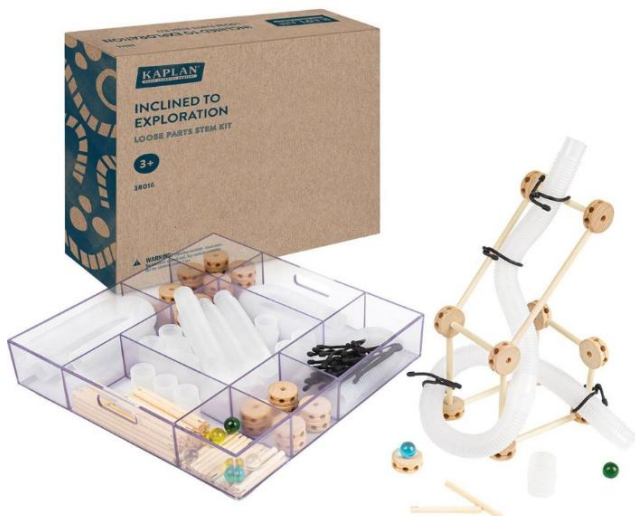

SPECIMEN STONE: PLANTS – 9 STONES – QTY 1

Durable set of plant specimens in shatter-resistant acrylic. Set includes 9 authentic specimens; rose, rice, fibrous root, taproot, clover, wheat, maple leaf, daisy and fern frond. Double-sided cards featuring detailed images, fun facts and important information included. The stones fit perfectly inside the Specimen Stone Tabletop Stand for display in classroom centers (sold separately, item 38036).

INCLINED TO EXPLORATION: LOOSE PARTS STEM KIT – QTY 2

The possibilities of discovery are multiplied when rich variables are at children's fingertips. Inclined to Exploration: Loose Parts STEM Kit is a laboratory of opportunity to experiment and explore the relationships of how materials relate to basic physics principles. Children can build, create, investigate, and invent while focusing on the process rather than the end product.. The kit includes a frosted plastic tray for storage and classification of loose parts and measures 12.5"L x 12.5"W x 2.9"H.

CHUNKY BEAD SET – QTY 2 –

Encourage children to practice fine motor skills with this delightful Chunky Colorful Bead Sequencing and Patterning Practice Set with Storage Box. This bright colored bead sequencing set develops shape-recognition, color recognition, and spatial relations. Includes 10 simply designed, colorful patterns, and 45 pattern blocks in 6 different shapes and colors for replicating each pattern. Stores neatly in a wooden case.

LARGE MINUTE SAND TIMER – QTY 1 –

Keep up with the time using this brightly colored Large Minute Sand Timer for Classroom Activities Indoors and Outdoors. This classic hourglass timer is the perfect tool to help children visualize time. Use this exciting timer for science experiments, time management, and other timed games. This sand timer is time-tested and made of durable plastic. Timer comes with matching colored sand inside of a glass hourglass. Available separately or purchase the whole set of 4. Measures 3.25"L x 6.375"W.

SPINNING TABLETOP ART STORAGE – QTY 3 –

Encourage sharing and collaboration in children's art spaces with this convenient, spinning art storage. This unique, portable, and easy-to-clean addition to the art area comes with 6 clear cups that can be used for paint or to provide storage for brushes, pencils, or other supplies. Provide children with a mess-free solution to paint and supply sharing with inset cups and rubber feet that prevent spilling or tipping. Entire cup spinner measures 10.6"L x 10.6"W x 4.4"H.

LEAF RUBBING PLATES – QTY 1 –

Use these rubbing plates to create colorful textured nature inspired pictures! Leaf Rubbing Plates are versatile and fun for art, design, science, geography and much more. This hands-on, easy-to-use tool is sure to enhance learning concepts. Layer designs for more effects. Use them with crayons, markers or pencils to create a simple colorful picture or try making impressions with modeling dough! Includes 16 rubbing plates and a guide with craft ideas.

INSECT RUBBING PLATES – QTY 1 –

Use these rubbing plates to create colorful textured pictures of creepy crawlers! You can use them with crayons to create simple color images on paper or try making impressions with modeling dough! 16 rubbing plates.

COLORFUL BALANCING TREE 11 PIECES – QTY 2 –

Friendly birds and branches make up the fun Colorful Balancing Tree to Practice Problem Solving. Children will develop fine motor skills, color recognition, balancing skills, and problem solving skills all through cooperative play. With different ways to balance the tree, children will love trying different methods. This balancing tree is also great for individual learning. For 1 - 4 players.

INTERLOX SQUARES – 96 PIECE SET – QTY 2

Add a new dimension to manipulative play with this 96 piece set. Simply clip the edges together to create an unlimited array of constructions. Build people, buildings, animals and more. Explore symmetry versus asymmetry, discover color combinations. Strengthens design, structure and balance skills. Enhance the designs by creating them on top of a light table. Comes with activity card(s).

INTERLOX LEAVES 96 PIECES – QTY 2

Build with soft colors of nature, creating organic patterns with friction-fit leaf shapes. Explore symmetry, develop fine motor and spatial skills. Construction activities can be enhanced through light table exploration. A beautiful, subdued, natural color palette and recycled material construction further enhance a child's connection to the natural world. Set includes 10 double-sided activity cards and 96 colorful, interlocking pieces.

MAGNA-TILES FARM ANIMALS – 25 PIECE SET – QTY 1

Time for some Magna-Tiles® fun down on the farm! The Magna-Tiles® Farm Animals building set features 25 farm themed magnetic pieces. Set features 4, unique, full-magnetic barnyard buddies and the first-ever magnetic fence pieces. Add this magnetic tile set to any Magna-Tiles® collection to create endless patterns or practice shape recognition. Set includes; chicken, horse, cow, pig, 10 fence pieces, and more! Made of food-grade ABS (BPA Free) plastic - free of phthalates and latex.

MAGNA-TILES DINO WORLD – 40 PIECE SET – QTY 1 –

Volcanic explosions, molten lava and hours of imaginative play are bursting from the Dino World set! Four, oversized, fully-magnetic dinosaurs navigate a rocky volcanic terrain that puts the steam in STEAM learning. Turn up the heat on screen-free fun and imaginative play possibilities with this fun and ferocious new addition to the Magna-Tiles® collection. Set features volcanic themed tiles and 4 dinosaurs; T-Rex, Velociraptor, Stegosaurus, and Pteranodon with moving parts and unique colors not found in other sets. Made of food-grade ABS (BPA Free) plastic - free of phthalates and latex.

SAFARI WOODEN LACING ANIMALS – SET OF 5 – QTY 2

Lace, wrap and twist realistic or abstract animal patterns on large, animal-shaped wooden boards. Simple, screened faces encourage dramatic play without distracting from the colorful lace creations. Includes set of 10 double-sided, matte pattern cards for suggested designs. Five laces feature a wooden tip to support fine-motor skill development. Giraffe measures 7"W x 12"D x 10"H.

JUNIOR ENGINEER CREATIVE BUILDING SET – QTY 2 –

Design all types of construction vehicles with our engineering set. Perfectly sized for small hands, children can connect the chunky bolts, wheels, and joints. As children build, they boost planning and motor skills. A total of 210 pieces in a stackable plastic container.

GEARS! GEARS! GEARS! – QTY 2 –

Challenge patterning and problem solving skills with these exciting sets of gears, cranks, connectors, pillars, and interlocking plates! Includes plenty of pieces in one size for hundreds of 3-dimensional possibilities. Available in 100 and 150 piece sets.

CLASSIC GAMES SET OF 6 – QTY 1 –

A collection of games from single player to multiple player with different skill levels. Includes Guess Who, Connect Four, Twister, Trouble, Sorry, and Jenga.

DELUXE SCHEDULING POCKET CHART – QTY 1 –

Keep your routines on track with this handy Colorful Deluxe Scheduling Pocket Chart for Classroom Daily Overview. This oversized schedule is perfect for keeping your classroom on track! Use this chart to go over what your children should expect during the day. This is also a great way to teach children the importance of schedules or being on time. Includes 12 clear pockets, a storage pocket with hook-and-loop tape closure, and 15 write-on/wipe-away cards. Measures 36"L x 13"W.

HELPIN H HANDS POCKET CHART – QTY 2 –

Chart encourages teamwork, self-esteem and responsibility. Features 10 job cards with blank reverse sides for customization and 30 hand cards for student names. Reuse all 40 write & wipe cards! Nylon chart with grommets and 2 storage pockets measures 29.5"L x 22"W.

SPECIMEN STONE TABLETOP STAND -QTY 1-

Beautifully display the pieces from the Specimen Stones sets (sold separately) using the durable, beechwood Specimen Stone Tabletop Stand. Keep a complete set of 9 stones visible and organized during and between supplemental lessons using this easy-to-use display.

SPECIMEN STONES: CREEPY CRAWLERS -9 STONES- QTY 1-

Inspire scientific inquiry by giving children an in-depth look at a few of the world's creepy crawlers. Set in acrylic, these authentic Creepy Crawler Specimen Stones enable children to examine crickets, spiders, and other interesting insects. Additionally, the stones come with reference cards that will extend learning with colorful images and fascinating facts.

K'NEX INTRODUCTION TO SIMPLE MACHINES: GEARS- 7 MODEL BUILDS- QTY 1-

Hands-on Investigation Kit supports building a variety of real-world models that demonstrate science and technology concepts. Students will explore through hands-on investigation concepts such as gearing up/down and increasing speed/force as they build crank fans, egg beaters and more. Includes building instructions for 6 different models with real-life photo and key facts. Complete set includes building materials in a sturdy divided case, teaching resource CD (with teaching notes, building projects and extension activities) and student building guide.

DESIGN AND DRILL ROBOT WORKSHOP XL- BUILD 6 ROBOTS- QTY 1-

Give young engineers a space where they can blossom. The Design & Drill® Robot Workshop equips young children with everything they need to build multifaceted, mobile robots. Playing with robots helps young children explore concepts of engineering, coding and math in an engaging way. The collection's many interchangeable pieces empower children to construct any kind of robot that enters their imagination. Set includes 150 pieces, enough to build 6 different robots.

LOOSE PARTS STACKING WOODEN TRAYS – 4 PIECES- QTY 1-

Enhance activities incorporating found loose parts using this set of stackable Loose Parts Trays. Each deep, square tray is divided into varying compartments, encouraging children to engage in simple classification and seriation. As children are introduced to new objects, they will develop spatial relationships and strengthen their fine motor skills. Plastic feet on the bottom of each tray ensure a snug fit when stacked between activities and allow for various arrangements and tiered orientations. Each tray measures 15"L x 15"W x 9"H. Contents not included.

WRITING CADDY-QTY 1-

Keeping everything organized will help children find what they are looking for instantly. Can store many different essentials to make learning fun. Includes a handle so it can be moved from place to place easily on a moment's notice.

TICONDEROGA #2 PENCIL 24 COUNT -QTY 1-

Pencils are the foundation of self-expression and new ideas. With the Ticonderoga® #2 Black Pencil Set, children can draw their vision of the world! These pencils are great for homework assignment, writing projects, recording scores during an exciting game, and so much more. These pencils are shaped for the purpose of comfort. Pencil is made of reforested quality cedar wood and includes a latex free eraser for easy, clean corrections. PMA certified. Non-toxic.

THE PENCIL GRIP- SET OF 3- QTY 5-

This versatile pencil grip will stretch to fit over large pencils and paint brushes. Ergonomically correct for both left and right-handed users.

ALUMINUM SCOOPS & SIFTER SET- QTY 1-

Encourage your children to explore sand or loose dirt with this exciting Aluminum Scoops & Sifter Set for Discovery and Sand Table Play. This rust-proof aluminum set is perfect for exploration, STEM activities, or prospecting for cool rocks. Includes a pan sifter, four nesting cans with two perforated bottoms, and three scoops. The scoops have 3"L handles and extra wide scoops. Pan sifter measures 9"D.

PLASTIC BINOCULARS -QTY 6-

Take your observations outside with these durable Outdoor Discovery and Exploration Adventure Plastic Binoculars. These portable 6X binoculars feature an adjustable focus dial and clip on strap. Children will love bird watching and discovering cool little critters outside. These binoculars encourage exploration, imagination, and outdoor activity.

ADVENTURE OUTDOORS IDEA CARDS -QTY 1-

Take learning to the outdoors with these engaging Adventures Outdoors Idea Cards. This card set has been designed to offer portable inspiration whatever the weather. Printed on durable plastic, each pack contains 30 photographs with activity ideas on the reverse. This set encourages outdoor learning, exploration, and gross motor skills. The cards come on a sturdy metal ring to keep them organized.

12" OUTDOOR DURABLE RAINBOW CONE-SET OF 6- QTY 3-

Perfect for playground fun, these durable cones are a must-have for outdoor adventures and activities! Use this set of six cones to organize your playground, create an obstacle course, or design exciting games with students-the opportunities for open-ended play and learning are endless! Built to last with a sturdy black base, these brightly-colored cones are sure to be a hit with your budding athletes and outdoor explorers!

BALANCING PADDLE AND BALL SET-8 PIECES- QTY 3-

Help your children practice their balance and coordination. This set promotes color recognition, hand-eye coordination, and gross motor functions. Simply balance the ball on the paddle and race to the finish line! Set includes four paddles and four balls in four colors.

RANDOM ROBOTS: LOOSE PARTS STEM KIT-QTY 3 -

The possibilities of discovery are multiplied when rich variables are at children's fingertips. Random Robots: Loose Parts STEM Kit is a laboratory of opportunity to experiment and explore pieces and tools that children can use to create robots. Children can build, create, investigate, and invent while focusing on the process rather than the end product. The kit includes a frosted plastic tray for storage and classification of loose parts and measure.

NATURE'S GEOMETRY: LOOSE PARTS STEM KIT-QTY 2-

The possibilities of discovery are multiplied when rich variables are at children's fingertips. Nature's Geometry: Loose Parts STEM Kit is a laboratory of opportunity to experiment and explore natural loose parts like assorted pine cones, faux turtle shell, lotus wood varieties, gourds, and more. Children can investigate and explore natural items unfamiliar to them and widen their understanding of nature. The kit includes a frosted plastic tray for storage and classification of loose parts and measures 12.5"L x 12.5"W x 2.9"H.

STEM BUILDER SERIES BUILD AN ANIMAL-QTY 4-

Over 300 pieces contribute to this kit's endless building possibilities. An assortment of activity card(s) illustrate possible animal and pattern configurations and encourage children to design their own creations.

ALL-WEATHER TABLETOP MAGNIFIER-SET OF 2- QTY 4-

Encourage children to get a closer look at the world around them with a Tabletop Magnifier. Molded from new Poly+ material, this safe and durable waterproof magnifier is the perfect companion for every indoor and outdoor adventure. Solid glass lenses are scratch resistant and protected by overmolded soft touch plastic. Set includes 2 magnifiers.

PET TORNADO-QTY 2-

Give your children an exciting extreme weather lesson with this fun Create and Contain Realistic Tiny Tornado in a Can for Interactive Weather Learning. With a simple twist of the wrist, a realistic, tiny tornado is produced from the white foam clouds. Hold the can to the light and watch the iridescent currents swirl. This activity promotes STEM learning, discovery, and sensory learning. Tornado facts are printed on the back of the container. Use this activity over tornado safety with children.

CODING CRITTERS-RANGER & ZIP- QTY 2-

Join these playful pups in early coding fun! This 15-piece Coding Critters set features interactive pets Ranger and his friend Zip along with a playset including a house, slide, tennis ball launcher, and more. Play fetch, hide and seek, and other fun games with the pets playset or create your own coding stories and challenges. When you are not coding, you can pet, feed, and take care of Ranger just like a real pet in Play Mode. Read along and explore the coding adventures in the full-color storybook filled with multiple coding challenges. Coding Critters are interactive pets that introduce preschoolers to critical thinking, problem solving, and other skills through STEM-based play. Included: Ranger and Zip Coding Critters, Playset with accessories, and a 20-page Storybook. Requires 3 AAA batteries, not included.

CODING CRITTERS-SCAMPER & SNEAKER-QTY 2-

Join these playful kittens in early coding fun! This 15-piece Coding Critters set features interactive pets Scamper and Sneaker along with a playset including a house, slide, yarn ball, cat toy, and more. Play fetch, hide and seek, and other fun games with the pet playset for create your own coding stories and challenges. When you are not coding, you can pet, feed, and take care of Scamper just like a real pet in Play Mode. Read along and explore the coding adventures in the full-color storybook filled with multiple coding challenges. Coding Critters are interactive pets that introduce preschoolers to critical thinking, problem solving, and other skills through STEM-based play. Included: Scamper and Sneaker Coding Critters, Playset with accessories, and a 20-page Storybook.

CODING CRITTERS – RUMBLE & BUMBLE- QTY 2-

Join these playful dinos in early coding fun! This 15-piece Coding Critters set features interactive pets Rumble and Bumble along with a playset including a cave, slide, volcano launcher, and more. Play fetch, hide and seek, and other fun games with the pet playset or create your own coding stories and challenges. When you are not coding, you can pet, feed, and take care of Rumble just like a real pet in Play Mode. Read along and explore the coding adventures in the full-color storybook filled with multiple coding challenges. Coding Critters are interactive pets that introduce preschoolers to critical thinking, problem solving, and other skills through STEM-based play. Included: Rumble and Bumble Coding Critters, Playset with accessories, and a 20-page Storybook. Requires 3 AAA batteries, not included.

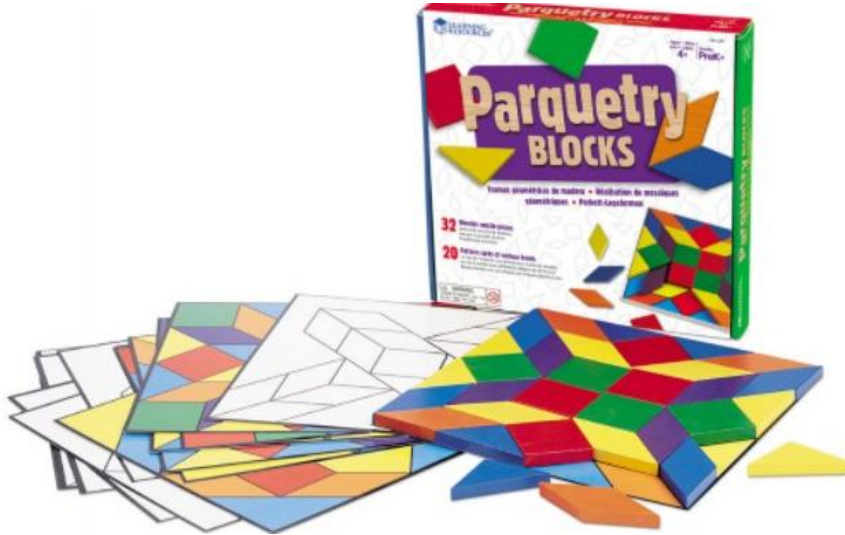

CODE & GO ROBOT MOUSE STEM ACTIVITY SET- QTY 4-

The hunt is on! Customize your maze, then program the mouse to find the cheese. The inventive possibilities are endless. It's the perfect introduction to the concepts of coding, early engineering, step programming, and critical thinking. This deluxe science set includes 16 pieces to create a 20" x 20" maze board, 25 wall tiles to create paths that are straightforward, winding, and everything between, and sequence cards to plot your way to the cheese while tracking every step! Mouse measures approximately 4"H x 3W".

PARQUETRY BLOCK SUPER SET-QTY 2-

This Parquetry Block Super Set features thick, wooden geometric blocks in six bright colors to create and match patterns and designs. Practice matching the pattern on the cards or create your own designs. Included: 32 Block Pieces, Work Tray, and 20 Parquetry Pattern Cards.

MY FIRST FRACTION PUZZLE-QTY 2-

Introduce early math skills such as counting, number identification, basic concepts of fractions, and how different shapes work together. This colorful Fraction puzzle has numbers, shapes, and visual fraction breakdown within the shape. Children visually experience Fractions in multiple ways. Promotes hand-eye coordination and fine motor development.

Giraffe Washable Wicker Floor Basket Qty. 1
